Hasen who are not only distinguished authors but also the nation's preeminent experts in the field of Remedies provides a pragmatic approach to the subject of judicial relief by cutting across substantive fields as it explores the general principles of the law of remedies This casebook is highly respected for its original and logical conceptual framework comprehensive coverage excellent case selection and authoritative and well written notes Following the same organization scope of coverage and daily units as the unabridged Sixth Edition the streamlined Concise Edition features tightly focused notes that emphasize basic principles and central points with fewer collateral issues The text achieves a balance between public and private law and teaches and critiques the basics of economic analysis as applied to remedies issues This is the authoritative book viewed as the leading book in the field It's often quoted by courts as the leading work It doesn't just give a list of remedies it gives a conceptual

framework for evaluating remedies and teaches students the value of choices they can make as lawyers to advocate for the best remedies for their client This shorter edition focuses student attention on what will matter to them most in class on the bar exam and in practice New to the Concise Sixth Edition Extensive integration of relevant material from the new Restatement Third of Torts Remedies in chapters on compensatory damages punitive damages injunctions and remedial defenses The casebook authors are the Reporters on this Restatement project All notes reviewed and updated as appropriate Reorganized and expanded material on damages that cannot be measured in a market including dignitary harm and the relationship of dignitary harm to emotional distress constitutional harm and other types of damages Updated and extensive treatment of the Supreme Court's treatment of emergency relief and the standards for granting stays and injunctions pending appeal New principal cases on injunctions bonds NCAA from the Third Circuit the federal right to a jury trial Jarkesy from the Supreme Court and the three types of contempt Town of West Lakeland from a Minnesota appeals court Updated notes on lodestar calculations for attorneys fees Expanded material in compensatory damage chapter on use of race and sex data for computing lost earnings and life expectancy and on discounted medical billing wrongful birth and wrongful pregnancy cases New material on the controversy about qualified immunity for police officers and other government officials and employees Revised material on mistaken payments in restitution following Banque Worms with attention to Citibank's billion dollar mistaken payment Updated consideration of cy pres and fluid class remedies Professors and students will benefit from Strong conceptual organization based on remedies categories compensatory and punitive damages injunctions restitution declaratory judgments enforcement of judgments contempt and collections attorneys fees and remedial defenses and in terms of daily teaching units of roughly equal length each unit having a clear central theme Appropriate balance of public and private law Highly teachable and memorable cases well edited and supported by informative and authoritative notes Coverage and critique of basic law and economics concepts as applied to key remedies issues Plenty of information to support class discussion case analysis and applying concepts to varied fact patterns

The Latin American Casebook

Juan F. Gonzalez-Bertomeu, Roberto Gargarella, 2016-04-20 Traditionally relegated because of political pressure and public expectations courts in Latin America are increasingly asserting a stronger role in public and political discussions This casebook takes account of this phenomenon by offering a rigorous and up to date discussion of constitutional adjudication in Latin America in recent decades Bringing to the forefront the development of constitutional law by Latin American courts in various subject matters the volume aims to highlight a host of creative arguments and solutions that judges in the region have offered The authors review and discuss innovative case law in light of the countries social political and legal context Each chapter is devoted to a discussion of a particular area of judicial review from freedom of expression to social and economic rights from the internalization of human rights law to judicial checks on the economy from gender and reproductive rights to transitional justice The book thus provides a very useful tool to scholars students and litigants alike
