Outlaws, Rebels, & Vixens: Motion Picture Censorship in Milwaukee, 1914-1971 Matthew J. Prigge, 2016 For nearly 60 years the Milwaukee Motion Picture Commission MMPC had the last word on what was suitable for exhibition at local movie theaters Born of the high ideals of the Progressive Era the MMPC evolved into one of the nation's strictest censor boards and kept hundreds of scenes and films from playing in Milwaukee that ran elsewhere with little to no interference From the bawdy antics of silent era comedians to the unabashed sexuality of 1960s the MMPC saw itself as a defender of Milwaukee's morality throughout a half century of great change and tumult As the first ever book length examination of a local film censor board *Outlaws Rebels Vixens* tells the long forgotten story of the battle for Milwaukee's cinematic soul Includes a full index of all films either censored or banned by the MMPC *The Female Spy of the Union Army* Sarah Emma Evelyn Edmonds, 1864 *Bushwhacker Belles* Larry Wood, 2016-04-20 The award winning author provides a look at the women who supported the male border raiders includes heartrending stories from a savage war HistoryNet In this fascinating look at an often overlooked subject historian Larry Wood delves into the hidden lives of the brave belles of Missouri Sometimes connected by blood but always united in purpose these wives sisters daughters lovers friends and mothers risked their lives and their freedom to give aid and comfort to their menfolk They used subterfuge and occasionally sheer luck to feed clothe and shelter the guerrillas These courageous women of every age and station acted as essential go betweens scouts spies guides and mail handlers They often joined in on the bushwhackers campaigns assisting them in any way possible They even received and traded stolen property for their Confederate brethren Many of the women were arrested or banished from their home state of Missouri many were forced to give an oath of allegiance to the Union in order to gain their freedom a few were able to carry out their clandestine missions undetected Wood traces these women through their own diaries and other primary sources from the era The poignant tales of these women are punctuated by images of many of them the stiff posed portraits give silent testimony to their resiliency and strength during tumultuous times A fascinating glimpse into the irregular warfare that embroiled the state during the Civil War Jefferson City News Tribune
