Psalms For The 21st Century:

Psalms for the 21st Century William A. Cook, 2003 *Love Letters to God*, 2008-03-25 Love Letters is a collection of soul born poetry that is an expression of the writer's daily walk with the love of her life Jesus Christ. The book renders responses to spiritual and emotional struggles and triumphs, prayers and miraculous answers along with times of supposed distance from God and renewed fellowship and devotion. It is relatable to anyone who is familiar with the pains associated with life and daily interactions with people who are sometimes not so kind. It keeps us reminded that there is Someone always present to help us pick up the pieces and go on to love us, to comfort us and encourage us to be all that we can. He Jesus is the Lover to whom these songs are written, both the giver and the object of utmost affection. The writer would also have us to understand that in spite of what the subtitle may suggest, this book *A Book of Psalms* is in no way to be seen as an attempt to substitute for THE book of Psalms. That simply cannot be. This is why seventy-five poems were written, which is exactly half of the Book of Psalms, one hundred-fifty, to suggest a desire to be at least half the poet that David was, said with a smile. It is written relative to the life, devotion and struggles of one who walks with God in this present day and time, and it is hopeful that the reader will discern this and thus be enhanced in some way by it. *Psalms for the 21st Century* Rev Leslie L. Booker, 2011-05-01 *Psalms for the 21st Century* is an extraordinary work of religious, spiritual and inspirational poetry based upon the Psalmist's life experiences and relationships with the Lord. *21 Psalms for the 21st Century* Marjorie Hewitt Suchocki, 2023-02-28 These 21 psalms were chosen from the author's spiritual practice of reading the Psalms during the long pandemic months, enriched by brief commentary, prayers and a process relational meditation. **21st Century Psalms** Gwendolyn Joyce Chapman, 2009-09-08 The intent of the writings is to communicate perfectly clear truths, messages, ideas and feelings, not to confuse, because these pieces were not written for an audience of a select few. They were written for all God's people to edify every reader. Each verse has been sung by the voices of the Holy Spirit and the Psalmist, which was received partially or fully in the heart of the Writer from the Holy Ghost as a gift of love, not just for the Lord's ears, the Psalmist's ears, but for all God's people's ears. Enjoy the sacred songs and poem. *Large Print - Psalms for the 21st Century* Debb Boom Wateren, 2024-04-08 *Psalms for the 21st Century* reimagines the timeless Psalms in a modern day and applicable context. Anchored in the New Living Translation, this book unfolds like a vibrant symphony, blending humor with profound insights to guide readers through foundational texts, worshipful expressions, comfort in challenges and righteous living. It's not just a study but an invitation to embody the transformative power of the Psalms in everyday life. Through witty exploration and practical applications, this book offers a fresh, engaging and deeply resonant experience, making ancient wisdom accessible for the complexities of 21st century living. It's a journey of rediscovery, encouraging readers to embrace, celebrate and apply the Psalms as a source of inspiration and growth in their contemporary lives. *21st Century Psalms and Poetry with Acronyms of Inspiration* Tina S. Elliott, 2024-10-31 Psalms 42-72 many of which are closely identified with King David as person as well as figure include some of the most intimate and forceful expressions of Israelite Judean spirituality The Psalms reveal many theological points along the way some of these developed others inchoate The security in Zion's God which replies to the longing of the soul gives way to Psalms which keenly feel the absence of God interspersed with assertions of the Lord's ability to save and a widening sense of the scope of salvation as being in some sense communal Mark W Elliott examines these and other themes in Psalms 42-72 He considers historical exegesis and makes use of literary approaches to get at the sense of the text The riches of Christian praying and preaching of the psalms provide a guide into deeper theological assertion with Elliott keeping one eye on the covenant relationship of faith and the other on Christ as author and finisher thereof **Faith-Based ACT for Christian Clients** Joshua J. Knabb, 2016-03-10 Faith Based ACT for Christian Clients balances empirical evidence with theology to give clinicians a deep understanding of not just the why but also the how of Acceptance and Commitment Therapy for Christian clients Chapters include a detailed exploration of the overlap between ACT and the Christian faith case studies and techniques that are explicitly designed to be accessible to non-Christian as well as Christian including evangelical Christian counselors and therapists Chapters present the established research on mindfulness and ACT including a nuanced non-dichotomous view of complex issues such as medication and lay a firm theological foundation through the use of engaging biblical stories and metaphors
