Police Funding, Dark Money, and the Greedy Institution Randy K. Lippert,Kevin Walby,2022-05-05 Police Funding Dark Money and the Greedy Institution is about a pervasive but little studied phenomenon Private funding of public police entails private entities sending resources to police through unconventional or hidden channels sometimes for suspect reasons The book argues police acquisition of this dark money befits the notion of a greedy institution that pursues resources beyond ample public funding and needs and seeks ever more loyal members beyond its traditional boundaries to reproduce itself The book focuses on private police foundations corporate sponsorships and paid detail arrangements primarily in North America how these funding networks operate and are framed for audiences and the forms and volumes of capital they generate Based on interviews with police representatives sponsors funders and foundation representatives as well as records from over 100 police departments this book examines key issues in private funding of public police including corporatization accountability corruption and the rule of law It documents and analyzes the troubling explosion of police foundations and sponsors and corporate paid detail brokers unknown to the public as a social and policy issue and a hidden response to the global police defunding movement The book also considers potential policy responses and community safety alternatives in a more generous society An accessible and compelling read students and scholars in criminology criminal justice law sociology political science anthropology geography as well as policymakers will find this timely book revealing of a neglected growing area of police practice spanning multiple themes and jurisdictions

Reframing Police Education and Freedom in America Martin Alan Greenberg,Beth Allen Easterling,2023-09-15 This book untangles the components of police education and advocates a robust community based training model with significant civilian oversight The recommended approach recognizes that the citizenry needs to be included in the provision of basic police education for it is they who must both support and be served by their police The police must be role models for society demonstrating that freedom and rights come with obligations both to the community as a whole and to individuals in need

within that community Ultimately the quality of police training and the public's safety depend not only on the leadership of police executives as well as the quality of educational institutions and police candidates but also on the building of a community's trust in its police The issues of police recruitment education and retention have greater consequence in an era when protests and other signs of negativity surround law enforcement Several incidents including most notably George Floyd's murder by police have sparked new training initiatives regarding police de-escalation and community engagement At the same time the proliferation of gun violence and a contentious political climate have led some officers to refrain from undertaking proactive types of policing In this context reform of the police education system is urgent This book examines police training at all levels of government local regional state and federal In addition citizen participation programs including the role of the media and programs for furthering law-related education LRE are highlighted The proposed police education model recognizes that ordinary members of the American public need to contribute to the provision of basic police education for it is they who must both support and be served by their police The focus is on teaching a guardian style of policing at the local level Police education would combine higher education necessary practical proficiencies and intensive field experiences through a gradual level of greater responsibility likely extending over a 2 plus year period for trainees with less than a year of previous college credits This book will be of interest to a wide range of audiences such as law enforcement professionals and trainers including those in executive development programs in police departments community leaders scholars and policy experts who specialize in policing concerned citizens and students of criminal justice especially those interested in police organization and management criminal justice policy and the historical development of police

Los Angeles Police Department Meltdown James Lasley, 2012-08-08 Once considered among the most respected police departments in the world the LAPD suffered a devastating fall from grace following the 1991 police officer beating of Rodney King and the Los Angeles riots stemming from the officer's acquittal in 1992 Unique to the literature of policing management and policy studies Los Angeles Police Department

Policing and Social Media Christopher J. Schneider, 2024-10-31 Policing and Social Media Social Control in an Era of Digital Media investigates various public aspects of the management use and control of social media by police agencies in Canada This book aims to illustrate the process by which information technology namely social media and related changes in communication formats have affected the public face of policing and police work Christopher J. Schneider argues that police use of social media has altered institutional public police practices in a manner that is consistent with the logic of social media platforms policing is changing to include new ways of conditioning the public cultivating self-promotion and expanding social control Every chapter in this second edition has been updated with contemporary examples and analysis Each case study presented here focuses on a different social media platform or format while at the same time developing suitable analytical and methodological approaches for understanding contemporary policing practices on social media sites

Both Sides of the Fence Bob Martin, David Teems, 2006-12-15 Chattanooga

Tennessee today is not the same town it was in the nineteen forties through the mid eighties Protected by a corrupt and self serving local government her masters fattened themselves on illegal enterprise In this one book you have biography treachery and underworld intrigue You have murder and attempts at murder You have innocence accused and guilt unpunished You have luxury power and privilege with their hands on all the strings You have white lightning and whiskey runners colorful whores one great barroom brawl and gunfights with such playbills as Cowboy Bob and the Shootout at The Fuzzy Duck You have all the stuff of fiction without the burden of a lie all the benefit of great theatre without having to leave your favorite chair The best part of it is its all true Down to the five oclock shadow on the policemen dressed like prostitutes

Sock Penn Jillette, 2004-07-01 New York Times Bestselling Author From the famed comedian and magician a very unusual crime novel filled with smart alecky philosophical wit Booklist starred review Twisting the buddy cop story upside down and inside out Penn Jillette has created the most distinctive narrator to come along in fiction in many years a sock monkey called Dickie The sock monkey belongs to a New York City police diver who discovers the body of an old lover in the murky waters of the Hudson River and sets off with her best friend to find her killer The story of their quest swerves and veers takes off into philosophical riffs occasionally stops to tell a side story and references a treasure trove of 1970s and 1980s pop culture in a surprising intense fascinating fiction debut Unlike anything I ve ever read seriously good writing Kaye Gibbons award winning author of *Ellen Foster* Possibly the best original fiction I ve read since *A Confederacy of Dunces* Kinky Friedman author of *Prisoner of Vandam Street* **Against Everything** Mark Greif, 2016 These essays address such key topics in the cultural political and intellectual life of our time as the tyranny of exercise the tyranny of nutrition and food snobbery the sexualization of childhood and everything else the philosophical meaning of Radiohead the rise and fall of the hipster the impact of the Occupy Wall Street movement and the crisis of policing Four of the selections address directly and unironically the meaning of life what might be the right philosophical stance to adopt toward one s self and the world Amazon com *Critical Incidents in Policing* James T. Reese, 1991 **No Mopes Allowed** David A. Oliver, 2013-10-03 If you like no nonsense crime busting straight shooting opinions and offbeat humor you ll love this greatest hits collection from surprise Internet sensation Chief David A Oliver of the Brimfield Police Department He s been called the coolest police chief in existence but David Oliver says he s just doing his job and still doesn t understand how his small town police department s Facebook page attracted a worldwide audience Readers from as far away as Australia Ireland and Hong Kong and from every state in the U S stop by daily for a virtual cup of coffee with the chief Whether he s busting mopes old fashioned cop slang for criminal types comforting a teen runaway or promoting school safety Oliver s folksy and feisty style connects with readers He tackles tough issues The invasion of Meth and other drugs Drunk driving School shootings He champions personal responsibility and chastises politicians I have a low tolerance for nonsense Oliver says This book collects the best of the chief s politically incorrect essays delightfully sarcastic letters to criminals humorous crime reports inspirational quotes and more

Enter the colorful world of the Brimfield PD Where you do NOT want to win a pair of silver bracelets and a trip to the bed and breakfast Where drug mopes are pursued by a Meth Whisperer Where dispatch calls might include an APB All Pig Bulletin And where kids caught bicycling safely are issued tickets for free ice cream If you re not a mope you ll fit right in David Oliver will donate all of his income from this book to the Chief Oliver Foundation a not for profit organization that distributes funds to police department charitable programs and assists juvenile survivors of sexual assault **POLICE ETHICS AND THE JEWISH TRADITION** Stephen M. Passamaneck,2011-01-01 Jewish tradition has a great deal to say about morals and ethics in various modern fields of public concern including police ethics In Police Ethics and the Jewish Tradition author Stephen Passamaneck explores three areas of interest loyalty bribery and gratuities and deception Loyalty will always be a part of police culture and administrators are faced with the task of minimizing its abuses Jewish tradition encourages the support of the whistleblower who exposes wrongdoing for the sake of the public good This can sometimes lead to a clash between tradition and the blue wall of silence In the area of bribery and gratuities Jewish law prohibits bribery but modest gratuities may be accepted Tradition allows a given class of persons to enjoy preferential treatment In police culture limits must be imposed on any gratuities Any expression of respect and appreciation must have no relation to the manner in which a police officer performs his or her duties In the area of deception Jewish tradition is very clear that misleading the innocent is morally wrong Police ethics accepts deception in an interrogation to obtain information to protect a life or to recover stolen property Deceptive tactics however have no place in a court of law Jewish legal tradition does not differ from modern western law in this respect This book takes a first look at the idea that Jewish tradition may offer benefit to the evolving world of police ethics **Losers Take All , The Police Meet the Press** Gerald W. Garner,1984 **Play, Creativity, and Social Movements** Benjamin Shepard,2012-05-23 As we play we step away from stark reality to conjure up new possibilities for the present and our common future Today a new cohort of social activists are using it to create social change and reinvent democratic social relations In contrast to work or routine play must be free To the extent that it is it infuses a high octane burst of innovation into any number of organizational practices and contexts and invites social actors to participate in a low threshold highly democratic process of collaboration based on pleasure and convivial social relations Despite the contention that such activities are counterproductive movements continue to put the right to party on the table as a part of a larger process of social change as humor and pleasure disrupt monotony while disarming systems of power Through this book Shepard explores notions of play as a social movement activity considering some of the meanings applications and history of the concept in relation to social movement groups ranging from Dada and Surrealism to Situationism the Yippies to the Young Lords ACT UP to the Global Justice anti gentrification community and anti war movements of recent years **The Jake Boulder Thrillers Books One to Three** Graham Smith,2018-04-24 Three novels in the series starring a hero who is as sharp with his wits and his tongue as he is with his fists Matt Hilton bestselling author

of the Joe Hunter novels Transplanted Scotsman Jake Boulder earns his keep where he can find it including the occasional job for his friend a bookish African American PI named Alfonse This three in one volume of action packed crime thrillers by the 1 bestselling author includes Watching the Bodies When Utah bartender Jake Boulder is asked by his PI friend to help investigate a party girl s vicious murder he soon finds himself tracking a serial killer who selects his next victim in a most unusual manner The Kindred Killers A family of four among them Alfonse s cousin has met a horrific end Jake Boulder s help is needed and the case will lead him into a web of abduction and murder The stakes get even higher when gruesome incendiary footage is sent to the media and Boulder intends to find those responsible even as the FBI warns him off Past Echoes Tasked with finding a beneficiary and revealing a dead woman s secret Jake Boulder travels to New York with his girlfriend Taylor He also has to find his estranged father for a life saving transfusion But once there he finds himself pitted against a professional assassin known only as The Mortician

MIDWATCH WATCH 4 Patrick J Green,2013-12-15 Mid Watch one of the worst watches a Police Officer can work they encounter some of the most serious criminal offenders who have no regard for the established law and less regard for those who are sworn to enforce them Their motto Take no shit give no slack hookem bookem and don t look back This is MIDWATCH WATCH 4 *The Ethics Primer for Public Administrators in Government and Nonprofit Organizations* James H. Svava,2021-03-17 Written to introduce students to the fundamentals of administrative responsibility and ethics The Ethics Primer for Public Administrators in Government and Nonprofit Organizations provides a clear understanding of why ethics are important to administrators in governmental and non profit organizations and how these administrators can relate their own personal values to the norms of the public sector The Ethics Primer guides the student to align his or her own ethical commitments with the ethical standards of the field Further it helps the reader understand how to put these standards into practice as an individual administrator and as a leader of a public or nonprofit organization Utilizing the ethics triangle as a framework that stresses virtue principles and promoting good outcomes this text clearly articulates for the reader the duties and responsibilities of public servants
