Ricoeur and the Third Discourse of the Person Michael T. H. Wong, 2018-10-25 This book is about the so called 4S challenge how does or can or should someone say something to someone about something This challenge is getting more intense day by day in our contemporary globalized world increasingly connected by science and technology through telecommunication and all sorts of social media where people are acutely aware of the diverse views on culture politics economics religion ethics education physical health and mental wellbeing which are very often in conflicts with each other This book arises from the reading of the dialogue between two internationally renowned and respected French scholars Jean Pierre Changeux and Paul Ricoeur What Makes Us Think A Neuroscientist and a Philosopher Argue about Ethics Human Nature and the Brain which explores where science and philosophy meet and whether there is a place for religion in the 21st century This book develops on the ideas Ricoeur raised in the dialogue about the need for digging deeper and a third discourse as a way forward to improve dialogues between competing worldviews and ideologies It attempts to formulate a third discourse as distinct from ordinary language as first discourse and various scientific or professional specialist languages as second discourse to address the burning issue of fragmentation of the person through overcoming the alienations between established discourses of philosophy science and theology without doing injustice to the unique and indispensable contributions of each of these discourses It argues that such a third discourse has to go beyond dualism and reductionism To achieve that this new way of talking about the lived experience of the person is going to take the form of a

non reductive correlative multilayered discourse that has the capacity to as expressed in the language of the hermeneutics of Ricoeur explain more in order to understand better Evangelical Dictionary of Theology (Baker Reference Library) Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics **Philosophy of Religion** Mr. Rohit Manglik, 2023-08-23 In this book we will study about arguments for the existence of God the problem of evil faith reason and religious experience *Religion as Social Capital* Corwin E. Smidt, 2003 While Robert Putnam's Bowling Alone 2000 highlighted the notion of volunteerism little attention has been paid to religion's role in generating social capital an ironic omission since religion constitutes the most common form of voluntary association in America today Featuring essays by prominent social scientists this is the first book length systematic examination of the relationship between religion and social capital and what effects religious social capital has on democratic life in the United States *Science of Religion. Studies in Methodology* Lauri Honko, 2011-12-07 Since its founding by Jacques Waardenburg in 1971 Religion and Reason has been a leading forum for contributions on theories theoretical issues and agendas related to the phenomenon and the study of religion Topics include among others category formation comparison ethnophilosophy hermeneutics methodology myth phenomenology philosophy of science scientific atheism structuralism and theories of religion From time to time the series publishes volumes that map the state of the art and the history of the discipline Religion, Discourse, and Society Marcus Moberg, 2021-12-30 This book focuses on the utility and application of discourse theory and discourse analysis in the sociological study of religious change It presents an outline of what a discursive sociology of religion looks like and brings scholarly attention to the role of language and discourse as a significant component in contemporary processes of religious change Marcus Moberg addresses the concept of discourse and its main meta theoretical underpinnings and discusses the relationship between discourse and religion in light of previous research The chapters explore key notions such as secularism and public religion as well as the ideational and discursive impact of individualism and market society on the contemporary Western religious field In addition to providing scholars with a thorough understanding and appreciation of the analytic utility of discourse theory and analysis in the sociological study of religious change the book offers a cohesive and systematized framework for actual empirical analysis Routledge Companion to Philosophy of Religion Chad Meister, Paul Copan, 2010-02-25 The Routledge Companion to Philosophy of Religion is an indispensable guide and reference source to the major themes movements debates and topics in philosophy of religion A team of renowned international contributors provide sixty five accessible entries organized into nine clear parts philosophical issues in world religions key figures in philosophy of religion religious diversity the theistic conception of God arguments for the existence of God arguments against the existence of God philosophical theology
