

Point Of The Graver

Thomas Martin (civil engineer.)

Point Of The Graver:

The Point of the Graver Wesley W. Bates,1994 A carefully squared block of highly polished endgrain boxwood or maple and a few sharpened gravers are insignificant in themselves But in the hands of Hamilton artist Wesley Bates these seemingly inflexible demanding materials can create form fluidity mood depth an infinite world of light and shadow monochrome and colour The English wood engraver Clare Leighton once wrote Of all media wood engraving is the one in which there is the least to be taught and the most to be learnt The engraver s challenge to engrave light onto the block and to respect the mystery of solid blacks and whites is not easily met but Wesley learned his craft carefully and methodically He shows his admiration for English wood engraving in his skilful use of these simple gravers and his ability to suggest character and expression in his subjects Wesley s engravings maintain their moods and tell their tales with style sensitivity humour and skill The subject matter in The Point of the Graver ranges from traditional folk ballads The Brisk Young Butcher to modern allegories A Contemporary Fable from simple commissions Ex Libris to elaborate three panel illustrations To the Avon River above Stratford Canada In all of these Bates display a technical virtuosity that allows him to live on the point of the graver where there is the constant danger of passing the point of no return **The Art of Engraving** Fred Holmes Rees,1909
