## **Policing The Elephant:**

Policing the Elephant John Phillip Reid, 1997 This volume makes as significant a contribution to scholarship as did the first book Law for the Elephant and will I predict force scholars to reassess the role of law in nineteenth century America Walter Nugent Notre Dame University      **We the Miners** Andrea G. McDowell, 2022-06-28 The California Gold Rush is thought to exemplify the Wild West yet miners were expert organizers Driven by property interests they enacted mining codes held criminal trials and decided claim disputes But democracy and law did not extend to foreigners and Indians and miners were hesitant to yield power to the state that formed around them      **Rural Policing and Policing the Rural** Rob I. Mawby, 2016-04-08 Policing reveals much about rural society It refers to the way that the police the public and other agencies regulate themselves and each other according to the dominant ideals of society This can be formally through the ever growing spectrum of policing partnerships in neo liberal countries or informally through the performance and enforcement of moral codes and values This book draws on international inter disciplinary perspectives to examine the range and consequences of policing across different rural localities Rural Policing and Policing the Rural is organised into two sections the first examines who is policing rural areas while the second examines the nature of rural policing by considering on the one hand the policing of rural space and on the other how ideas of rurality are regulated In doing so this book provides a survey of rural policing that will be valuable to academics students policy makers and those policing rural places

**Invitation to an Execution** Gordon Morris Bakken, 2010-11-16 Until the early twentieth century printed invitations to executions issued by lawmen were a vital part of the ritual of death concluding a criminal proceeding in the United States In this study Gordon Morris Bakken invites readers to an understanding of the death penalty in America with a collection of essays that trace the history and politics of this highly charged moral legal and cultural issue Bakken has solicited essays from historians political scientists and lawyers to ensure a broad treatment of the evolution of American cultural attitudes about crime and capital punishment Part one of this extensive analysis focuses on politics legal history multicultural issues and the international aspects of the death penalty Part two offers a regional analysis with essays that put death penalty issues into a geographic and cultural context Part three focuses on specific states with emphasis on the need to understand capital punishment in terms of state law development particularly because states determine on whom the death penalty will be imposed Part four examines the various means of death from hanging to lethal injection in state law case studies And finally part five focuses on the portrayal of capital punishment in popular culture      **Tides and Currents in Police**

**Theories** Elke Devroe, Paul Ponsaers, Lodewijk Gunther Moor, Jack Greene, Lieselot Bisschop, Layla Skinns, Antoinette Verhage, Matthew Bacon, 2012 This volume of the Journal of Police Studies reflects on theoretical developments concerning police The book is focused on a paper by Jack R Greene titled The Tides and Currents Eddies and Whirlpools and Riptides of Modern Policing Connecting Thoughts The paper was the outcome of a seminar organized at Ghent University in the

framework of the working group on policing of the European Society of Criminology ESC held in September 2010 Greene's contribution refers to original background papers which were published earlier This book pushes the analysis further starting from the observations Greene makes in his provocative roundup The book's themes include collective action and crime policing and social democracy the role of the law in policing violence and police the militarization and demilitarization of police politics and policing the transformation of policing the evaluation of research methodology buzz words and basics in policing the history of theory the emerging new policing role and its implications police education and training the erosion of community policing the complexity of policing dirty crime global crime and policing the central tasks of the police democratic policing

Applied Policing Policy Research Paul Dawson, 2025-07-08 This volume critically examines how the integration of evidence based research within police governance reshapes accountability decision making and policy development Focusing on the transition of a well established police research unit from the Metropolitan Police Service to the London Police and Crime Commissioner's office in 2014 the book explores the broader implications of this move for data driven oversight and police practice Bringing together contributions from experts directly involved in this transition the chapters combine original research case studies and applied analysis to demonstrate how evidence informs policing at both strategic and operational levels The book introduces the concept of evidence based oversight offering a new framework for understanding the evolving role of research in shaping police governance and accountability structures With insights for PCC staff police professionals policymakers and scholars this volume provides a critical perspective on how empirical research can enhance policing practices drive reform and strengthen oversight mechanisms within criminal justice systems

Understanding Risk in Criminal Justice Hazel Kemshall, 2003-08-16 the Crime Justice series has become a key resource for universities in teaching criminology and criminal justice Professor Kemshall has established herself as a leading figure in the concepts of risk risk management and public protection issues an invaluable read for those entering Criminal Justice or moving to work in projects or teams at the forefront of public protection Vista How significant is risk to the formation and implementation of penal policy To what extent are the tasks and activities of frontline criminal justice workers informed by concerns to assess and manage risk Has there been a significant sea change in the delivery of criminal justice and if so what are the future implications of this This illuminating text examines the significance of the concept of risk in criminal justice policy and in the role of criminal justice agencies and crime prevention initiatives Particular features of the book include its use of practical examples coverage of previously unpublished research and a full review of current risk assessment tools for use with offenders It is designed with undergraduate courses in mind providing frequent summaries lists of further reading and a glossary The identification assessment and management of risk has become a central theme of criminal justice policy For some penal policy commentators this represents a sea change in crime management to a new era of actuarial justice that is the management of crime opportunities and risk distribution rather than the management of individual offenders By drawing

on key areas of criminal justice practice such as policing probation and crime prevention this book examines the actual extent of this change and reviews the case for a new risk based penology The book combines a review of current theories on actuarial justice with a detailed examination of current practices in key frontline agencies The result is an essential text for criminology students and trainee professionals in criminal justice

**Policing, Popular Culture and Political Economy** Robert Reiner, 2017-07-05 Robert Reiner has been one of the pioneers in the development of research on policing since the 1970s as well as a prolific writer on mass media and popular culture representations of crime and criminal justice His work includes the renowned books *The Politics of the Police* and *Law and Order An Honest Citizen's Guide to Crime and Control* an analysis of the neo liberal transformation of crime and criminal justice in recent decades This volume brings together many of Reiner's most important essays on the police written over the last four decades as well as selected essays on mass media and on the neo liberal transformation of crime and criminal justice All the work included in this important volume is underpinned by a framework of analysis in terms of political economy and a commitment to the ethics and politics of social democracy

*A History of American Law* Lawrence M. Friedman, 2019-09-23 Renowned legal historian Lawrence Friedman presents an accessible and authoritative history of American law from the colonial era to the present day This fully revised fourth edition incorporates the latest research to bring this classic work into the twenty first century In addition to looking closely at timely issues like race relations the book covers the changing configurations of commercial law criminal law family law and the law of property Friedman furthermore interrogates the vicissitudes of the legal profession and legal education The underlying theory of this eminently readable book is that the law is the product of society In this way we can view the history of the legal system through a sociological prism as it has evolved over the years

**Policing International Trade in Endangered Species** Rosalind Reeve, 2014-02-25 A comprehensive examination of the way in which the Convention on the International Trade in Endangered Species CITES is implemented and policed CITES is one of the oldest international environmental agreements and has been responsible for some striking conservation successes But given the way it has evolved there are also some critical weaknesses that unscrupulous countries and commercial interests can exploit especially regarding information institutions and enforcement The convention needs reform and this book gives a trenchant critique including practical and effective recommendations for change
