Really, Really, Really, Really Weird Stories John Shirley, 2022-09-20 WELCOME TO THE WEIRD WORLD OF JOHN SHIRLEY. How deep into the weird will you go? Will you wade to your knees? Your waist? Your shoulders? Will you get in over your head? This truly unique story collection from the acclaimed and unsettling John Shirley is organized into four sections. The first section is Really Weird Stories. The second is Really Really Weird Stories. The third is Really Really Really Weird Stories. The fourth is oh yes Really Really Really Really Weird Stories. And the author means what he says: each section is weirder than the last, doubling its strangeness a section at a time. The collection starts out disquieting, it becomes disturbing, then it gets outrageously weird, then mind bending. Yet each story is a compelling narrative. Some of the stories are set in the real world, others have a supernatural or science fiction basis, or come from a place where genres are destroyed by explosive vision. In this edition, there are four new stories, including the Lovecraftian Antarctic adventure 'A Boy and His Shoggoth' and published here for the first time 'The Whisperer Made Visible', a tale of secret treaties with horrors, eldritch and invisible. This updated edition of Really Really Really Really Weird Stories is one of the most impressive feats of sustained and varied weirdness since Harlan Ellison's landmark 'Dangerous Visions' anthologies. Your mind is strong. Take the risk. Another

From the Heart Kym Marsh, 2011-06-23

KYM MARSH is one of our most loved stars, but her life has been a rollercoaster ride through love, laughter, and tears. Now Kym's ready to tell her full story for the first time, describing her difficult childhood growing up on a council estate in Wigan and struggling at school with bullying and an eating disorder. She describes falling in love at 17 and finding herself pregnant while still a teenager. By the time she was 21, she was a single mum with two very young children, David and Emily, and it was a real struggle to make ends meet. But Kym had always dreamt of performing, and even though the odds were stacked against her, she was determined to make her dream a reality. One day she auditioned for a new TV show called Popstars, and her life changed forever. Kym now stars in the nation's favourite soap, Coronation Street. But her life off screen hasn't been easy. She reflects on her marriage to Jack Ryder and how hard she tried to make it work. Kym found new love with Hollyoaks star Jamie Lomas, and after tragically losing their first baby, Archie, in 2009, the couple were over the moon to welcome little Polly Lomas into the world. Earlier this year, Entertaining, funny, and incredibly honest, From the Heart is a fantastic read all about how sometimes the best things happen in life when you refuse to give up hope. **Conspiracy** Tom Phillips, Jonn

From the Satanic Panic to the anti-vaxx movement, the moon landing to Pizzagate, it's always been human nature to believe we're being lied to by the powers that be, and sometimes to be fair, we absolutely are. that some of these theories have taken on a life of their own and in our dogged quest for the truth it appears we might actually be doing it some damage In Conspiracy Tom Phillips and Jonn Elledge take us on a fascinating insightful and often hilarious journey through conspiracy theories old and new to try and answer a vital question for our times how can we learn to log off the QAnon message boards and start trusting hard evidence again Praise for the Brief History series Witty entertaining and slightly distressing You should probably read it Sarah Knight author of The Life Changing Magic of Not Giving a F ck Brilliant Utterly utterly brilliant Jeremy Clarkson Very funny Mark Watson Both readable and entertaining Telegraph
