Lisa Marie Anderson

Prosa Des Exprebionismus:

A Companion to the Literature of German Expressionism Neil H. Donahue, 2005 New essays examining the complex period of rich artistic ferment that was German literary Expressionism

Vier Pole Expressionistischer Prosa Studien Zu Den Erzählformen Expressionistischer Werke Von Kasimir Edschmid, Carl Einstein, Alfred Döblin und August Stramm Joseph Lawrence Brockington, 1981

Expressionism as an International Literary Phenomenon Ulrich Weisstein, 1973-01-01 Ulrich Weisstein's collection of 21 essays offers a comparative study of Expressionism as a Modernist movement whose dynamic core lay in Germany and Austria Hungary but which transformed artistic practices in other European countries The focus Weisstein argues must be strictly and sharply aimed at a specific body of works and opinions a relatively dense core surrounded by a less clearly defined fringe zone indigenous to the German speaking countries The volume spans an Expressionist period extending from roughly 1910 to 1925 Weisstein himself contributes two introductory chapters on problems of definition and a thoughtful analysis of English Vorticism An ample context is set by comparative essays concerned with international movements such as Futurism that had an impact on German Expressionist drama prose and poetry together with essays on the adaptation of Expressionist forms in countries such as Poland Russia Hungary South Slavic nations and the United States These essays call attention to representative authors and artists as well as to periodicals and artistic circles Reviewers have praised not only the presentation of literary links and interaction among national cultures but especially the most rewarding interdisciplinary essays on Dada and on Expressionist painting music and film

German Expressionist Prose Augustinus P. Dierick, 1987-12-15 An extreme sensitivity to gathering social crisis an accompanying angry enthusiasm for artistic experimentation and renewal this compelling mix in German art poetry and drama of the period 1910 to 1925 continues to draw both scholarly attention and intense popular interest In this book Augustinus Dierick focuses on another significant but hitherto neglected medium of German Expressionist thought short narrative prose in order to illuminate and evaluate the contribution of that genre to one of the twentieth century's most powerful artistic movements Dierick's study includes a thorough analysis of the works of a broad range of Expressionist prose writers from those of such specialists in the genre as Edschmid Heym Benn Loerke Frank Sternheim Ehrenstein and Mynona to the shorter prose works of such major figures as Alfred Döblin Heinrich Mann Max Brod and Franz Werfel Dierick isolates the thematic obsessions common among Expressionist writers the pathos of the self in confrontation with nature and with God the tension between self and the institutions of bourgeois society and the attractions and dangers of eroticism Throughout Dierick stresses the interrelationship between themes and their formal expression He examines many apparent excesses in style and tone many aberrations in structure and generic characteristics and identifies them not as needless experimentation but as a necessary result of the attempt to find appropriate forms for extreme situations and complex ideas Dierick's analysis makes clear that Expressionist prose has an intrinsic artistic value and because of certain nuances and different accents must be included in

any estimation of the nature and importance of Expressionism as a whole **Utopie und Satire** Jutta Kepser, 1996

Prosa Des Expressionismus Armin Arnold, 1972 *Theorizing the Avant-Garde* Richard John Murphy, 1999-04-22 In

Modernism Expressionism and Theories of the Avant Garde Richard Murphy mobilises theories of the postmodern to challenge our understanding of the avant garde He assesses the importance of the avant garde for contemporary culture and for the debates among theorists of postmodernism such as Jameson Eagleton Lyotard and Habermas Murphy reconsiders the classic formulation of the avant garde in Lukacs and Bloch especially their discussion of aesthetic autonomy and investigates the relationship between art and politics via a discussion of Marcuse Adorno and Benjamin Combining close textual readings of a wide range of films as well as works of literature it draws on a rich array of critical theories such as those of Bakhtin Todorov MacCabe Belsey and Raymond Williams This interdisciplinary project will appeal to all those interested in modernist and avant garde movements of the early twentieth century and provides a critical rethinking of the present day controversy regarding postmodernity

René Schickele and Alsace Áine McGillicuddy, 2011 Born into a German French bilingual environment the once renowned German language author Ren Schickele 1883 1940 grew up in the Alsace region today located in eastern France during its annexation to the German Empire when links to French culture were frowned upon In the aftermath of the First World War the situation was reversed when Alsace was reclaimed by the French Republic In both these phases of its troubled history Schickele insisted on the importance of Alsace s right to retain its double cultural heritage between the borders of its powerful rival neighbours and on its potential as mediator between France and Germany to promote peace in Europe These issues are addressed in a critical discussion of a range of Schickele s works His controversial wartime drama *Hans im Schnakenloch* affords a wry but penetrating insight into issues of identity in Alsace under German rule up to the war while his socio political essays and a novel trilogy *Das Erbe am Rhein* were written against the backdrop of the malaise alsacien and life under French rule The historical background to the work is examined in detail as it is intimately bound up with the issues of cultural identity that Schickele explores in his writings

Weimar Walter Laqueur, 2017-07-28 The term Weimar culture while generally accepted is in some respects unsatisfactory if only because political and cultural history seldom coincides in time Expressionism was not born with the defeat of the Imperial German army nor is there any obvious connection between abstract painting and atonal music and the escape of the Kaiser nor were the great scientific discoveries triggered off by the proclamation of the Republic in 1919 As the eminent historian Walter Laqueur demonstrates the avant gardism commonly associated with post World War One precedes the Weimar Republic by a decade It would no doubt be easier for the historian if the cultural history of Weimar were identical with the plays and theories of Bertolt Brecht the creations of the Bauhaus and the articles published by the *Weltbühne* But there were a great many other individuals and groups at work and Laqueur gives a full and vivid accounting of their ideas and activities The realities of Weimar culture comprise the political right as well as the left the universities as well as the literary intelligentsia

It would not be complete without occasional glances beyond avant garde thought and creation and their effects upon traditional German social and cultural attitudes and the often violent reactions against Weimar that would culminate with the rise of Hitler and the fall of the republic in 1933 This authoritative work is of immense importance to anyone interested in the history of Germany in this critical period of the country's life Democracy, Law and the Modernist Avant-Gardes Sascha Bru, 2009-10-20 This is the first book to look at the ties between European modernism and democracy in a cross cultural manner Focusing on the continental avant gardes of the nineteen tens and twenties Sascha Bru's original and provocative book fundamentally revises our understanding of modernism's cultural and political history Bru brings together a wide range of European experimental writers and provides detailed analyses of Italian futurist F T Marinetti German Dadaist Richard Huelsenbeck and Belgian expressionist Paul van Ostaen Bru locates these writers within their exceptional democratic context and demonstrates how the modernist avant garde during the First World War and the upheavals that followed found itself caught up in a series of states of exception In such states legal democratic institutions were bracketed and set aside and literature as an autonomous realm was temporarily suspended Faced with extreme forms of politicisation avant gardists throughout Europe tried to safeguard literature's autonomy in a variety of ways These included turning politics and law into genuinely artistic materials and producing a repertoire of alternatives to existent frameworks of democracy Against assertions that anti art avant garde gestures were meant to overcome art's autonomy and approximate the condition of politics Bru shows that European avant gardists may well have been one of the staunchest defenders of art's sovereignty in modern times Key Features Facilitates dialogue between Anglo American and European modernist studies Presents new interpretations of Berlin Dada futurism and expressionism and brings an innovative historical framework with which to analyse continental modernism Provides an original perspective on modernist writing and theory during the first decades of the foregoing century Offers in the introductory chapter a survey of ways in which to relate experimental writing to politics

The Twentieth Century 1890-1945 Raymond Furness, 2020-01-31 Originally published in 1978 this study presents a detailed analysis of the major literary movements in Austria and Germany from the end of the nineteenth century to the collapse of the Third Reich It examines the plethora of literary genres which marked the transition from the nineteenth to the twentieth century the short lived Naturalist movement rapidly giving way to various forms of symbolism and neo romanticism The situation in Vienna is studied in detail the concept of modernism vis vis expressionism with special regard to Rilke and Kafka The literature of the Weimar period is also analysed with emphasis on the symphonic novels of the time and the anti illusionist devices of Brecht It also draws a comparison between the literary situation in Nazi Germany and the literature of exile and the positions of Thomas and Heinrich Mann Brecht and Gottfried Benn are examined Theatre and Performance in Austria Ritchie Robertson, Edward Timms, 1993 Through examining the interactions between public performance and national identity it provides a wide ranging account of one of the defining features of Austrian culture **Women in**

German Expressionism Anke Finger, Julie Shoults, 2023-08-07 This collection for the first time explores women's self conceptions and representations of women's and gender roles in society in their own Expressionist works How did women approach themes commonly considered to be characteristic of the Expressionist movement and did they address other themes or aesthetics and styles not currently represented in the canon Women in German Expressionism centers its analysis on gender together with difference ethnicity intersectionality and identity to approach artworks and texts in more nuanced ways engaging solidly established theoretical and sociohistorical approaches that enhance and update our understanding of the material under investigation It moves beyond the masculine New Man viewpoint so firmly associated with German Expressionism and examines alternative critical and divergent interpretations of the changing world at the time This collection seeks to broaden the theorization scholarship and reception of German Expressionism by much belatedly including works by women and by shifting or redefining firmly established concepts and topics carrying only the imprint of male authors and artists to this day

The First World War in German Narrative Prose Charles N. Genno, Heinz Wetzel, 1980-12-15 This collection of eight essays in honour of the distinguished Canadian Germanist G W Field treats themes in German narrative prose of the First World War the pre war era and the earliest of the Weimar Republic The aim of the book is not to present a comprehensive study of the field but rather to shed new light on specific problems The essays are organized in the historical sequence of the events and situations to which they are related The topics include discussions of the concept of war as presented by Robert Musil in *Der Mann ohne Eigenschaften* the treatment of war as a catalyst by the Expressionist writers Carl Sternheim and Leonhard Frank the preservation of values in the face of war as dealt in Hesse's *Demian* and an exploration of the effects of war on the individual and social values in the works of Salomo Friedlender and Alfred Döblin An essay on H G Wells' *Mr Britling Sees It Through* helps to clarify the ways in which the reaction of German writers to the war may be viewed as specifically German by providing an outsider's point of view The final chapter a survey of the most recent literature on the topic shows how much World War I lives on in the minds of German writers as the great turning point in German political and cultural history

Realisms of the Avant-Garde Moritz Baßler, Benedikt Hjartarson, Ursula Frohne, David Ayers, Sascha Bru, 2020-09-21 The historical avant gardes defined themselves largely in terms of their relationship to various versions of realism At first glance modernism primarily seems to take a counter position against realism yet a closer investigation reveals that these relations are more complex This book is dedicated to the links between realism modernism and the avant garde in their international context from the late 19th century up to the present day

German Expressionism and the Messianism of a Generation Lisa Marie Anderson, 2011-01-01 This book reads messianic expectation as the defining characteristic of German culture in the first decades of the twentieth century It has long been accepted that the Expressionist movement in Germany was infused with a thoroughly messianic strain Here with unprecedented detail and focus that strain is traced through the work of four important Expressionist playwrights Ernst

Barlach Georg Kaiser Ernst Toller and Franz Werfel Moreover these dramatists are brought into new and sustained dialogues with the theorists and philosophers of messianism who were their contemporaries Walter Benjamin Ernst Bloch Martin Buber Hermann Cohen Gershom Scholem In arguing for example that concepts like Bloch's utopian self encounter Selbstbegegnung and Benjamin's messianic now time Jetztzeit reappear as the framework for Expressionism's staging of collective redemption in a new age Anderson forges a previously underappreciated link in the study of Central European thought in the early twentieth century *The Cambridge History of German Literature* Helen Watanabe-O'Kelly, 2000-06-12 This is the first book to describe German literary history up to the unification of Germany in 1990 It takes a fresh look at the main authors and movements and also asks what Germans in a given period were actually reading and writing what they would have seen at the local theatre or found in the local lending library it includes for example discussions of literature in Latin as well as in German eighteenth century letters and popular novels Nazi literature and radio plays and modern Swiss and Austrian literature A new prominence is given to writing by women Contributors all leading scholars in their field have re-examined standard judgements in writing a history for our own times The book is designed for the general reader as well as the advanced student titles and quotations are translated and there is a comprehensive bibliography Writing Between the Lines Eric Robertson, 2023-12-11 This book is the first major study in English of Ren Schickele's work Hailed by his contemporaries as one of the foremost German language novelists of the inter-war period and celebrated for his Expressionist poetry and his controversial First World War drama *Hans im Schnakenloch* Schickele also produced socio-critical essays and pioneering editorial work for the pacifist journal *Die Wei ßen Blätter* From his literary debuts in fin de siècle Strasbourg to the French and German prose fiction of his anti-Nazi exile Schickele's work reflects his bilingual bicultural upbringing his vision of Alsace as a symbolic broker of Franco-German peace finds its clearest expression in the trilogy of novels *Das Erbe am Rhein* Schickele remains a paradoxical figure in his own words a citizen français und deutscher Dichter French citizen and German poet Through readings of all the major texts Eric Robertson's study situates Schickele's work within its socio-political and historical context Particular attention is paid to the personal and political implications of his adoption of German as literary idiom and his reversion to the French mother tongue during the 1930s Schickele's copious diaries and his correspondence with fellow writers including Thomas Mann Heinrich Mann and Stefan Zweig are shown to be especially revealing Schickele's oeuvre holds a unique and hitherto underrated place in the European writing of his era

Gender and Politics in Austrian Fiction Ritchie Robertson, Edward Timms, 1996 This volume of essays on Austrian fiction compiled at a time when Austria is forming stronger links within the European Union illustrates a transition from traditional preoccupations with character differences between Austrian and German literature to wider concerns of politics and gender Fictional treatments of such issues as male homosexuality problems in feminism the representation of women in male authored texts and anti-war protest are examined both in well-known novels and in little-known works by underrated authors

Many of the authors discussed have received insufficient recognition because they do not fall within a familiar canon of German literature. The specialised research involved in compiling this material is accessible through a series of book reviews included at the end of the volume which range in subject area from the life of an eighteenth century soldier in the Habsburg service to the continuing discussion on Austrian identity. *Die Prosa Carl Sternheims im Kontext der expressionistischen Moderne* Yuan, Yue, 2025-07-17. Mithilfe einer eingehenden Untersuchung des Inhalts der Form und der Sprache seiner Prosa von 1910 bis 1920 stellt die vorliegende Arbeit fest, dass diese Prosa in ihrer Ablehnung des bürgerlichen Wirklichkeit und Persönlichkeitsideals und des mimetischen Kunstprinzips stilistische und strukturelle Eigenschaften aufweist, die sie zu den relevanten Texten der expressionistischen Moderne zählen lassen. By examining in depth the content, form and language of his prose from 1910 to 1920, this dissertation establishes that Sternheim's prose, in its rejection of the bourgeois ideal of reality and personality and the mimetic principle of art, exhibits stylistic and structural characteristics that make it one of the relevant texts of Expressionist Modernism.

Getting the books **Prosa Des Exprebionismus** now is not type of inspiring means. You could not lonely going past ebook amassing or library or borrowing from your links to log on them. This is an certainly simple means to specifically get guide by on-line. This online broadcast Prosa Des Exprebionismus can be one of the options to accompany you similar to having further time.

It will not waste your time. take me, the e-book will categorically expose you additional concern to read. Just invest little era to admission this on-line statement **Prosa Des Exprebionismus** as without difficulty as review them wherever you are now.

Prosa Des Exprebionismus Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prosa Des Exprebionismus PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prosa Des Exprebionismus PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prosa Des Exprebionismus free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Prosa Des Exprebionismus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prosa Des Exprebionismus is one of the best book in our library for free trial. We provide copy of Prosa Des Exprebionismus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prosa Des Exprebionismus. Where to download Prosa Des Exprebionismus online for free? Are you looking for Prosa Des Exprebionismus PDF? This is definitely going to save you time and cash in something you should think about.
