Receiving Divine Revelation:

Receiving Divine Revelation Fuchsia Pickett, ThD., D.D., 2015-11-17 For years I studied the Word I read every book I could lay my hands on and sat under every Bible teacher they would let me sit under But I still didn't know God nor did I really understand His Word Although Jesus was living in my heart He was a stranger to me Do you know Jesus Do you understand His Word It took some extreme circumstances in my life to bring me to the place where the Holy Spirit began to reveal Jesus to me and in me I will never forget the first night the Spirit began to divide asunder the veil of the flesh between my soul and spirit I began to see Jesus and understand His Word The Holy Spirit became my teacher and I started to receive His divine revelation You see no one can show you Jesus except the Holy Spirit This living reality miraculously set me on the path of divine discovery that I am still walking in today Come and walk with me and my Teacher the Holy Spirit Learn how to hear His voice through God's Word Let Jesus be revealed in you and receive the divine revelation of who He is the Christ who lives in your heart *PT600 Receiving Divine Revelation* Fuchsia T Pickett, 2020-01-03 This course enables students to invite the Holy Spirit to teach and guide them through Scripture Topics include the basis of true revelation the process of revelation hearing God's voice hindrances and helps to receiving revelation

Engaging the Doctrine of Revelation Matthew Levering, 2014-11-11 How do human beings today receive divine revelation Where and in what ways is it mediated so that all generations can hear the fullness of the gospel In this volume distinguished theologian Matthew Levering shows that divine revelation has been truthfully mediated through the church the gospel and Scripture so that we can receive it in its fullness today Levering engages past and present approaches to revelation across a variety of traditions offering a comprehensive historical study of all the key figures and perspectives His thorough analysis results in an alternative approach to prevailing views of the doctrine and points to its significance for the entire church

Pickett,1996-07-12 As the charismatic movement continues to grow many wonder where it s headed What is the next move of God Author Fuschia Pickett illustrates the coming new wave of the Holy Spirit This message will be of particular interest to those who have been involved in the prophetic interpretation of Scripture **Book 7 Revelation HC** Kurt Jurgensmeier,2012-08-22 How and why has God spoken to us Answering these questions involves the immense topic of divine revelation Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind **In Praise of Mixed Religion** William H. Harrison,2014-05-01 Advocating for a profound shift in thinking about the mix and match approach to religion **The 8th Mountain** Bruce Cook,2017-08-15 Those who spend time with God and His Word and His Spirit and who dwell in His presence and commune with Him and develop a personal relationship with Him become transformed in the process and thus are better informed equipped and empowered to attract steward and exercise influence in the 7 Mountains of Culture Arts Entertainment Business Economy Education Family Government Law Media and Religion That is the basic premise and thesis of this book Moreover I assert that such transformation is not only possible for disciples of Christ but rather it is imperative and essential to successfully fulfill our divine assignments callings and destinies Several places in Scripture such as Micah 4 1 and Isaiah 2 2 mention the mountain of the Lord or the mountain of the house of the Lord that is above all the other mountains and is the chief mountain depending on the particular translation used This phrase refers to the place of God s abode or heaven and for our purposes here I refer to it as the 8th Mountain Mountains in Scripture refer to kingdoms authority rule and dominion The 8th Mountain is calling your name You ve read about what awaits you and what lies ahead on this trek to the spiritual summit You can think of this book as your mountaineering school curriculum and training manual for the 8th Mountain to educate train and prepare you for climbing and reaching the summit of the highest

peak in the universe It teaches you survival skills how to thrive and be successful how to work as a team how to ascend and descend how to avoid or minimize danger what gear and supplies to take how to monitor changing weather conditions and how to save your life and protect yourself and those around you in the harsh climate adverse conditions and unforgiving environment of the 7 Mountains of Culture Just as Mount Everest is the highest point on earth the 8th Mountain the Mountain of the Lord is the highest point in the universe and is heaven itself The old saying It s lonely at the top doesn t apply here There s no reason to be lonely on the 8th Mountain and lots of reasons to be fulfilled and satisfied full of joy and peace and love and there s a whole community of fellow climbers for you to meet and get to know Some are more experienced than others and are at different levels of skill and knowledge and physical and spiritual conditioning but we re all still learning and growing and are on a journey that will last for a lifetime and an eternity We hope that you will join us and we invite you to do so

How Can We Know What God Means J. Gracia,2001-09-21 In spite of the growth of secularization technology and science statistics tell us that religious conversions are on the rise and the number of people who take religion and divine revelation seriously is at an all time high This phenomenon curiously enough has increased rather than decreased both inter and intra religious conflicts Protestants fight Catholics in Northern Ireland Serbian Greek Orthodox fight with Kosovo Moslems in Yugoslavia Jews fight with Moslems in Palestine Hindus fight with Moslems in India and the list is seemingly endless There is bitter disagreement also in dealing with revelation even within the same religious traditions and with regard to the same scriptures Liberal Christians reject the literal interpretation of the Christian scriptures favored by Evangelicals many Protestant groups do not accept the role of tradition in interpretation which Roman Catholics consider essential Orthodox Jews strictly follow eating regulations presented in the Torah but Reformed Jews take these in a different sense The sources of these disagreements vary considerably Some are rooted in historical events and traditions but quite often they signal deep confusions concerning the interpretation of what believers take to be divinely revealed In recent years the author claims the confusion has been compounded by the rise in the number and variety of interpretational approaches that are used to understand revelation One can now take a culturalist sociological literary psychoanalytical historical political philosophical or feminist interpretations to name just a few approach But do these all necessarily make sense when applied to religious texts These and other questions cry out for answers which seldom are even attempted in the pertinent literature This book offers a novel and sustained philosophical treatment of religious hermeneutics in which the author considers the main alternatives available in today s marketplace The book is neither ideologically partisan nor thematically narrow and should be of interest to anyone concerned with interpreting the divine word It offers a sensible roadmap to a topic that continues to draw heated debate in philosophy theology sociology history and literary studies

Perspectives on Revelation and Qu'ranic Hermeneutics Akbar Ali Akbar,2019-11-27 A number of innovative hermeneutical approaches emerged in Muslim exegetical discourse in the second half of the 20th century Among these developments is a trend of systematic reform theology that emphasises a humanistic approach whereby revelation is understood to be dependent not only upon its initiator God but also upon its recipient Prophet Muhammad who takes an active role in the process Ali Akbar examines the works of four noted scholars of Islam Fazlur Rahman Pakistan Abdolkarim Soroush Iran Muhammad Murtazavi Shabestari Iran and Nasr Hamid Abu Zayd Egypt His study shows that the consequences of taking a humanistic approach to understanding revelation are not confined to the realm of speculation about God human relations but also to interpreting Qur'anic socio political precepts And the four scholars emerge as a distinctive group of Muslim thinkers who open up a new horizon in contemporary Islamic discourse **Credo** Old Catholic Church of the United
