REASONS for HOPE GateWay Church, 2018-02-09 Our culture is in a crisis of conflicting beliefs We have different political beliefs religious viewpoints cultural practices and personal convictions The complexity of life leaves many wondering if anything can be trusted or true

Can people in power be trusted Can governments politicians banks police and educators all be trustworthy How about organized religion As a result many people are confused and skeptical trusting no one believing in nothing Sometimes our beliefs let us down because they are not based in truth Many of us grew up believing in God but we also believed in Santa Claus the Easter Bunny and the Tooth Fairy We are left to wonder Who can we really trust and what is really true In this we long for clear and credible answers to our biggest spiritual questions Is it rational for you and I to believe in a literal Jesus who rose from the dead Can we trust the Bible as a source of truth Is there really a heaven or is it just a myth And what about God does He exist How can we know that and if He is real can He be trusted The good news is that you don t have to throw your brains in the garbage can in order to be a person of faith Life s most important questions can be answered reasonably and reliably There are reasons for us to trust and reasons for us to believe Most importantly There are reasons for us to hope That s what this series is all about Life is about to get much more certain and sensible for you Join us in this six week study and get ready to experience fresh hope in your life But in your hearts revere Christ as Lord Always be prepared to give an answer to everyone who asks you to give the REASON FOR THE HOPE that you have 1 Peter 3 15 Pastor David

Reasons for My Hope Horace Lorenzo Hastings,1861 Reason for the Hope Within Michael J. Murray,1999 During the last two decades there has been a renaissance in the field of Christian philosophy Unfortunately most of this excellent work has not reached general readers Reason for the Hope Within was produced specifically to make available the best of contemporary Christian philosophy in a clear accessible and highly relevant manner Fourteen of America s rising Christian philosophers here cover many of the traditional themes of Christian apologetics arguments for the existence of God the problem of evil the possibility of miracles as well as topics of special relevance to today s world Eastern religions Christianity and science Christianity and ethics the existence of heaven and hell **Reasons for Hope** Kristin Popik Burns,William H. Abbott,2015-11-10 Reasons Book 3 features 30 more questions about the Bible and faith The world is changing and moving farther away from biblical principles and truth Morals and ethics have become situational and truth has become relative We wonder what hope there is for the future of our country and for the world As Christians we know that we have reasons for hope and those reasons begin with our true Hope the Lord Jesus Christ But are we prepared with answers answers for skeptics non believers and even for ourselves When questions arise and uncertainty confronts us do we have the knowledge we need to stand firm in our faith and find hope in the Lord This book presents real questions from real people 30 questions answered with reasoning from God s Word *REASON FOR HOPE* Patrick J Vaughan,2014-12-03 I was stirred to write this because I believe in my heart that there are many who are losing hope With all the uncertainties and calamities going on in the world and our own personal

lives I can understand this to some reason But the main reason people are losing hope is that we are focused on the wrong things We are looking at the wrong direction listening to the wrong people and getting all the wrong answers and promises from those who lie and deceive Below is the first few paragraphs to my book which will give more insight Hope deferred makes the heart sick Proverbs 13 12 I have this word Hope burning in my spirit in this season I believe that there are many out there although they may appear all right on the surface are disappointed in their dreams are fearful and worried do not see a future and are very troubled in both heart and mind The lack of hope or seemingly not having hope at all is very disturbing and will bring you to great depression which will kill any ambition I am here to say and to tell you and assure you that all is not lost I want to assure you that hope is real and we all have a reason for hope no matter how dark your circumstances are and no matter how bleak your future appears Our verse above tells us that hope deferred makes the heart sick Deferred means to be delayed or to be postponed temporarily I hope that you have grasped our first point Our first point being that what you are hoping for is not gone or lost and not within your grasp and your future It is just delayed and just temporarily postponed If deferred hope makes the hearts sick what does the lack of or the perception of no hope do to a person Do not believe the lie that there is never any hope There is always hope That thing that you are expecting and dreaming about will eventually and assuredly happen and come to pass Even if your at the end of your rope hang on push in and press forward there is always hope

Hope Under Oppression Katie Stockdale, 2021-06-17 Hope is ubiquitous and valuable in human life But what is hope and how can people sustain hope in the face of injustice This book explores the nature and value of hope under oppression It addresses what hope is the value and risks of hope and hope's relation to other elements of human psychology including trust fear anger bitterness faith and despair It illustrates the value of hope for both individuals and collectives in the pursuit of justice and in an increasingly uncertain world
