**The New Cold War** Mark Mackinnon,2010-08-13 An intrepid investigation into the pro democracy movements that have reshaped the Eastern bloc since 2000 reopening the Kremlin s wounds from the Cold War When the Berlin Wall fell in 1989 and the Soviet Union collapsed two years later liberal democracy was supposed to fill the void left by Soviet communism Poland and Czechoslovakia made the best of reforms but the citizens of the Evil Empire itself saw little of the promised freedom and more of the same old despots and corruption A a second wave of reforms Serbia in 2000 Georgia in 2003 and Ukraine in 2004 as well as Kyrgyzstan s regime change in 2005 have proven almost as monumental as those in Berlin and Moscow The people of the Eastern bloc aided in no small part by Western money and advice are again rising up and demanding an end to autocracy And once more the Kremlin is battling the White House every step of the way Mark MacKinnon spent these years working in Moscow and his view of the story and access to those involved remains unparalleled With *The New Cold War* he reveals the links between these democratic revolutions and the idealistic American billionaire behind them in a major investigation into the forces that are quietly reshaping the post Soviet world

*Human Development and Political Violence* Colette Daiute,2010-04-26 Human Development and Political Violence presents an innovative approach to research and practice with young people growing up in the context of political violence Based on developmental theory this book explains and illustrates how children and youth interact with environments defined by war armed conflict and the aftermath involving displacement poverty political instability and personal loss The case study for this inquiry was a research workshop in four countries of the former Yugoslavia where youth aged 12 to 27 participated in activities designed to promote their development The theory based Dynamic Story Telling by Youth workshop engaged participants as social historians and critics sharing their experiences via narratives evaluations of society letters to public officials debates and collaborative inquiries Analyses of these youth perspectives augment archival materials and researcher field notes to offer insights about developmental strategies for dealing with the threats and opportunities of war and major political change

**Socialism Vanquished, Socialism Challenged** Nina Bandelj,Dorothy J. Solinger,2012-09-05 Socialism Vanquished Socialism Challenged examines the twenty year aftermath of the 1989 assaults on established state sponsored socialism in the former Soviet bloc and in China Editors Nina Bandelj and Dorothy J Solinger bring together prominent experts on Eastern Europe and China to examine the respective trajectories of political economic and social transformations that unfolded in these two areas while also comparing the changes that ensued within the two regions

*Democratic Revolutions* Mark K. Thompson,2003-11-20 Thompson examines the neglected concept of democratic revolutions spontaneous popular uprisings which topple unyielding dictators and begin a transition process that eventually results in the

consolidation of democracy      *International Conflict and Security Law* Sergey Sayapin, Rustam Atadjanov, Umesh Kadam, Gerhard Kemp, Nicolás Zambrana-Tévar, Noëlle Quénivet, 2022-07-21 This unique two volume book covers virtually the whole spectrum of international conflict and security law It proceeds from values protected by international law Part I through substantive rules in which these values are embodied Part II to international and domestic institutions that enforce the law Part III It subsequently deals with current challenges in the application of rules of international conflict and security law Part IV and crimes as the most serious violations of those rules Part V Finally in the section on case studies Part VI lessons learnt from a number of conflict situations are discussed Written by an international team of experts representing all the major legal systems of the world the book is intended as a reference work for students and researchers domestic and international judges as well as for legal advisers to governments and international and non governmental organisations Sergey Sayapin is Associate Professor and Associate Dean at KIMEP University School of Law in Almaty Kazakhstan Rustam Atadjanov is Assistant Professor at KIMEP University School of Law in Almaty Kazakhstan Umesh Kadam is formerly Additional Professor at the National Law School of India University Bangalore India and Legal Adviser with the International Committee of the Red Cross Gerhard Kemp is Professor of Law at the University of Derby in the United Kingdom Nicol s Zambrana T var is Associate Professor at KIMEP University School of Law in Almaty Kazakhstan No lle Qu nivet is Professor in International Law at the University of the West of England Bristol Law School in the United Kingdom      **Slavoj Žižek and Radical Politics** Sean Homer, 2016-05-05 In this book Sean Homer addresses Slavoj i ek s work in a specific political conjuncture his political interventions in the Balkans The charge of inconsistency and contradiction is frequently levelled at i ek s politics a charge he openly embraces in the name of pragmatism Homer argues that his interventions in the Balkans expose the dangers of this pragmatism for the renewal of the Leftist politics that he calls for The book assesses i ek s political interventions in so far as they advance his self proclaimed ruthlessly radical aims about changing the world Homer argues the Balkans can be seen as i ek s symptom that element which does not fit into the system but speaks its truth and reveals what the system cannot acknowledge about itself In Part II Homer explores i ek s radicalism through his critique of Alain Badiou arguing that Badiou s affirmationism provides a firmer grounding for the renewal of the left than i ek s negative gesture analyzed in Part I What distinguishes i ek from the majority of the contemporary Left today is his valorization of violence Homer tackles this issue head on in relation to political violence in Greece Finally Homer defends the utopian impulse on the radical left against its Lacanian critics      Sociology and Post-Socialist Transformations in Eastern Europe Borut Rončević, Tamara Besednjak Valič, 2024-11-28 The volume offers a unique and comprehensive reflection on the role of sociology and sociologists in the transformation of post socialist Eastern European societies It provides detailed insight on the status of sociology in Eastern Europe its institutional development specifics of national sociological traditions the controversial and ambiguous relationship with the political system and importantly state of the art knowledge about the role

of sociology as a discipline and sociologists as academics educators public intellectuals experts politicians or civil society activists in three decades of transformation The volume follows a cultural political economy approach and provides a series of national case studies that analyse the role of sociology in re imagining Eastern European societies This topical volume is of interest to a wide interdisciplinary readership in the social sciences especially students and researchers working on Eastern Europe and on post socialist societies

*The Past in Exile* Birgit Bock-Luna, 2007 In this study of identity politics memory and long distance nationalism among Serbian migrants in California the author examines the complicated ways in which visions of the past are used to form Diaspora subjects and make claims to the homeland in the present Drawing on extended fieldwork in the San Francisco Bay Area community she shows how the Yugoslav wars generated a revaluation Serbian history and personal life stories resulting in the strengthening of ethnic identity Nevertheless strategies for dealing with rupture and change also included contestation of exile nationalism

*Regime Change in the Yugoslav Successor States* Mieczysław P. Boduszynski, 2010-04-26 In the 1990s amid political upheaval and civil war the Socialist Federal Republic of Yugoslavia dissolved into five successor states The subsequent independence of Montenegro and Kosovo brought the total number to seven Balkan scholar and diplomat to the region Mieczyslaw P Boduszynski examines four of those states Croatia Slovenia Macedonia and the Federal Republic of Yugoslavia and traces their divergent paths toward democracy and Euro Atlantic integration over the past two decades Boduszynski argues that regime change in the Yugoslav successor states was powerfully shaped by both internal and external forces the economic conditions on the eve of independence and transition and the incentives offered by the European Union and other Western actors to encourage economic and political liberalization He shows how these factors contributed to differing formulations of democracy in each state The author engages with the vexing problems of creating and sustaining democracy when circumstances are not entirely supportive of the effort He employs innovative concepts to measure the quality of and prospects for democracy in the Balkan region arguing that procedural indicators of democratization do not adequately describe the stability of liberalism in post communist states This unique perspective on developments in the region provides relevant lessons for regime change in the larger post communist world Scholars practitioners and policymakers will find the book to be a compelling contribution to the study of comparative politics democratization and European integration

*Breathing: Violence In, Peace Out* Ivana Milojevic, 2013-10-01 An investigation into the long term impact of transgenerational trauma and the possibilities for healing this book explores the links between personal histories and world events and helps us to understand life's dualities violence and peace self and other stability and change slavery and freedom Author Ivana Milojevic asks How does violence change us Is it possible to change the inner landscape of one's thinking in the midst of pain and suffering and If this is our past how might our future be different Oscillating between two voices Milojevic journeys between the personal breathing in which describes her experience of violence while the second academic voice breathing out tries to make sense of it The rhythm

created by inhaling and exhaling reflects not only what we take from the world but also what we give back to it Breathing is an inquiry into alternative futures as Milojevic explores a range of possibilities both for each of us personally and for the world

*The History of Serbia* John K. Cox, 2002-05-30 With the outbreak of war in the former Yugoslavia in 1991 interest in Balkan history has increased and become emotionally charged This balanced and engagingly written history of Serbia will help readers to understand the complex web of Serbian history politics society and culture and how the Serbs have dealt with the many political military and socioeconomic challenges in their history It attempts to remove the veil of stereotypes and myths obscuring the significant details and developmental processes in the history of Serbia and in its relations with its neighbors In addition to examining the political history of Serbia in the context of Central Europe the author a specialist in Balkan history shows how societal and cultural developments affected Serbian history and reflected political and economic events A timeline of significant events in the history of Serbia and an introductory chapter on Serbia today are followed by 12 chronologically organized narrative chapters that tell the story of this land from the splendor of medieval Serbia to a new beginning after the downfall of Slobodan Milosevic Four historical maps brief biographies of key figures in Serbian history a glossary of terms and a bibliographic essay provide valuable resource material for readers Every library should update its collection of materials on Serbia with this current history

**Civil Resistance** Kurt Schock, 2015-08-15 In the past quarter century the world has witnessed dramatic social and political transformations due in part to an upsurge in civil resistance There have been significant uprisings around the globe including the toppling of communist regimes in Eastern Europe the Color Revolutions the Arab Spring protests against war and economic inequality countless struggles against corruption and demands for more equitable distribution of land These actions have attracted substantial scholarly attention reflected in the growth of literature on social movements and revolution as well as literature on nonviolent resistance Until now however the two bodies of literature have largely developed in parallel with relatively little acknowledgment of the existence of the other In this useful collection an international and interdisciplinary group of scholars takes stock of the current state of the theoretical and empirical literature on civil resistance Contributors analyze key processes of nonviolent struggle and identify

both frictions and points of synthesis between the narrower literature on civil resistance and the broader literature on social movements and revolution By doing so Civil Resistance Comparative Perspectives on Nonviolent Struggle pushes the boundaries of the study of civil resistance and generates social scientific knowledge that will be helpful for all scholars and activists concerned with democracy human rights and social justice

**BOOK JACKET Defeating Authoritarian Leaders in Postcommunist Countries** Valerie J. Bunce, Sharon L. Wolchik, 2011-06-30 From 1998 to 2005 six elections took place in postcommunist Europe that had the surprising outcome of empowering the opposition and defeating authoritarian incumbents or their designated successors Valerie J Bunce and Sharon L Wolchik compare these unexpected electoral breakthroughs They draw three conclusions First the opposition was victorious because of the hard and creative work of a transnational network composed of local opposition and civil society groups members of the international democracy assistance community and graduates of successful electoral challenges to authoritarian rule in other countries Second the remarkable run of these upset elections reflected the ability of this network to diffuse an ensemble of innovative electoral strategies across state boundaries Finally elections can serve as a powerful mechanism for democratic change This is especially the case when civil society is strong the transfer of political power is through constitutional means and opposition leaders win with small mandates

1989: Young People and Social Change

After the Fall of the Berlin Wall Carmen Leccardi, Council of Europe, 2012-01-01 After the collapse of state socialism at the end of the 1980s young people in Eastern Europe began to play a dramatically different role in society Once cast as the vital reinvigorating protagonists of the communist ideal they emerged as promoters of democratisation and agents of a now hegemonic market system Twenty years after the fall of the Berlin Wall in November 1989 an event symbolising both the lifting of the Iron Curtain and the end of the Cold War an international seminar was held in Budapest to discuss how the opening of eastern European societies to western Europe and the world had changed the living conditions and experiences of young people growing up in the region This collection of essays based on this seminar examines the circumstances of young people in eastern Europe before and after 1989 from a variety of angles their transition to adulthood their living conditions the scope they have for social participation the way in which they construct their identities and constitute and represent current social realities their cultures and genders and the interplay of continuities and discontinuities around this historic watershed This book which pays particularly close attention to the relationship between research policy and practice is an invaluable tool for anyone wishing to achieve a deeper understanding of young people in Eastern Europe today
