Richard E. Davies

Remember Jesus:

Remember Jesus Christ Raniero Cantalamessa, 2007 What Places does Christ have in modern society Fr Cantalamessa the preacher to the papal household posed that question in a series of Advent and Lent meditations presented to Pope Benedict XVI In *Remember Jesus Christ* he explains that in order to bring people to Christ today the church needs to proclaim as simply and succinctly as the apostles did that Jesus Christ is Lord And the essential core of that proclamation is the passion and death of Jesus because the cross of Christ is the supreme proof of God's love for us Scripture personal testimonies and allusions to works of art reinforce Cantalamessa's powerful and prophetic message leaving readers with hope and expectant faith in the future of Christianity in the modern world *Remembering Jesus* Allen Verhey, 2005-06-14 In the past decade many Christians have embraced the What Would Jesus Do campaign which encourages them to base their decisions and actions on this question In *Remembering Jesus* the book that promises to be his magnum opus Allen Verhey takes a serious look at what Jesus really said and did and applies it to contemporary Christian ethics Verhey asserts that following Jesus requires remembering him and in order to do this Christians must read and understand Scripture where the memory of Jesus is found By remembering Jesus this book contributes to the effort of Christians to discern the shape and style of life worthy of the gospel More specifically this book displays the implications of Christian integrity for sexual medical economic and political ethics seeking to understand what Jesus would really have to say about these issues today While suitable for pastors and general readers looking for biblically based instruction on practical living this superb work also makes an ideal text for courses on Christian ethics

Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence James Abdelmalek, 2022-08-01 In our daily lives we run into multiple emotions We may run into troubles yet we can find peace We may face hardships yet we can find prosperity We may find suffering yet we can find comfort We may get angry yet we can find calmness We may get desperate yet we can find hope We may hate others yet we can find love We may judge others yet we can find forgiveness We may hurt others yet we can be a help We may stumble others yet we can be an inspiration We may curse yet we can bless We may gossip yet we can pray It is simply a choice between living as the world and living through Jesus Jesus is always present as He promised God is always near as He assured us We run into sorrow because we forget God's true promises We are sad in our life because we forget Christ's guidance If we look at God's words and contemplate about how much He cares for us and how much He loves us We will be able to handle any situation at any time by any means through Christ our Lord *Jesus Darkly* Rafael Rodriguez, 2018-12-04

New Testament students have not always been well served by study of the historical Jesus which tends to segregate Jesus from his significance vis vis Israel's scriptures and God's agenda as this is developed among the New Testament writers in the living context of a faith community's memory The witness of scripture does in fact help us remember Jesus well From beginning to end the Bible tells the story of God putting God's family back together Its plot develops in multiple sometimes

competing ways It exhibits the full range of human emotions and perhaps surprisingly it claims that these are also God s emotions But on every page we hear the call of a God whose family has chosen an early inheritance instead of an intimate relationship That God pictured as a parent often a father beckons God s children inviting them to return and to sit at the table clothed by mercy and affirmed as God s very family **Follow Jesus** Carol A. Jackson,2018-05-04 These lessons help kids know who Jesus is and then respond by following him worshipping him and telling others about him A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 3 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs , **THE LATTER DAY SAINTS** ,1862 **Diddy Disciples 1: September to December** Sharon Moughtin-Mumby,2017-06-15 Diddy Disciples is a creative and playful new worship and Bible storytelling resource for babies toddlers and young children Diddy Disciples aims to encourage participation discipleship and leadership from children s earliest years using storytelling singing colour repetition art and lots and lots of movement Peer learning is actively encouraged with many opportunities for young children to learn from each other Groups are invited to build their own Diddy Disciples sessions choosing from different options Leaders can use the material to create a service to follow the pattern of their church s Sunday worship a simple midweek baby and toddler singing session or anything in between Book 1 includes Over 20 weeks worth of fully worked out sessions organized into 4 6 week units from September to December All the information you need to set up and run Diddy Disciples in your group Plenty of opportunities to tailor the material to your own context resources and tradition All sorts of creative starter ideas for using everyday art and play resources to spark children s imaginations and engagement as they respond to the biblical stories The Units are Jesus wonderful love six weeks introducing some of Jesus most famous parables God the maker six weeks on creation and caring for it including a Harvest celebration In November we remember four weeks including All Saints and Remembrance Sunday Getting ready for baby Jesus five weeks journeying through Advent to Christmas **Bible Stories for All Ages** Margaret Kyle,2007-05-05 Presents one bible story for every Sunday of the year which is paired with an activity suitable for small children which reinforces the moral or lesson appearing in each story *Necessary Risks* Teri McDowell Ott,2022 In *Necessary Risks* Teri McDowell Ott explores her wrestling as a privileged white Christian woman with ten risks and the underlying systems and structures that need to be changed Such risks she argues transform individuals and communities creating a path toward a more equitable and just world **Sermons on the Second Readings** Robert S. Crilley,Dallas A. Brauninger,Gary L. Carver,2003 Wherever you are in your walk with Christ this anthology offers practical scripture based wisdom as well as delightfully serendipitous surprises on every page Three outstanding preachers from

diverse denominations provide a complete set of sermons for each Sunday and major celebration throughout the Christian year based on the Second Reading from Cycle C of the Revised Common Lectionary Weaving together illustrations that enlighten the mind and warm the heart with fresh insight into New Testament epistle texts these creative messages invite you to experience God's presence anew Each biblically grounded sermon draws on a deep understanding of the human condition reaffirming the hope that is ours through Jesus Christ and challenging you to a more intense faith relationship with the almighty This is an essential resource that's useful for Fresh homiletical approaches to the lectionary texts Preaching illustrations A clearer understanding of scripture passages Adult study and discussion groups Personal devotions and Bible study on each Sunday's readings Dallas Brauninger has a way with words that makes one's heart sing and be open to learn and hear more Gentle phrases leap out and make one think and wrestle with God and one's self Margaret Slater Inclusive Ministry Coordinator Local Church Ministries United Church of Christ Gary Carver's sermons are a delight to read True to life often humorous and filled with insight they mark points at which the gospel intersects with everyday experience call us to renewed faith and show us what it means to live gracefully R Alan Culpepper Dean and Professor of New Testament McAfee School of Theology Mercer University

Salvation As a Mechanical Process Richard E. Davies, 2020-02-14 Christians have been taught that Jesus died on the cross to pay a fine or ransom to expiate or atone for our sins Furthermore they have been taught that the death of Jesus is the only way individuals can receive eternal salvation In general this notion is called the doctrine of blood atonement or penal substitution or some similar name One reason for this teaching is that the development of Newtonian mechanics has led us to believe that God's laws of salvation must be as easy to understand as the seventeenth and eighteenth century laws of our physical world This book demonstrates that there are alternatives for understanding Jesus' execution that are consistent with the twentieth and twenty-first century understanding of our physical world In fact the early Christian writers including the Bible itself described these alternatives Sacrifice was only one form of the early Christian narrative explaining the death of Jesus Although blood atonement was understandable in ancient Roman culture it is not understandable in our culture The inevitable conclusion is that we should abandon blood atonement and develop one of the alternative ways of understanding the cosmic significance of Jesus' execution
