The stable scene is set towards the back of the stage, with at least two hay bales at one side, surrounded by brushes, shovels, buckets and any other stable equipment you can find, and the manger on the other. Loose hay should be scattered over the stable floor.

NARRATOR Many years ago, there lived a young stable boy called Sam. He worked cleaning the stables in the town of Bethlehem.

Enter Sam, sweeping the floor and looking sad.

THE SHREW *(Popping up from behind a hay bale)* Boo! Chin up, Sam, my old friend.

SAM *(Jumping back in surprise)* Shrew! You made me jump!

THE SHREW Sorry mate. I was trying to make you laugh. You look so sad.

SAM I am sad. Nobody ever notices my hard work cleaning this smelly stable.

THE SHREW The animals notice.

SAM Maybe, but I wish I had an important job.

THE SHREW You do have an important job, Sam. Come on – I think we need a song to cheer you up!

Song 1. THE STABLE HOEDOWN

CD track 1/9

A small group could perform a simple line dance during Song 1, and a jolly fiddler could appear at the side of the stage, tapping his toes.

SAM *(Laughing)* Oh Shrew, I feel much better now, but I need a rest after all that singing!

Sam wipes his brow and sits on some hay. He jumps back up and runs around holding his bottom.

SAM Ow, ow, ow. That hay is prickly. My poor bottom!

THE SHREW Never mind your bottom, Sam. What about the poor animals? How do they sleep on this prickly hay?

SAM I don't know. I'd better go and get some new soft hay for them.

THE SHREW Can I help? Pleeceeeeeease?

SAM Okey-dokey! You sweep out the old hay and I'll bring in the new.

Song 2. WORKING IN A STABLE

CD track 2/10

first comprehensive study of how Shakespeare designed his plays to suit his playing company Brett Gamboa demonstrates how Shakespeare turned his limitations to creative advantage and how doubling roles suited his unique sense of the dramatic By attending closely to their dramaturgical structures Gamboa analyses casting requirements for the plays Shakespeare wrote for the company between 1594 and 1610 and describes how using the embedded casting patterns can enhance their thematic and theatrical potential Drawing on historical records dramatic theory and contemporary performance this innovative work questions received ideas about early modern staging and provides scholars and contemporary theatre practitioners with a valuable guide to understanding how casting can help facilitate audience engagement Supported by an appendix of speculative doubling charts for plays illustrations and online resources this is a major contribution to the understanding of Shakespeare s dramatic craft Pocket Oxford American Dictionary and Thesaurus Oxford

Languages,2010 The Pocket Oxford American Dictionary Thesaurus is the ideal all in one portable reference with a dictionary and thesaurus combined in one handy integrated volume Coach "Catfish" Smith and His Boys Glen Onley,2004 Milburn Catfish Smith rose from the humblest of beginnings in rural East Texas to lead the Carey Cardinals and the Mount Vernon Tigers to numerous football and basketball championships including Texas State Schoolboy titles In doing so he defied the sports gurus of his day many of whom subsequently credited him with three of the greatest coaching feats of his century How did he do it Here for the first time the secret behind this most unusual and colorful man s success is revealed unknown until now even by many of his former players His Boys No slow climb to the top was acceptable for this firebrand coach In his first year he took his Carey Cardinals a school with less than one hundred enrollment and no basketball court to a fourth place finish in the Texas Schoolboy state basketball tournament including a twenty six game winning streak The twenty three year old coach followed that with a 50 2 season and the state championship back when the smallest schools competed against the largest for the coveted title World War II soon interrupted his career as it did that of many of his contemporaries but the experience was to change Catfish deeply and in ways even his closest friends did not understand Called to Mount Vernon Texas in September 1943 to temporarily fill a coaching vacancy Catfish exceeded all expectations Seven years later with two hundred fourteen victories and over twenty titles including district bi district regional and state crowns he was one of the most recognized high school coaches in the state of Texas **A New History of English Metre** Martin J. Duffell,2008 In

the hundred years since the last major history of English metre was published dramatic changes have occurred in both the way that poets versify in English and the way that scholars analyze verse Free verse is now firmly established alongside regular metre and linguistics statistics and cognitive theory have contributed to the analysis of both This new study covers the history of English metre up to the twenty first century and compares a variety of modern theories to explain it The result is a concise and up to date guide to metre for all students and teachers of English poetry Book Jacket *Arms and the Man, The Devil's Disciple, and Caesar and Cleopatra* George Bernard Shaw,2021 The three plays in this volume are some of

George Bernard Shaw's most popular and frequently performed works. They demonstrate the development of Shawian comedy and contain early formulations of his idea of the Superman: an extraordinary individual who catalyzes the evolution of mankind. *Arms and the Man* (1894) was Shaw's first commercial success and the first public confirmation that he could make playwriting his profession. It is the first of what Shaw called his pleasant plays: comedies that critique idealism in general rather than specific social problems as his earlier plays did. Specifically, Shaw undermines the romance of wartime courage, reckless heroism, and nationalist pride among British spectators while using the Serbo-Bulgarian War of 1886 as an exotic veneer. Shaw wrote *The Devil's Disciple* (1897) for William Terriss, an actor known for his swashbuckling roles who had requested a play that would contain every surefire melodramatic situation: mistaken identities, terrifying adventures, and last-second escapes and frequent emotional outpourings. *Caesar and Cleopatra* (1898) is Shaw's revision of Shakespeare's *Julius Caesar* and *Antony and Cleopatra*, as well as a fusion of the pragmatism and unconventionality of the heroes of *Arms and the Man* and *The Devil's Disciple* into a portrait of jocular, morally serious leadership.

Performing Human Consciousness
Vanessa Dodd, 2024-09-30. Is the mind like a theatrical performance? This comparison has often been used as a conceptual tool by neuroscientists, philosophers, and psychologists in trying to understand what constitutes the human mind and, in particular, how the comings and goings and the character transformations on the stage and in the scripted text give us visible access to the hidden workings of the human mind. *Performing Human Consciousness* makes use of this metaphor to explore the variety of ways in which the private thoughts and feelings we all have bring into play many aspects of persistent philosophical questions over how the essentially private world of personal experiences can relate to and communicate with the common public world. To investigate this generalisation in more detail, the author brings into play her own conscious experiences by making use of an auto-inscribed play, *Being Me Through*. In this dramatic medium, she seeks to show in detail how phenomenal consciousness is captured through the dramatic play text and thereby made known to others through performance of that text. Broadening out her argument further, the author then embarks on an enquiry into a selection of play texts from an historical variety of perspectives, from the early Greek and Mediaeval dramas through to the Symbolist period and onwards to the present day, demonstrating the variety of ways in which they illustrate her argument. This book will be of great interest to students and scholars of theatre performance and scriptwriting.
