Polar Bears Gift:

The Polar Bear's Gift Jeanne Bushey, 2000 In the great frozen expanse of the high Arctic Pani a young Inuit girl longs to be a great hunter of polar bears like her parents before her But first says Pani s grandmother she must become a great fisher The next day at the fishing hole Pani hooks her first fish In honor of her accomplishment her grandmother presents her with a special ivory fishing lure that once belonged to Pani s mother Proud of her lure Pani tells her friends that it is magic and someday she will be a great hunter But they mock her insisting that only men can become great hunters Hurt by their jeers Pani puts her hands over her ears and runs and runs Before she knows it she is far out on the polar ice where she encounters the pale shape of a wounded polar bear cub Now she must decide whether to hunt or help It s all right Nanook she says to the weakened cub I will take care of you Inspired by a traditional Inuit legend The Polar Bear s Gift is about the compassion and resourcefulness of a young girl with ambitious dreams It is Pani s trial and her triumph to discover that what makes a great hunter is not necessarily a straight aim It is the lure of the heart on the cold arctic ice **Just a Girl Who Loves**
