

POLITICAL POWER AND SOCIAL THEORY

VOLUME 16

BLANE E. DAVIS

Editor

Political Power And Social Theory

Maurice Zeitlin

Political Power And Social Theory:

Political Power and Social Theory Diane E. Davis, Christina Proenza-Coles, 2008 **Rethinking Obama** Julian Go, 2011-11-16 Includes a selection of papers exploring Obama and the Politics of Race Religion This title examines the complex dynamics of race relations and racial meaning in America under the Obama administration It assesses the meanings of race and religion in America under the Obama administration **Political Power and Social Theory** Diane E. Davis, Julian Go, 2009-12-21 It is time to consider changes in the field of comparative historical sociology as the discipline seeks to accommodate old and new trends as well as the transforming spatial scales in which political power and social theory are increasingly embedded This title showcases articles that pursue similar themes **Political power and social theory** Barrington Moore, 1958 *Political Power and Social Theory* Julian Go, 2010-12-07 Helps in advancing our interdisciplinary critical understanding of the linkages between social relations political power and historical development This title contains a section on the politics of the new middle class in the global south and post socialist societies Political Power and Social Theory , 1980 Political Power and Social Theory Barrington Moore, 1958 Political Power and Social Theory Barrington Moore (Jr.), 1958 **Political Power and Social Theory** Barrington Moore (Jr.), 1965 *Political Power and Social Theory* Maurice Zeitlin, 1988 Political Power and Social Theory , 1980 **Political Power and Social Theory** Barrington Moore, 1962 **Rethinking Obama** Julian Go, 2011-11-16 Includes a selection of papers exploring Obama and the Politics of Race Religion This title examines the complex dynamics of race relations and racial meaning in America under the Obama administration It assesses the meanings of race and religion in America under the Obama administration

Property and Power in Social Theory Dick Pels, 2002-08-26 Property and power perform a key role in social and political theories of class inequality and social stratification however theorists have yet clearly to define these concepts their mutual boundaries and scopes of application This book answers the property power puzzle by undertaking a broad historical inquiry into its intellectual origins and present day effects through a series of case studies including Marxism vs anarchism the fascist assertion of the primacy of the political social science as power theory the managerial revolution the knowledge society and the new intellectual classes **Political Power and Social Theory** Maurice Zeitlin (ed), 1980 **Critical Issues in Social Theory** John K. Rhoads, 2010-11-01 Critical Issues in Social Theory is an analytical survey of persistent controversies that have shaped the field of sociology It defines clarifies and proposes solutions to these critical issues through commentary on the writings of such influential social theorists as Hobbes Marx Durkheim Weber Mead Merton Parsons and Schutz Instead of being just another history or another classification of theories Rhoads s four part model allows him to focus attention on issues that remain at the core of sociological theory today First Rhoads analyzes the controversy over positivism as the proper methodological model for the study of human society Is there one science of which sociology is a branch or do the peculiarities of sociology s subject matter require a modification of the scientific method borrowed from

the natural sciences Rhoads next considers the relationship of individuals to society and its structures Does society have a mode of existence distinct from its members or is it merely an abstraction derived from the characteristics of individuals Third a discussion of social order raises the question of whether social order is the consequence of rules and their underlying moral values or the product of continuous construction based on self interest Finally the relative importance of consensus and conflict in social relationships is addressed Is society better understood as a community united by beliefs values and rules or is the social dynamic of continual conflict over beliefs values and rules more fundamental In coming to grips with these issues the author in some instances takes sides and in others arrives at a synthesis of diverse perspectives In the final chapter he points to the limitations on the possibility of rational action that come to light in the clashes over these basic issues

Social Theory and Regional Studies in the Global Age Saïd Amir Arjomand, 2014-05-19 In this pioneering volume leading international scholars argue for the development of a new approach to social theory that draws on regional studies for the conduct of comparative analysis in the global age Social Theory and Regional Studies in the Global Age moves beyond facile generalizations based on the historical experience of modernization in the West by highlighting differences rather than similarities and contrasts rather than commonalities and by examining civilizational processes and culturally specific developmental patterns distinctive of different world regions Essays combine comparative and historical sociology with civilizational analysis and the study of multiple and alternative modernities Different patterns of modernization are compared within the framework of global local compressed communication and interaction that results from globalization The introductory chapter puts the present effort in the context of the seminal work of three generations of comparative sociologists and what follows is a penetrating analysis of modernization and globality opening the way for rectifying the erasure of the historical experience of a very sizeable portion of humankind from the foundation of social theory

Handbook of Classical Sociological Theory Seth Abrutyn, Omar Lizardo, 2021-11-01 This is the first handbook focussing on classical social theory It offers extensive discussions of debates arguments and discussions in classical theory and how they have informed contemporary sociological theory The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions and theoretical traditions This book presents new approaches to thinking about theory in relationship to sociological methods

Political Modernity and Social Theory Jose Mauricio Domingues, 2024-05-28 Modern liberal democracy and authoritarian collectivism have known diverse political regimes autocratic oligarchic or democratic they each consist of a mixed partly oligarchic regime in which plebeian politics are subordinated With authoritarian collectivism s defeat a return to modernity has produced one more hybrid configuration An in depth investigation of political modernity and how it is differentiated from other forms of society this book researches its origins and trajectory as a specific dimension of modern civilisation articulating a renewed critical theory through an

analysis of rights and law politics state and autonomy social reproduction crisis and political change Examining these diverse aspects Political Modernity and Social Theory proposes an encompassing and far reaching approach spanning past and present stressing radical plebeian democracy and maintaining a strong opening to the future and to possible alternatives to modernity The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution CC BY 4.0 license **Political Theory and Power** Sarah Joseph, 1988

Right here, we have countless book **Political Power And Social Theory** and collections to check out. We additionally provide variant types and then type of the books to browse.
