

I love you because I know you're always there...
there to catch me when I fall... there to listen
when I need you, there when I feel alone. I love
you because you understand me... you know how
I feel even when I can't say it... you know I'm not
as strong as I say and still you never let me know
that I'm not fooling you. I love you because you
make me believe, believe that I am not
worthless... believe that I can be loved, am loved,
and can love others. I love you because you
know, you know I feel this way but can't say it
and still you wait... letting me take my time to
come to terms with the fact that I love you...
would give my life up to be with you... and about
all... never hurt you... lie to you... or leave you.
Now I hope you understand.

A Night at the Opera Sir Denis Forman,1998-09-01 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea s Adriana Lecouvreur to Mozart s Die Zauberfl te For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of Fidelio is a bit of a mess while the last scene of Don Giovanni towers above the comic finales of Figaro and Cos and whether or not it is Mozart s greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A

glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience s applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come

many feelings she has felt through the many years of her life Some are sad and some are hopeful and there are others that tell her story in rhyme that is simple and are written for ordinary people who often feel as she feels Maybe in some of the poems they can find a part of themselves or relive some memories they have long forgotten but would like to revisit May these words bring some joy to others and that is one reason the author has published this book *Tar and feathers* Victor Rubin,2025-03-02 In *Tar and Feathers* Victor Rubin crafts a poignant and evocative narrative that delves into the complexities of public shaming and the moral dilemmas surrounding justice in society Set against a backdrop of contemporary social upheaval the book employs a lyrical prose style that intertwines psychological depth with sharp social commentary Rubin s adept use of metaphor and allegory invites readers to reconsider their perceptions of guilt and innocence compelling us to navigate the murky waters of mob mentality and individual ethics in a world where digital and real life consequences collide Victor Rubin a scholar of social justice issues and an advocate for ethical discourse draws on his extensive background in sociology to explore the themes presented in this work His unique insights stem from his own experiences observing social movements lending the narrative an authenticity that resonates with current global conversations Rubin s ability to seamlessly blend academic rigor with engaging storytelling makes *Tar and Feathers* not only a thought provoking read but also a significant cultural commentary This book is recommended for readers who seek to engage with pressing societal issues through a literary lens It challenges us to reflect on our own values and the systems that govern our actions *Tar and Feathers* is an essential read for anyone interested in the interplay of morality justice and the human condition *Songs in the masque of Alfred* Thomas Augustine Arne,1756 **Trailblazer, Tony Smits Bible**
