Kurt Vonnegut Remembered Jim O'Loughlin, 2019-03-26 A collection of reminiscences that illuminate the career and private life of the iconic author of *Slaughterhouse Five* Kurt Vonnegut 1922 2007 who began his writing career working for popular magazines held both literary aspirations and an attraction to genre fiction His conspicuous refusal to respect literary boundaries was part of what made him a countercultural icon in the 1960s and 1970s Vonnegut s personal life was marked in large part by public success and private turmoil Two turbulent marriages his sudden adoption of his late sister s four children and the equally sudden removal of one of those children and a mid eighties suicide attempt all signaled the extent of Vonnegut s inner troubles Yet he was a generous friend to many maintaining close correspondences throughout his life Kurt Vonnegut Remembered gathers reminiscences by those who knew him intimately and from those met him only once that span Vonnegut s entire life Among the anecdotes in this collection are remembrances from his immediate family reflections from his comrades in World War II and tributes from writers he worked with in Iowa City and from those who knew him when he was young Editor Jim O Loughlin offers biographical notes on Vonnegut s relationship with each of these figures Since Vonnegut s death much has been written on his life and work but this new volume offers a more generous view of his life particularly his last years In O Loughlin s introduction to the volume he argues that we can locate and understand Vonnegut s best self through his public persona and that in his performance as the kind and humane figure that many of the speakers here knew him as Vonnegut became a better person than he ever felt himself to be Peter Gzowski R.B.

Fleming, 2010-08-27 Born in 1934 Peter Gzowski covered most of the last half of the century as a journalist and interviewer This biography the most comprehensive and definitive yet published is also a portrait of Canada during those decades

beginning with Gzowski's days at the University of Toronto's The Varsity in the mid 1950s through his years as the youngest ever managing editor of Maclean's in the 1960s and his tremendous success on CBC's Morningside in the 1980s and 1990s and ending with his stint as a Globe and Mail columnist at the dawn of the 21st century and his death in January 2002. Gzowski saw eight Canadian Prime Ministers in office most of whom he interviewed and witnessed everything from the Quiet Revolution in Quebec to the growth of economic nationalism in Canada's West. From the rise of state medicine to the decline of the patriarchy Peter was there to comment to resist and to participate. Here was a man who was proud to call himself Canadian and who made millions of other Canadians realize that Canada was in what he claimed was a Canadian expression not a bad place to live. *Quill & Quire*, 2002. Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004.

Canadian Books in Print, 2003. **Discoveries** Robertson Davies, 2002. On his publishers They are so insufferably pretentious in theory and such botchers in practice. On his role as Master God how I loathe the young Do you suppose we were such grasping crooked self important cabbageheads as these. On projected BBC radio talks They want me to give Marchbanks impressions of Britain They seem to have some notion that I am a newcomer to these shores chewing tobacco and swinging my lariat as I gape at the sights I shall strive to oblige. Robertson Davies was 25 and a student at Oxford when these letters begin. By the end of the book in 1975 he has become the magisterial author of the Deptford Trilogy Fifth Business The Manticore and World of Wonders. The letters show us his career in all its variety. He was among other things an actor at the Old Vic in London a newspaperman in Peterborough Ontario and a playwright who writes despairingly that I am getting to hate and despise actors more every day. A surprising theme is his constant disappointment with his achievements. Although happily married with three daughters the editor of a respected newspaper a major national book reviewer and the author of several well received plays and half a dozen books he feels that he has failed. Even when in 1961 he switches careers to become the founding Master of Massey College and to teach Drama at the University of Toronto his doubts persist. It is only in the later years that he begins to sense that his life has not been wasted. The book's greatest charm however lies in his letters to the great letters to H L Mencken Alfred Knopf Hugh MacLennan Tyrone Guthrie Margaret Laurence among others and to the not so great like the arrogant applicant for a job at his newspaper who received blistering advice on professionalism. All are written with great style appropriate to the occasion. For above all Robertson Davies was a professional. His astonishingly revealing letters show a promising young man turning into a great literary figure. The Game of Our Lives Peter Gzowski, 2014-04-25. In this bestselling timeless classic Peter Gzowski recounts the 1980-81 season he spent travelling around the NHL circuit with the Edmonton Oilers. These were the days when the young Oilers led by a teenaged Wayne Gretzky were poised on the edge of greatness and about to blaze their way into the record books and the consciousness of a nation. While the story of the early Oilers embodies the book The Game of Our Lives is much more than a retelling of one season in the life of an NHL team. Unlike any book ever written in the annals of hockey Gzowski beautifully

weaves together the anatomy of a modern NHL team with the magnificent history of the game to create one of the best books about hockey in Canada Here are the great teams and the great players through the ages Morenz Richard Howe Orr Hull the men whose rare and indefinable genius on the ice exemplified the speed grit and innovation of the game Books in Print Supplement ,2002 **Index de Périodiques Canadiens** ,2002 **Britannica Year in Review 2002** Encyclopedia Britannica,2003 *Britannica Book of the Year* Encyclopaedia Britannica,2003 *The Annotated Bibliography of Canada's Major Authors: Ernest Buckler, Robertson Davies, Raymond Knister, W.O.
