*Lokmanya Tilak, His Social and Political Thoughts* Shanta Sathe, 1994      **The Bhagavadgita in the Nationalist Discourse** Nagappa Gowda K., 2011-05-30 The Bhagavadgita has lent itself to several readings to defend or contest various views on life morality and metaphysics This book explores the the role of the Bhagavadgita in the formation of nationalist discourse It examines the ways in which the Gita became the central terrain of nationalist contestation and the diverse ethico moral mappings of the Indian nation Focusing on Bankimchandra Chatterjee Balgangadhar Tilak Swami Vivekananda Aurobindo Ghose Mahatma Gandhi Vinoba Bhave and B R Ambedkar as the representatives of different strands of nationalist discourse this volume probes their reflections on the Gita The author also discusses with issues such as the relation between the nation and the masses renunciation and engagement with the world the ideas of equality freedom and common good in the context of a nationalist discourse He argues that the commentaries on this timeless text opened up several possible understandings without necessarily eliminating one another      **Performative Politics and the Cultures of Hinduism** Raminder Kaur, 2005 Performative Politics and the Cultures of Hinduism focuses on one of the major festivals of western India the Ganapati Utsava dedicated to the elephant headed god Raminder Kaur uses this occasion as the central anthropological and historiographical site within which to examine the dynamic relationship between spectacle religion and nationalist politics      Education and the Disprivileged Sabyasachi Bhattacharya, 2002 This book addresses the familiar issue of unequal access to education in a new perspective In this regard whether one looks at gender or caste or tribes or class differences the gap between the privileged and the disprivileged is a matter of everyday experience In what manner and form are these asymmetries reflected in the domain of education is the question at the core of this collection of essays This volume is likely to be useful to those interested in understanding the interface between education and society in India as well as in other developing countries      *Mahatma Gandhi and Sri Aurobindo* Ananta Kumar Giri, 2021-11-14 This book presents the first systematic critical exploration of the philosophical and political thoughts of Mahatma Gandhi and Sri Aurobindo both pioneers of modern Indian thought Bringing together experts from across the world the volume examines the thoughts ideas actions lives and experiments of Mahatma Gandhi and Sri Aurobindo on themes such as radical politics and human agency ideals of human unity social practices and citizenship horizons of sustainable development and climate change inclusive freedom conceptions of swaraj interpretations of texts Sri Aurobindo s views on Indian culture integral yoga transformative leadership Anthropocene and alternative planetary futures The book discusses the contemporary legacies and works of the two influential thinkers It offers insights into historical philosophical theoretical literary and sociological questions that establish the need for transdisciplinary dialogues and the relevance of their visions towards future evolution This book will be

R Inamdar, 1991     *The Thought of Bal Gangadhar Tilak* Robert E. Upton, 2024 This work is a systematic study of Bal Gangadhar Tilak's thought focusing on his views on communal relations within the Indian polity on caste and reform in Hindu society and on political ethics regarding violence and non cooperation The Thought of Bal Gangadhar Tilak adopts a contextualist approach situating his ideas in local Maharashtrian as well as pan Indian and global cultural intellectual contexts The approach blends Tilak's quotidian journalism and speeches alongside his canonical texts on Aryan history and on the Bhagavad Gita The work marks a departure from current interpretations emphatically arguing that he is misappropriated and or misunderstood as a proto Hindutva thinker Instead he is revealed to be a radical liberal who supports counter autocratic violence a majoritarian pluralist in terms of intercommunity relations a self strengthening reformer focused on masculinity committed to reshaping India for the challenges of modernity something fused in his thought with a resilient Brahmin supremacism This book lays emphasis on his remarkable recognition as the nation's founding father and particularly demonstrates how his appropriation by Gandhi was in turn contested by those emphasising Tilak's embrace of violence particularly in the crucial mid 1920s period when he was indelibly linked to re emerging Hindutva More recently growing ahistorical demi official insistence on his social progressivism illustrates a change in India's public culture as does the use of popular or even legal pressure to de legitimize perennial criticism of Tilak's socio political positions     **Accessions List, South Asia** Library of Congress.
