

Point Of No Return The Story Of The 20th Air Force

Bernard C. Nalty

Point Of No Return The Story Of The 20th Air Force:

The B-29 Superfortress Robert A. Mann, 2015-07-11 The B 29 Superfortress was for many years a cornerstone of American military aviation Best known as a bomber it also served in reconnaissance as a tanker and as a rescue plane It was a crucial tool for American and Allied forces during World War II Korea and beyond This operational history of the B 29 gives in depth information on the career of each plane A list of the names and serial numbers of the planes each plane s history from delivery date to removal from service a description of the B 29 s physical characteristics and performance parameters and a description of the five B 29 variants are provided Sections of the book give complete mission data for the B 29 s World War II service in the China Burma India theater of operations operations over Japan aerial mining missions and test atomic bombing runs

United States Air Force and Its Antecedents James T. Controvich, Martin Gordon, 2004-06-24 This bibliography lists published and printed unit histories for the United States Air Force and Its Antecedents including Air Divisions Wings Groups Squadrons Aviation Engineers and the Women s Army Corps

The B-29 Superfortress Chronology, 1934-1960 Robert A. Mann, 2009-09-12 The Boeing B 29 Superfortress lived an operational life of only 26 years but what a life it was The introduction to this book provides basic information on the physical plane dimensions specs leading particulars and operational usages Then an exhaustive day by day chronology of the B 29 is presented from the earliest designs in 1934 through thousands of missions and aircraft events in World War II and Korea to the 1960 retirement of the last operational B 29 The book also includes an extensive glossary and three appendices which provide a discussion of the general anatomy of a mission a sample of operational voice or radio codes used in 1945 and a guide to very unofficial aircraft names

Winged Shield, Winged Sword 1950-1997 Bernard C. Nalty, 2003-11 Describes and analyzes in the context of national policy and international rivalries the evolution of land based air power since the United States Army in 1907 established an Aeronautical Division Provides a clearer understanding of the central role of the Air Force in current American defense policy

Winged Shield, Winged Sword: 1950-1997 Bernard C. Nalty, 1997 This is the milestone official comprehensive history of the United States Air Force with compelling stories about America s airmen and their aircraft This document Volume II picks up the narrative at the Korean War takes it through the War in Southeast Asia the Gulf War to the drawdown following the end of the Cold War barnesandnoble.com

The War Against Japan, 1941-1945 John J. Sbrega, 2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA s fight against Japan in the Second World War Including books articles and de classified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories hisotoriographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military apsects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including

substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru

The Rise of American Air Power Michael S. Sherry, 1987-09-10 The Bancroft Prize winning history of American strategic bombing Sherry has given us more than just a major contribution to the literature about air power and World War Two His real subject is nothing less than the destructiveness of our modern age John W Dower author of War Without Mercy Race and Power in the Pacific War This book offers an in depth history of American strategic bombing With impressive sweep and vigor Michael S Sherry explores the growing appear of air power in America before World War II the ideas techniques personalities and organizations that guided air attacks during the war and the devastating effects of American and British conventional bombing He also traces the origins of the dangerous illusion that the bombing of cities would be so horrific that nations would not dare let it occur an illusion that has sanctioned the growth of nuclear arsenals His book is a major contribution to American military intellectual and political history

Strategic Bombing by the United States in World War II Stewart Halsey Ross, 2015-10-03 The United States relied heavily on bombing to defeat the Germans and the Japanese in World War II and air raids were touted as precision bombing in American propaganda But was precision possible over cloud covered Europe or a darkened Japanese countryside Could the vaunted Norden optical bombsight in fact drop bombs into pickle barrels as advertised Were the American aircrews well trained and well protected How good were their airplanes What were the results of the costly raids This work sets suppositions against facts surrounding the United States use of strategic bombing in World War II Chapters cover the events leading up to World War II the start of the war the seers and the planners the airplanes bombs bombsights and aircrews the planes Germany used to defend itself against American planes the five cities Hamburg Dresden Tokyo Hiroshima and Nagasaki that experienced the most destruction and the U S Strategic Bombing Survey of the damage done by aerial bombing The book also probes the government s myth building statements that supported America s view of itself as a uniquely humanitarian nation and analyzes the role played by interservice rivalry battleship admirals against bomber generals

Inferno Edwin P. Hoyt, 2024-11-05 Did the bombing of Japan s cities culminating in the nuclear destruction of Hiroshima and Nagasaki hasten the end of World War II Edwin Hoyt World War II scholar and author argues against the U S justification of the bombing In Inferno Hoyt shows how the United States bombed without discrimination hurting Japanese civilians far more than the Japanese military Hoyt accuses Major General Curtis LeMay the Air Force leader who helped plan the destruction of Dresden of committing a war crime through his plan to burn Japan s major cities to the ground The firebombing raids conducted by LeMay s squadrons caused far more death than the two atomic blasts Throughout cities built largely from wood incendiary bombs started raging fires that consumed houses and killed hundreds of thousands of men women and children The survivors of the raids recount their stories in Inferno remembering their terror as they fled to shelter through burning cities escaping smoke panicked crowds and collapsing buildings Hoyt s descriptions of the widespread death and destruction of Japan depicts a war machine operating without

restraint Inferno offers a provocative look at what may have been America's most brutal policy during the years of World War II

Winged Shield, Winged Sword 1907-1950 Bernard C. Nalty, 2003-11 Describes and analyzes in the context of national policy and international rivalries the evolution of land based air power since the United States Army in 1907 established an Aeronautical Division Provides a clearer understanding of the central role of the Air Force in current American defense policy

The Literature of Aeronautics, Astronautics, and Air Power Richard Hallion, 1984 **The Ultimate Battle** Bill

Sloan, 2008-10-14 This book offers an account of the battle of Okinawa during the spring of 1945 It profiles the conflict that was marked by the death of America's highest ranking officer killed during World War II the hara kiri deaths of two top ranking Japanese commanders and the deaths of more than 250 000 soldiers sailors and civilians Publishers description

Winged Shield, Winged Sword: 1907-1950 Bernard C. Nalty, 1997 This is the milestone official comprehensive history of the United States Air Force with compelling stories about America's airmen and their aircraft This document Volume I contains the first 12 chapters and begins with balloons and the earliest heavier than air machines It carries the story through World War II to the establishment of the United States Air Force as a service separate from but equal to the Army and the Navy barnesandnoble.com

B-29 Superfortress Graham M. Simons, 2012-09-19 A well written history of a history changing aircraft the bomber that carried the two atomic bombs that destroyed Hiroshima and Nagasaki in WWII Aeromilitaria The Boeing B 29 Superfortress was a four engined heavy bomber flown primarily by the United States in World War Two and the Korean War The name Superfortress was derived from that of its well known predecessor the B 17 Flying Fortress The B 29 was the progenitor of a series of Boeing built bombers reconnaissance aircraft trainers and tankers including the variant B 50 Superfortress The B 29 was one of the largest aircraft to see service during World War Two A very advanced bomber for its time it included features such as pressurized cabins an electronic fire control system and remote controlled machine gun turrets Though it was designed as a high altitude daytime bomber in practice it actually flew more low altitude nighttime incendiary bombing missions It was the primary aircraft in the American firebombing campaign against Japan in the final months of World War Two Unlike many other World War Two era bombers the B 29 remained in service long after the war ended with a few even being employed as flying television transmitters The type was finally retired in the early 1960s with 3 960 aircraft in all built Without doubt there is a clear strong requirement to put the record straight using primary source documentation to record the undoubted achievements alongside and in context with the shortcomings to the type's design and operation that have otherwise received scant attention The book covers all variants and is profusely illustrated

Japan's War Edwin P. Hoyt, 2001-01-16 Tracing the history of Japanese aggression from 1853 onward Hoyt masterfully addresses some of the biggest questions left from the Pacific front of World War II

No Strategic Targets Left F. J. Bradley, 1999

Eagle Against the Sun Ronald H. Spector, 2020-11-03 The best book by far on the Pacific War The New York Times Book Review this classic one volume history of World War II in the Pacific draws on declassified intelligence files

British American and Japanese archival material and military memoirs to provide a stunning and complete history of the conflict This superbly readable insightful gripping Washington Post Book World contribution to WWII history combines impeccable research with electrifying detail and offers provocative interpretations of this brutal forty four month struggle Author and historian Ronald H Spector reassesses US and Japanese strategy and shows that the dual advance across the Pacific by MacArthur and Nimitz was more a pragmatic solution to bureaucratic doctrinal and public relations problems facing the Army and Navy than a strategic calculation He also argues that Japan made its fatal error not in the Midway campaign but in abandoning its offensive strategy after that defeat and allowing itself to be drawn into a war of attrition Spector skillfully takes us from top secret strategy meetings in Washington London and Tokyo to distant beaches and remote Asian jungles with battle weary GIs He reveals that the US had secret plans to wage unrestricted submarine warfare against Japan months before Pearl Harbor and shows that MacArthur and his commanders ignored important intercepts of Japanese messages that would have saved thousands of lives in Papua and Leyte Throughout Spector contends that American decisions in the Pacific War were shaped more often by the struggles between the British and the Americans and between the Army and the Navy than by strategic considerations Spector vividly recreates the major battles little known campaigns and unfamiliar events leading up to the deadliest air raid ever adding a new dimension to our understanding of the American war in the Pacific and the people and forces that determined its outcome **War in the Pacific** Harry Gailey,2011-08-03

Historian Harry Gailey offers a fresh one volume treatment of the vast Pacific theater in World War II examining in detail the performance of Japanese and Allied naval air and land forces in every major military operation The War in the Pacific begins with an examination of events leading up to World War II and compares the Japanese and American economies and societies as well as the chief combatants military doctrine training war plans and equipment The book then chronicles all significant actions from the early Allied defeats in the Philippines the East Indies and New Guinea through the gradual improvement of the Allied position in the Central and Southwest Pacific regions to the final agonies of the Japanese people whose leaders refused to admit defeat until the very end Gailey gives detailed treatment to much that has been neglected or given only cursory mention in previous surveys The reader thus gains an unparalleled overview of operations as well as many fresh insights into the behind the scenes bickering between the Allies and the interservice squabbles that dogged MacArthur and Nimitz throughout the war NOTE This edition does not include a photo insert [The quest Haywood Hansell and American](#)

[strategic bombing in World War II](#) Charles Griffith,1999 This book contains the following chapters concerning Haywood Hansell and American Strategic Bombing in World War II the problems of air power 2 the early years education and acts 3 planning 4 the frictions of war 5 the global bomber force 6 triumph and 7 tragedy **Routledge Library Editions: World War II in Asia** Timothy Hall,John J. Sbrega,2021-03-11 The 4 volumes in this set originally published between 1980 and 1983 bring to light and focus on the conflict between Japan and Australia and Japan and the USA Timothy Hall s volumes

richly illustrated with black white photographs used highly contentious documents as their sources and give fascinating insights into a period of Australian history which is sometimes less than glorious John J Sbrega's tour de force is not only one of the most extensive annotated bibliographies on the USA and Japan in World War 2 ever published but it also provides invaluable information on lesser known but no less important aspects of the conflict

Point Of No Return The Story Of The 20th Air Force Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Point Of No Return The Story Of The 20th Air Force PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Point Of No Return The Story Of The 20th Air Force PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Point Of No Return The Story Of The 20th Air Force free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Point Of No Return The Story Of The 20th Air Force Books

1. Where can I buy Point Of No Return The Story Of The 20th Air Force books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
