The Police Chief Executive Report International

Association of Chiefs of Police. Police Chief Executive Committee, 1976 This report proposes orderly methods of selecting a qualified police chief executive and of retaining him after selection It also suggests means by which communities can increase the effectiveness of their police chief executives by ensuring the authority resources and tenure necessary to fulfill the responsibilities of the positions properly In addition this report sets out procedures grounded on American constitutional notions of fairness and due process for removing an unqualified police chief executive from office The eighteen standards presented along with their related commentaries were developed and reviewed by the police chief executive committee of the International Association of Chiefs of Police IACP which with funding support from the Law Enforcement Assistance Administration LEAA conducted a yearlong study into the role and position of police chief executives The appendix contains a discussion of the research methodology copies of the survey questionnaires and statistical summaries of questionnaire responses An index is provided

Evaluating Police Management Development Programs Byron K. Simerson, William Markham, 1990-05-11 Designed to meet the growing demand for evaluation material this volume fills a major gap in criminal justice literature It details the first comprehensive broad based and theoretically grounded model for evaluating police management training programs In a clear and concise style it develops a complete set of instruments for evaluation and then illustrates use of the model and the instruments on a specific program Byron Simerson and William Markham have included all of the instruments needed to conduct a comprehensive evaluation and the instructions for their use Alleviating the problem of haphazard evaluation this volume was designed for police chiefs and training directors in larger jurisdictions state criminal justice academies the Training and Standards Divisions of State Departments of Justice and state and federal law enforcement agencies Administrators are now recognizing the importance of determining training program efficiency particularly in light of the growing concerns over legal liability Evaluating Police Management Development Programs provides the tools and expertise needed to conduct a comprehensive program evaluation Chapters provide an overview of existing literature model description research procedures model application to a specific police executive development program reaction by North Carolina police chiefs and a description of how the model can be applied to any police management development program Appendices provide all instruments including precourse surveys observation evaluation forms course critiques follow up surveys and chiefs evaluation surveys
