## **Political Parties In The Irish Republic:**

Political Parties in the Republic of Ireland Michael Gallagher, 1985      **Politics in the Republic of Ireland** John Coakley, Michael Gallagher, Eoin O'Malley, Theresa Reidy, 2023-08-31 Building on the success of previous editions *Politics in the Republic of Ireland* continues to provide an authoritative introduction to all aspects of government and politics in this seventh edition Written by some of the foremost experts on Irish politics it explains analyses and interprets the background to Irish government and contemporary political processes It devotes chapters to every aspect of contemporary Irish government and politics including the political parties and elections the constitution deliberative democracy referendums the Taoiseach and the governmental system women and politics the position of the Dail and Ireland's place within the European Union Bringing readers up to date with the very latest developments especially with the upheaval in the Irish party system and the implications of recent liberalising referendums the seventh edition combines substance with a highly readable style providing an accessible book that meets the needs of all those who are interested in knowing how politics and government operate in Ireland      **Politics in the Republic of Ireland** John Coakley, Michael Gallagher, 2012-12-12 *Politics in the Republic of Ireland* is now available in a fully revised fourth edition Building on the success of the previous three editions this text continues to provide an authoritative introduction to all aspects of politics in the Republic of Ireland Written by some of the foremost experts on Irish politics it explains analyzes and interprets the background to Irish government and contemporary political processes Crucially it brings the student up to date with the very latest developments New patterns of government formation challenges to the established political parties ever deepening if sometimes ambivalent involvement in the process of European integration a growing role in the politics of Northern Ireland and sustained discussion of gender issues are among these developments along with evidence revealed by several tribunals of enquiry that Irish politics is not as free of corruption as many had assumed      *Irish Politics Today* Neil Collins, Terry Cradden, 2001 This new edition has been revised and updated to include coverage of the 1997 general election the creation of a new coalition of Fianna Fail and the Progressive Democrats under Bertie Ahern Reflecting on current developments in Irish politics the authors also examine other crucial issues such as the implications of a written constitution changes in the party system the power of major special interest groups the role of the civil service the position of the media and membership in the European Union      *Political Parties and the European Union* John Gaffney, 2002-09-11 A major textbook for comparative courses on European politics and for courses on the European Union providing a panoramic survey of the political parties of Europe      **Why are Ireland's Principal Political Parties so Similar?** Constantin Huesker, 2014-07-07 Essay from the year 2011 in the subject Politics Region Western Europe grade 70% 15 Dublin City University course Introduction to Modern Ireland language English abstract Tom Garvin introduces his book *The Evolution of Irish Nationalist Politics* from 2005 with the following appraisal The political parties of the Irish Republic are somewhat exotic entities The country's party system and its style of popular

politics in general are untypical of Western liberal democracies in many ways. He is proved right when looking at the classical political model and Ireland's party structure. The general political spectrum that divides political ideologies on the basis of their beliefs is not applicable to the Irish political landscape. One can neither find a clearly left wing nor a genuine right wing party. Instead, two big and nearly equal conservative parties prevail: Fine Gael and Fianna Fáil. For many years, these parties dominate the Dáil, winning together over 50% of the seats every election. Since their foundation in the early 20th century, the parties share basically the same political platform and represent therefore just an alternative to each other. The Irish population constantly favoured centre right politics and consequently other political camps were generally left by the roadside. In 2007, for instance, the Labour Party and the Green Party together won only 26 out of 166 seats. Another factor for Ireland's flat political landscape is the lack of cleavages within the Irish society. Not only due to exceptional ethnic and religious uniformity based on the role of the Catholic Church in social and political life but also due to Ireland's late industrialisation, traditional and homogeneous voting was and still is more influential than in other western democracies. The three factors introduced above and explained in detail below are not the exclusive reasons for Ireland's unique political landscape. Instead, the whole party structure matured over the past 100 years. It is therefore important to regard the process as a whole to better understand the evolution of the current situation.

**Political Parties in Advanced Industrial Democracies** Paul Webb, 2002-09-26 How relevant and vital are political parties in contemporary democracies? Do they fulfill the functions that any stable and effective democracy might expect of them, or are they little more than moribund anachronisms, relics of a past age of political life now superseded by other mechanisms of linkage between state and society? These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world's advanced industrial democracies. Drawing on the expertise of an impressive team of internationally known specialists, the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic, though rarely acute, parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed. This has enabled them to remain central to democratic systems, especially in respect of the political functions of governance, recruitment and, albeit more problematically, interest aggregation. On the other hand, the challenges they face in respect of interest articulation, communication and participation have pushed parties into more marginal roles within Western political systems. The implications of these findings for democracy depend on the observer's normative and theoretical perspectives. Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role, while those who place greater store by the more demanding criteria of optimizing interests and instilling civic orientations among citizens are far more likely to be fundamentally critical. Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and

politics The General Editors are Max Kaase Vice President and Dean of Humanities and Social Sciences International University Bremen and Kenneth Newton Professor of Government at Southampton University The series is published in association with the European Consortium for Political Research     *Political Parties and Terrorist Groups* Leonard Weinberg,1992 What is the relationship between the political parties that embrace the democratic process and terrorist groups which eschew the legal and procedural strictures of democracy This acclaimed volume provides a detailed theoretical and empirical analysis of this controversial issue Drawing on a vast array of data the authors examine a large number of international case studies from Italy Spain Lebanon Turkey Iran Israel Palestine Peru Argentina Japan and Northern Ireland This comprehensive book is the definitive account of this extremely important subject     *Ireland 1798-1998* Alvin Jackson,2025-03-24 The new edition of Alvin Jackson's highly influential survey of 200 years of Irish history In Ireland 1798 1998 War Peace and Beyond award winning historian Alvin Jackson provides a well balanced and authoritative account of modern Irish political history Drawing on original research and extensive readings in current scholarship the author surveys Irish political parties leaders and movements with a special emphasis on the tension between Irish nationalism and unionism Opening with a wide ranging introduction to Irish history the text describes the varieties and interconnections of the Irish political experience through a sustained and coherent historical narrative beginning with the creation of militant republicanism and militant loyalism in the 1790s Reader friendly chapters interweave social economic and cultural material while offering fresh analyses of familiar historical issues and personalities This third edition contains expanded coverage of the most recent political developments in Ireland both North and South A new epilogue examines the impacts of the Good Friday Agreement the global banking crisis Brexit and COVID 19 on Irish politics and institutions The most up to date interpretation of modern Irish political history available in a single volume Ireland 1798 1998 War Peace and Beyond Third Edition is a must read for undergraduate and graduate students working on Irish and British political history as well as general readers with an interest in the subject     **Politics in Ireland** Maura Adshead,Jonathan Tonge,2009-04-21 Politics in Ireland is the first major text to provide an accessible and systematic analysis of the politics of Ireland North as well as South With the development of a new Northern Irish political system and increasing links across the island the authors argue that the time is ripe to study together the two polities which share so much of a common history but which have had very different evolutions through the 20th century Drawing upon an exceptionally wide range of sources and their own original research the authors deploy a thematic approach to the study of political institutions political behaviour and public policy in both the Republic and Northern Ireland in order to produce a detailed but highly readable assessment of governance and politics in both political systems This approach enables them both to outline the differences and similarities between the polities and to explain how they relate to the wider world in particular to the UK and to Europe     *Political Parties and Electoral Change* Peter Mair,Wolfgang C Müller,Fritz Plasser,2004-06-09 This book provides a comparative overview and account of how the

parties in Western Europe have perceived contemporary challenges of electoral dealignment and how they have responded whether organizationally programmatically or institutionally

**On Parties, Party Systems and Democracy** Peter Mair, 2014-09-01 This collection brings together some of the most significant and influential work by leading comparativist Peter Mair 1951 2011 The selection ranges from considerations on the relevance of concept formation to the study of party systems and party organisations and from reflections on the democratic legitimacy of the European Union to the future of party democracy Including frequently cited papers alongside lesser known work the writings collected in this volume attest to the broad scope and depth of Mair's insights into comparative party politics and the changing realities of party government As such they form an important and enduring contribution to the study of politics and a fitting tribute to an inspirational and much missed figure in the global political science community Edited and introduced by Ingrid van Biezen with an intellectual portrait of Peter Mair by Stefano Bartolini and Hans Daalder

**When Political Parties Die** Charles S. Mack, 2010-08-11 This book presents a theory of political disalignment and a revised theory of party realignment using four case studies from the United States Canada Great Britain and Italy to illustrate these concepts Why do major political parties die The shelf life of minor parties in democracies tends to be short but major parties tend to be highly durable The Democratic Party of the United States and the Conservative Party of the United Kingdom have been going strong for two centuries Major parties perpetuate themselves by maintaining a consistent ideology on major national issues even at the cost of periodic defeats at the polls In American politics ideological polarization maintains the vitality of the two major parties and renders them almost immune to threats from new parties even as it impedes consensus and compromise on public issues Spectacular instances of sudden death in major parties have nevertheless occurred in the United States the United Kingdom Canada and Italy and they all exhibit similar characteristics The fatal event which author Charles S Mack calls disalignment occurs when a schism opens between party leaders and traditional core base voters on an issue of overriding national importance Major parties survive periodic defeats but they cannot survive disalignment

**Protestant Political Parties** Paul Freston, 2017-03-02 The recent global expansion of Protestant Christianity and the increase in multiparty democracies has led to the multiplication of Protestant political parties One cannot talk of Protestant parties today without mentioning countries as diverse as Norway Latvia New Zealand Indonesia Zambia and Nicaragua Whilst the well established parties of the Netherlands and Scandinavia have long been studied Paul Freston's groundbreaking book is the first global survey of this phenomenon After looking at the traditional Protestant heartlands of Europe and the English speaking world Freston traces the spread of the Protestant party model to post communist countries the Pacific the Muslim world southern Africa and Latin America He examines the circumstances favouring such parties and the political projects they represent The conclusion analyses the diversity of Protestant parties due to different interpretations of Christian politics and varied contexts This unique book will interest specialists and non specialists across disciplines and in many parts of the world

**Immigrant**

**Incorporation in Political Parties** Ricard Zapata-Barrero,Iris Dähnke,Lea Markard,2018-10-19 This book seeks to explore the potentialities of strengthening a new field of research within migration and diversity studies that of immigrant incorporation in political parties The point of departure of all the contributions to this volume is that there is what we call a diversity gap between political parties as public representative organisations and diversity dynamics in democratic societies Exploring the current strategies of political parties developing first conceptual frameworks theoretical foundations and empirical hypothesis and approaches this book examines case studies from four European countries Germany Ireland Portugal and Spain This book was originally published as a special issue of Ethnic and Racial Studies     **The IRA** Tim Pat Coogan,2002-01-05 A comprehensive history of the Irish Republican Army Examines the IRA s origins its foreign links bombing campaigns hunger strikes and sectarian violence and its role in attempts to bring peace to Northern Ireland
