Reminiscences Of Russia 1st Edition:

Reminiscences of a Russian Antiquarian Bookseller Lev Abramovich Glezer, 2001 Paula Israelewicz the Russian born linguist and librarian has made available to Western readers in an English translation *Reminiscences of a Russian Antiquarian Bookseller* the memoirs written at an advanced age by eldest Moscow book dealer L A Glazer The volume recounts Glazer's sixty years experience in the book world of his time and place Throughout the eight chapters Glazer gives the reader a detailed account of his encounters with booklovers in all walks of life noted bibliophiles scholars bookmen and bibliographers writers actors musicians and also students whom he inspired with an interest for books The many treasures and private collections handled by Glazer during his long career are described in the book mostly Russian works from the 16th to the 20th century writings of Russian authors such as Pushkin and many others The beginning of Glazer's career coincided with a period after the revolution For the Western reader it is interesting to realize that even under the Soviet regime normal life went on in the milieu dedicated to books Perhaps reading and book collecting constituted an escape from the troubles of daily life the persecutions of the Stalin era and the horrors of World War Two *Memoirs of Russia, from the Year 1727, to the Year 1744* Cristof Hermann Manstein, 1773 *The Unknown Tsesarevitch. Reminiscences and Considerations on V. K. Filatov's Life and Times* Oleg Filatov, 2019-01-24 The book is about the rescue of Tsesarevich The central part is the reminiscences of O Filatov The I chapter The Sources gives the archive information about the course of events on 1918 in Ekaterinburg The II chapter Relations with Other People is a description of the life of the family in the Urals The III chapter The North Star is about the life of the family in the north of Russia The IV chapter The Royal Blood Must examined is about the identification of Tsesarevich **Performing Arts Books, 1876-1981**, 1981 *Russia's Greatest Enemy?* Charlotte Alston, 2007-03-28 A remarkably talented linguist foreign correspondent in Russia from 1904 1921 and Foreign Editor for The Times Russia's Greatest Enemy traces the fascinating life and career of Harold Williams This quiet and modest New Zealander played a central role in informing and influencing British opinion on Russia from the twilight of the Tsars through War and Revolution to the rise of the Soviet Union The career of this keen Russophile and fierce opponent of Bolshevism illuminates the pre World War One movement towards rapprochement with the Tsar as well as the drive for intervention and isolation in the Soviet period In this fascinating study Charlotte Alston explores the role of Williams as the interpreter of Russia to the British and the British to Russia in this turbulent period in the history of both countries Introduction 1 New Zealand 1876 1900 2 Journalism 1900 1914 3 Britain Russia War and Revolution 1907 1917 4 From Revolution to Intervention 1917 1921 5 The Times 1921 1928 Conclusion Bibliography *Athenaeum*, 1858 **Britain, Russia and the Road to the First World War** Marina Soroka, 2016-04-15 For much of the later nineteenth century Britain regarded Russia as its main international rival particularly as regarded the security of its colonial possessions in India Yet by 1907 Russia's political revolution financial collapse and military defeat by Japan transformed the situation resulting in an

Anglo Russian rapprochement As this book makes clear whilst international affairs lay at the root of this new relationship personal factors also played an important role in reversing many years of mutual animosity and suspicion In particular the study explores the influence of the liberal anglophile Count Aleksandr Benckendorff the Russian ambassador in London between 1903 and 1916 By 1905 Russia s multiple weaknesses required a prolonged period of external peace by eliminating frictions with the principal rival powers Britain and Germany while France and Britain realised that a British rapprochement with Russia would be necessary to counter Germany s power Benckendorff as one of the most important figures in the Russian diplomatic service persuaded Nicholas II and his Foreign Minister V N Lamsdorff to drop their objections to various long standing British demands in order to pave the way for a Triple Entente Although the overarching Russian strategy was conceived as balancing the imperial rivalries of Britain and Germany numerous factors not least Benckendorff s energetic pro British stance upset the scales and resulted in a stand off with the Central Powers Demonstrating how Benckendorff s fear of losing Britain s friendship made him oppose all Russia s efforts at improving Russo German relations this book underlines the pro Entente policy s role in setting Russia on the road to war For when the Sarajevo crisis struck there was now no hope of appealing to German goodwill to help defuse the situation Instead Russia s status within the Entente depended on a show of determination and strength which lead inexorably to a disaster o The Russian Revolution and Civil War 1917-1921

Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state The Saturday Review of Politics, Literature, Science and Art ,1856

Russian Court Chapel Choir Carolyn C. Dunlop, 2013-12-19 This detailed account of the Kapella Russian Court Chapel Choir examines the influence it exerted on the development of Russian sacred music The educational importance of the institution has always been overshadowed by the achievements of the St Petersburg Conservatoire Dr Dunlop investigates the consequences of the Kapella's monopoly on music publications The wonderfully rich choral repertoire of the Russian Orthodox Church has until now been unavailable to most English speaking choirs due to the problems of language and accessibility Two volumes of Russian Court Chapel Choir music Galuppi to Vorotnikov and Bakhmetev to Lyapunov are available separately in performing editions They are easily accessible sources of nineteenth century Russian choral pieces by a range of composers in a variety of styles Carolyn Dunlop received a postgraduate degree in Russian language from the University of Strathclyde She was awarded her doctorate in Russian Orthodox Church mu

The Three Apostles of Russian Music Gregor Tassie, 2021-11-11 The Three Apostles of Russian Music looks at three figures in the Soviet avant garde who led modernist music in the 1920s Mosolov Popov and Roslavets were popular composers who are now unfortunately forgotten These remarkable musicians produced compositions like the sensational machine music Foundry by Mosolov The first symphony by Popov attracted musicians in Europe and America but was banned after the premiere while Roslavets discovered serialism before Schoenberg opening up a new trend in modernism This book is the first study in English of the work lives and legacies of these apostles of the Russian avant garde

Creating Societies Dirk Hoerder, 2000-01-01 Dirk Hoerder shows us that it is not shining railroad tracks or statesmen in Ottawa that make up the story of Canada but rather individual stories of life and labour Caribbean women who care for children born in Canada lonely prairie homesteaders miners in Alberta and British Columbia women labouring in factories Chinese and Japanese immigrants carving out new lives in the face of hostility Hoerder examines these individual experiences in *Creating Societies* the first systematic overview of the total Canadian immigrant experience Using letters travel accounts diaries memoirs and reminiscences he brings the immigrant's experiences to life Their writings often recorded for grandchildren neighbours and sometimes a larger public show how immigrant lives were entwined with the emerging Canadian society Hoerder presents an important new picture of the emerging Canadian identity dispelling the Canadian myth of a dichotomy between national unity and ethnic diversity and emphasizing the long standing interaction between the members of a different ethnic groups
