The Harlequin logo features a stylized 'H' inside a diamond shape, followed by the word 'HARLEQUIN' in a bold, sans-serif font.

MEDICAL *Romance*[™]

A romantic scene of a man and a woman embracing on a beach at sunset. The man, with light brown hair and a beard, is wearing a white button-down shirt and has his arms around the woman. The woman, with long dark hair, is also wearing a white top and is smiling at him. The background shows the ocean waves and a bright, hazy sky from the setting sun. A white heart rate line graphic runs horizontally across the bottom of the image.

Reluctant Partners:

Couple Treatment Judith C. Nelsen, 1998 Most people live in couple relationships for a good part of their lives and many couples experience distress and seek help To support the professionals who treat these couples Dr Nelsen organizes material from systems and cognitive behavioural approaches as well as ego psychology and object relations theory in one solid nonjudgmental volume *Recreating Marriage with the Same Old Spouse* Sandra Gray Bender, 1997-12-01 ng approach to marriage Sandra Bender believes that every marriage like its partners is in a state of continuous change yet most fail to take control of that change *Recreating Marriage with the Same Old Spouse* educates couples in the skills of being married and gives examples discussion questions and practice exercises **Rebuilding** Bruce Fisher, Robert E. Alberti, 1999-11 A positive step by step programme for putting your life back together when your relationship ends *Sexual Coercion in Dating Relationships* E. Sandra Byers, Lucia F. O'Sullivan, 1996 *Sexual Coercion in Dating Relationships* represents the next generation of research in the area of sexual coercion This collection of critical analyses of current research and possible directions for future research benefits all researchers counselors and educators who need to thoroughly understand research efforts in this field The clear analyses allow readers to evaluate critical issues and progress in the field to date Outside of research and feminist communities sexual coercion is frequently minimized and too often stereotyped The words sexual coercion synonyms with sexual aggression and sexual assault conjure in the minds of many the image of a deranged man attacking a woman stranger in a dark place where she should know better than to be walking alone This and other stereotypes are challenged by the authors of *Sexual Coercion in the Dating Relationship* The chapters examine other important issues that have yet received little research attention For example one author tests the empirical assumptions inherent in a prominent theory about the causes of sexual coercion Some of the authors challenge the assumption that only women are pressured or forced to engage in unwanted or nonconsensual sex Other authors address issues related to the prevention of sexual coercion of women and challenge current conceptions of women's sexuality Still others identify methodological problems related to research on sexual coercion such as current methods of identifying attitudes supportive of the use of sexual coercion All of the chapters challenge current beliefs related to the issue of sexual coercion and are designed to spur researchers and educators forward into new ground With the publication of this book readers are forced to re think their assumptions on sexual coercion with the new statistics and research on these topics evaluates of a prominent theory of the causes of sexual coercion the traditional script examines men's and women's use of sexual influence in their dating relationships the types of behavior men and women use to influence their partners to engage in unwanted sex and the associated consequences for the individuals and the relationship compares men's and women's reactions to sexual coercion presents a model to predict women's resistance and evaluates effective practical measures of prevention for women evaluates attitudes toward rape literature and the predictive ability of assessing attitudes critical reviews of current

conceptions of women's sexuality and the need to restructure culturally endorsed attitudes in our prevention efforts reviews methodological problems plaguing many current research investigations and the political ramifications of many investigations in this area Because this book presents information related to the prevention and experience of sexual coercion Sexual Coercion in Dating Relationships is helpful in developing long term research and preventive programs This sourcebook also helps researchers expert witnesses counselors especially college support staff and college and university educators provide information to students and others about sexual coercion

The Western Confederacy's Final Gamble
James Lee McDonough, 2013-10-01 After Major General William Tecumseh Sherman's forces ravaged Atlanta in 1864 Ulysses S Grant urged him to complete the primary mission Grant had given him to destroy the Confederate Army in Georgia Attempting to draw the Union army north General John Bell Hood's Confederate forces focused their attacks on Sherman's supply line the railroad from Chattanooga and then moved across north Alabama and into Tennessee As Sherman initially followed Hood's men to protect the railroad Hood hoped to lure the Union forces out of the lower South and perhaps more important to recapture the long occupied city of Nashville Though Hood managed to cut communication between Sherman and George H Thomas's Union forces by placing his troops across the railroads south of the city Hood's men were spread over a wide area and much of the Confederate cavalry was in Murfreesboro Hood's army was ultimately routed Union forces pursued the Confederate troops for ten days until they recrossed the Tennessee River The decimated Army of Tennessee now numbering only about 15 000 retreated into northern Alabama and eventually Mississippi Hood requested to be relieved of his command Less than four months later the war was over Written in a lively and engaging style *The Western Confederacy's Final Gamble* presents new interpretations of the critical issues of the battle James Lee McDonough sheds light on how the Union army stole past the Confederate forces at Spring Hill and their subsequent clash which left six Confederate generals dead He offers insightful analysis of John Bell Hood's overconfidence in his position and of the leadership and decision making skills of principal players such as Sherman George Henry Thomas John M Schofield Hood and others McDonough's subjects both common soldiers and officers present their unforgettable stories in their own words Unlike most earlier studies of the battle of Nashville McDonough's account examines the contributions of black Union regiments and gives a detailed account of the battle itself as well as its place in the overall military campaign Filled with new information from important primary sources and fresh insights Nashville will become the definitive treatment of a crucial battleground of the Civil War

The 80/80 Marriage Nate Klemp PhD, Kaley Klemp, 2022-02-15 NAMED ONE OF COSMOPOLITAN'S 15 BEST MARRIAGE BOOKS ALL COUPLES SHOULD READ An accessible transformative guide for couples seeking greater love connection and intimacy in our modern world Nate and Kaley Klemp were both successful in their careers consulting for high powered companies around the world Their work as mindfulness and leadership experts however often fell to the wayside when they came home in the evening only to end up fighting about fairness in their marriage They believed in a model where

each partner contributed equally and fairness ruled but in reality they were finding that balance near impossible to achieve From this frustration they developed the idea of the 80 80 marriage a new model for balancing career family and love The 80 80 Marriage pushes couples beyond the limited idea of fairness toward a new model grounded on radical generosity and shared success one that calls for each partner to contribute 80 percent to build the strongest possible relationship Drawing from more than one hundred interviews with couples from all walks of life stories from business and pop culture scientific studies and ancient philosophical insights husband and wife team Nate and Kaley Klemp pinpoint exactly what s not working in modern marriage Their 80 80 model of marriage provides practical powerful solutions to transform your relationship and open up space for greater love and connection *The Practical Practice of Marriage and Family Therapy* Terry S Trepper, Charles E Campbell, Mark O'Dell, Lorna L Hecker, 2013-09-05 It is a truism among therapists in most mental health disciplines that the most important aspects of clinical practice are learned only after one has left graduate school and entered the real world While many of the basics could be covered in graduate school supervisors of new therapists often feel that the fundamentals are only addressed in detail after a therapist has been employed In response to this predicament Odell and Campbell offer *The Practical Practice of Marriage and Family Therapy Things My Training Supervisor Never Told Me* as a useful daily guide for graduate students and beginning marriage and family therapists that will ease the transition from learner to practicing professional in the clinical domain Written in a refreshing and unpretentious style much the way a caring seasoned professional would mentor a novice practitioner *The Practical Practice of Marriage and Family Therapy* covers the major areas that typical graduate programs don t have time to address including how to integrate theoretical training with pragmatic clinical practice to maximize therapeutic effectiveness face the practical problems involving the financial elements of clinical work become a thoroughly credentialed professional develop an approach to becoming specialized uncover the motivation for being a professional marriage and family therapist increase one s ability to maintain high level practice over a lifetime of work by developing coping strategies and methods of safeguarding one s own mental health Addressing the unique approach of their book Odell and Campbell explain Whereas most texts are handbooks on the actual theories and techniques used with couples and families this book is designed to be a guide to the beginning professional as s he leaves the graduate training environment and enters the mental health field as it exists in contemporary America Our hope is that this book would be one of those chosen by the novice practicing professional if s he could only take two or three with them into the field as it contains material that is most useful for everyday work in clinical settings

Humor Us Donald Capps, 2016-10-21 This book addresses the fact that Americans tend to live under a considerable amount of stress tension and anxiety and suggests that humor can be helpful in alleviating their distress It posits that humor is a useful placebo in this regard cites studies that show that humor moderates life stress considers the relationship of religion and humor especially as means to alleviate anxiety proposes that Jesus had a sense of humor suggests that his

parable of the Laborers in the Vineyard has humorous implications for the relief of occupational stress explores the relationship of gossip and humor and suggests that Jesus and his disciples were a joking community It concludes that Jesus viewed the kingdom of God as a worry free existence *Reconnecting* Joseph J. Luciani,2009-04-20 There s no doubt about it every conflict in every relationship involves two people with two different perceptions and every solution requires two partners to arrive at a single shared perception You can t repair a damaged relationship by yourself and you can t change your partner into someone else Does that mean the situation is hopeless Absolutely not In *Reconnecting* Dr Joseph Luciani the celebrated author of the renowned Self Coaching series introduces a proven practical method you can follow to encourage your less than cooperative partner to join you in a meaningful healing process even if you have to take the first steps on your own Dr Luciani begins by helping you evaluate your own level of insecurity and using his Self Talk technique do something to improve it He shows you how to use Self Talk to become a catalyst for change in your relationship by eliminating your contribution to the problem You ll identify your own personality patterns and use Self Talk to let go of personal baggage stop listening to what hurts you and see the problem as a whole Next you ll learn how to apply Catalytic Self Coaching to your relationship You ll find out what it means to create a relationship vacuum and you ll start working with Self Self Us Portraits You ll also discover how to risk trusting each other and to begin coaching each other away from destructive habits and toward a more truthful and loving relationship This eye opening and life changing guide offers constant support on your journey toward a more loving and rewarding relationship You ll find plenty of prescriptive advice to help you make sense of your own personality patterns and cope with the anxiety and depression that often accompany difficult relationships Dr Luciani s success stories of patients who have changed their lives will help you realize that you re not alone and there is hope Complete with a valuable discussion of the essential principles of successful relationships and how to put them into action every day *Reconnecting* is the resource you need to break free of destructive habits and create a new more secure relationship that brings you the companionship commitment trust and true love you need **The USS**
