*Glimpses of Vedantism in Sri Aurobindo's Political Thought* Samar Basu, 1998

Swaraj and Boycott as envisioned by Sri Aurobindo Debashri Banerjee, 2019-07-29 Document from the year 2013 in the subject Philosophy Philosophy of the 19th Century grade 10 Jadavpur University course Doctor of Philosophy language English abstract In this dissertation I have gone through the political topics like Swaraj and Boycott as conceived by Sri Aurobindo When we go through Sri Aurobindo's social political thought we cannot leave these topics aside As a political leader and social reformer he in his social political thought praised all of them and therefore I tried hard to

discover whether there is any slight possibility of spirituality hidden there The result is mesmerizing which has been discussed elaborately in my conclusion Swaraj and boycott are two different topics of Sri Aurobindo His social political thought is very unusual topic to discuss Most thought that he was mystic and yogi but he was also a well known political leader At the time of Indian Independence he developed there theories In this proposed dissertation our basic aim is to develop Sri Aurobindo s political thought invariable to bring Indian independence on 15th August 1947 He was completely reluctant to call himself either as a Yogi or a philosopher but to his disciples he appears both Here could raise a severe question how as a student of Philosophy I can co relate between philosophy and social political thought As a student of Philosophy I am trying hard to show the inherent relationship of Sri Aurobindo s social political thought along with his philosophical doctrine Actually we cannot be able to differentiate between his social political thought with the arena of his entire philosophical doctrine It is really hard to decide whichever of his writings are meant for philosophy and whichever for social political thought Even though his entire life span is thought to be divided into two prominent eras by his critics the hard core politician 1905 1910 and a profound yogi 1910 1950 but in my view this division is not appropriate in nature He was actually a yogi in the disguise of politician in his entire life time

**Cultivating Gardens of God** Ananta Kumar Giri, 2024-11-12

In self society religion and politics we are used to the language and discourse of Kingdom of God But in this God is presented as an omnipotent king who is also angry at slight deviation We get glimpses of such powerful and angry God in Old Testament as well as in many other religious traditions of the world In such a discourse and portrayal of God we fail to realize that God is mercy rahim karuna and compassion God is our ever awakened nurturer and He and She is continuously walking and meditating with us with mercy as well as firm challenges for self development mutual realizations and responsible cosmic engagement and participation The vision and discourse of Kingdom of God has many a time been confined within a logic of power where we are prone to valorize God s power in order to valorize our own power on Earth especially the logic of sovereignty at the level of self and society rather than realize God s mercy This book strives to transform this to Gardens of God
