

## **Adjustment to remarriage:**

- slow process because complicated by commitments to career, children and extended family
- can take 4-7 years
- most remarriages are stable but they have a higher divorce rate – as many as 40% of remarried couples separate w/in four years if there are children
- conflicting marital and work roles as remarriage coincides w/ greater involvement in work than first marriage
- couples may have difficulty negotiating new marital system when they have old strategies from other roles
