

A person is seen from above, swimming underwater. A bright light source, possibly the sun, is positioned directly above the swimmer, creating a strong, circular beam of light that illuminates the water and the swimmer. The water is a deep blue color, and the overall scene has a serene and contemplative feel.

Remembering The God To Come:

Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence James

Abdelmalek,2022-08-01 In our daily lives we run into multiple emotions We may run into troubles yet we can find peace We may face hardships yet we can find prosperity We may find suffering yet we can find comfort We may get angry yet we can find calmness We may get desperate yet we can find hope We may hate others yet we can find love We may judge others yet we can find forgiveness We may hurt others yet we can be a help We may stumble others yet we can be an inspiration We may curse yet we can bless We may gossip yet we can pray It is simply a choice between living as the world and living through Jesus Jesus is always present as He promised God is always near as He assured us We run into sorrow because we forget God s true promises We are sad in our life because we forget Christ s guidance If we look at God s words and contemplate about how much He cares for us and how much He loves us We will be able to handle any situation at any time by any means through Christ our Lord
