Hate Crime Neil Chakraborti, 2017-09-25 Hate crime has become an increasingly familiar term in recent times as problems of bigotry and prejudice continue to pose complex challenges for societies across the world. Although greater recognition is now afforded to hate crimes and their associated harms, the problem is still widespread and many key questions remain unanswered: Are we doing enough to protect vulnerable members of society? Are we doing enough to address the offending behaviour of hate crime perpetrators? Are there better ways of understanding and responding to hate crime? This book brings together contributions from leading experts in the field to address these and other contested issues in this fascinating and often controversial subject area. Drawing upon innovative work being undertaken nationally and internationally, the book offers fresh ideas on hate crime scholarship and policy and in so doing enables readers to re-evaluate the concept of hate crime in the light of fresh research, theory and policy. It provides much needed ways of taking the hate debate forward as well as offering practical suggestions for developing both scholarship and policy in a more progressive manner.

Hate Crimes Barbara Perry, 2009-03-05 This book offers a comprehensive approach to understanding hate crime: its causes, consequences, prevention and prosecution. Hate crimes continue to be a pervasive problem in the United States. The murder of Matthew Shepard, the lynching of James Byrd, the murderous rampage of Benjamin Smith and anti-Muslim violence remind us that incidence of deadly bigotry is not only a recurring chapter in U.S. history but also a part of our present-day world. Contrary to common belief, hate mongers who commit crimes are rarely members of the Ku Klux Klan or a skinhead group. In fact, fewer than 5 percent of identifiable offenders are members of organized hate groups. Yet rather than being an individual crime, hate crime represents an assault against all members of stigmatized and marginalized communities. To fully understand the phenomenon of hate crime and reduce its incidence, it is necessary to clearly define the term itself, to examine the victims and the offenders and to evaluate the consequences and harms of hate crimes. This comprehensive five-volume set carefully addresses the disturbing variety and incidence of hate crimes, exposing their impacts on the broader realms of crime, punishment, individual communities and society. The contributing authors and editors pay critical attention to cutting-edge topics such as online hate crimes, hate-based music, anti-Latino hostilities, Islamophobia, hate crimes in the War on Terror, school-based anti-hate initiatives and more. The final volume of *Hate Crimes* provides valuable food for thought on possible legislative, educational, social policy or community/organizational responses to the varied forms of hate crime.

The New Black Kenneth Mack, Guy-Uriel Charles, 2013-09-03 The election and reelection of Barack Obama ushered in a litany of controversial perspectives about the contemporary state of American race relations. In this incisive volume, some of the country's most celebrated and original thinkers on race—historians, sociologists, writers, scholars and cultural critics—reexamine the familiar framework of the civil rights movement with an eye to redirecting our understanding of the politics of race. Through provocative and insightful essays, *The New Black* challenges contemporary images of black families, offers a contentious critique of the relevance of presidential politics, transforms ideas about real and perceived political power, defies

commonly accepted notions of blackness and generally attempts to sketch the new boundaries of debates over race in America Bringing a wealth of novel ideas and fresh perspectives to the public discourse The New Black represents a major effort to address both persistent inequalities and the changing landscape of race in the new century With contributions by Elizabeth Alexander Jeannine Bell Paul Butler Luis Fuentes Rohwer Lani Guinier Jonathan Scott Holloway Taeku Lee Glenn C Loury Angela Onwuachi Willig Orlando Patterson Cristina M Rodriguez Gerald Torres
