

LOSING PATIENCE

Once Patience Merriman had been the toast of Oxford. But now the professor's aging widow is confined to a wheelchair, and she aims her bitterness at anyone within range. She ridicules her daughter Romola. She schemes to destroy the romance between the two young students boarding upstairs. And her latest ploy is promoting the scurrilous suggestion that her own daughter intends to do her in. Once the accusation is made, though, she wonders if she's made a mistake. This suggestion might be too good to pass up ...
