Policing In A Divided Society A Study Of Parttime Policing In Northern Ireland:

Policing Northern Ireland Aogan Mulcahy,2013-06-17 This book provides an account and analysis of policing in Northern Ireland following the RUC Royal Ulster Constabulary from the start of the troubles in the 1960s up to 1999 It focuses on three key aspects of the police legitimization process reform measures which are implemented to redress a legitimacy crisis representational strategies which are invoked to offer positive images of policing and public responses to these various strategies The book also makes a powerful contribution to wider current debates about police legitimacy police community relations community resistance and conflict resolution *Policing and Combating Terrorism in Northern Ireland* Neil Southern,2018-04-12 This book explores the challenges of combating terrorism from a policing perspective using the example of the Royal Ulster Constabulary GC RUC in Northern Ireland The RUC was in the frontline of counter terrorism work for thirty years of conflict during which time it also provided a normal policing service to the public However combating a protracted and vicious terrorist campaign exacted a heavy price on the force Importantly the book addresses a seriously under researched theme in terrorism studies namely the impact of terrorism on members of the security forces Accordingly the book examines how officers have been affected by the conflict as terrorists adopted a strategy which targeted them both on and off duty This resulted in a high percentage of officers being killed whilst off duty sometimes in the company of their wives and children The experience of officers wives is also documented thus highlighting the familial impact of terrorism Generally speaking the victims of terrorist attacks have received scant scholarly attention which has resulted in victims experiences being little understood This piece of work casts a specific and unique light on the nature of victimhood as it has been experienced by members of this branch of the security forces in Northern Ireland *Combating Terrorism in Northern Ireland* James Dingley,2008-10-13 The essays in this volume unite analysis and practice in exploring both the conflict in Northern Ireland and the internationally applicable counter terrorism lessons which can be drawn from the response to it

Policing Across the World R.I. Mawby,2013-04-15 This wide ranging text provides an overview of policing across different societies and considers the issues facing the US and British police in a wider international context The book is designed as a coherent introduction to the police *Policing in a Divided Society* Richard H. Mapstone,1994 Northern Ireland is a society inflamed by deep religious and political divisions which have divided communities and nurtured an active terrorist campaign lasting many generations This book explores how part time police men and women living and working in society fulfil the tasks of policing divided communities *Challenges of Policing Democracies* Dilip Das,Marenin Otwin,2012-10-12 In this text the editors analyze the diverse situations that police forces operate under and the challenges that they face in different kinds of democracies This cross cultural comparison of various systems highlights the universal observation that police are a anomaly in a democracy and explores how various influences for example large scale social violence a zeal for crime fighting and vulnerability to temptation often find police incapable of behaving in a democratic

manner Challenges of Policing Democracies goes beyond just showing the similarities and differences of the policing challenges democratic societies face it also examines the responses and remedies adopted by police in various countries at different levels of democratic achievement and how every society struggles with the challenges of preserving democratic values without sacrificing the effectiveness of policing

Policing Northern Ireland John McGarry, Brendan O'Leary, 1999

Police reform one of the most hotly debated issues in Northern Ireland is at the heart of the Good Friday Agreement This timely and dispassionate book examines the status quo and puts forward reasoned proposals to help create representative impartial decentralised demilitarised and democratically accountable policing services proposals which respect the identities and ideas of unionists nationalists and others

Terrorist Informers in Northern Ireland Samantha Newbery, 2024-10-21

By using informers to provide intelligence on terrorism the security and intelligence agencies who handle them gain knowledge of their offences Charges may then be brought against them provided evidence supports this course of action But if imprisoned an informer no longer has access to the time sensitive potentially life saving intelligence they once had There is therefore a tension between continuing to use an informer to provide intelligence on terrorism and upholding the law This tension is at the heart of this book Terrorist Informers in Northern Ireland analyses prominent terrorist informers such as Agent Stakeknife and lesser known examples who collectively were active throughout Northern Ireland from the 1970s to the present It looks at both those involved with republican groups and with loyalist groups and also those working for the police the armed forces and MI5 Valuable pieces of the puzzle are unearthed in sources such as court judgments official reports and in interviews conducted by the author The book also analyses the way successive governments the police the armed forces and MI5 have addressed the regulation of terrorist informers involvement in criminality as well as allegations of collusion between informers on one hand and the security and intelligence agencies on the other Accordingly the book also assesses the varied retrospective investigations into the use of terrorist informers and therefore the competing needs for secrecy and transparency As Samantha Newbery's research here shows although there is a tension between intelligence and the law this can be successfully navigated
