Nahum And Habakkuk Thru The Bible Commentary Series The Prophets:

Minor Prophets II (Understanding the Bible Commentary Series) John Goldingay, Pamela J. Scalise, 2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes

Becoming Disciples Through Bible Study: Study Manual Richard B. Wilke, Julia Kitchens Wilke Trust, 2010-09-01

DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE BECOMING DISCIPLES THROUGH BIBLE STUDY, a thirty-four week overview of the entire Bible. Commitment and Time Involved: Three and one half to four hours of independent study each week, 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings. Attendance at weekly 2.5-hour meetings. Study Manual: Each member of the group needs a study manual and a Bible. The Bible is the text for the study, and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions, along with theme words, theme verses, and major persons, events, and topics, will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. We recommend the New Interpreters Study Bible. More Questions? Visit www.cokesbury.com/disciple.

Daniel-Malachi David E. Garland, 2008-12-28. This is a complete revision of the Gold Medallion winning commentary series. It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint. Publisher description: *Bible Study by Periods* Henry Thorne Sell, 1899. [A Survey of the Bible](#) Ronald F. Satta, 2008-11-04. Among books, the Bible is unique. Compiled over a time period spanning some 1600 years, it includes contributions from over forty different writers. Yet it has a unified message and a clear theme: redemption through sacrifice, and most especially redemption through the sacrifice of Christ, the Messiah, the Promised One from God. This coherence across time and space is the product of a single unseen author, the Holy Spirit. Using the personality and style of each of the different sacred penmen, the Spirit so guided their work as to produce documents that expressed the divine mind precisely. Thus the Scripture in the original autographs was entirely without error in everything to which it spoke, whether pertaining to matters of faith or fact, right down to the very words. However, this amazing book, God's message to the human race, remains rather mysterious and even inaccessible to many Christians. I hope that these summaries will help interested students of the Bible acquire a clearer and more comprehensive understanding of the sixty-six canonical books of sacred Scripture, making their own Bible study more productive and meaningful. *Micah* Julia Myers O'Brien, 2015. Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible. It is our hope that Wisdom Commentary, by making the best of current feminist biblical scholarship available in an accessible format, will aid readers in their advancement toward God's vision of dignity, equality, and justice for all.
