

The book cover features a close-up of a young woman's face, looking down with a contemplative expression. The background is a collage of artistic elements: a green vine with small flowers in the top left, a red butterfly in the top right, and a spiral notebook with a red pen and a red butterfly on its cover in the bottom right.  Avery Warren is torn from his home and into the world of Aanda by the terrifying dragon like Wurms Before they can reclaim
 the power in his blood stolen from them by his ancestor he s freed allegedly anyway His rescuers are human and still
 celebrate what his ancestor did to free them from the Wurm empire twelve hundred years ago in fact he ll be doing that
 again please and thank you Though the people around him are kinder than the Wurms mostly it s clear to Avery that in return
 for saving his life they expect him to master the power in his blood and use it to exterminate the last of the Wurms dying
 empire If he can actually master that power If the Wurms don t find him If the warring factions among the humans don t tear
 him to pieces first Avery s not the only one stuck in a web of everyone else s plans for him Back in the last surviving city of
 Wurms a talented alchemist named Rilus is named heir to the throne a move nobody was expecting not even Rilus He ll have
 to prove his worth to both himself and the disenfranchised nobility of the old Empire if he wants to survive his promotion If
 he wants his baby sister to ever get to see the outside world If he wants to get back what was stolen and save his kind from
 extinction The fate of two civilizations it seems rests in the hands of a teenage boy if he can keep those hands attached to his
 body long enough to use them London Society ,1884 The Ladies' Garland and Dollar Magazine ,1848 **Golden**
