Long Road To Delano:

Long Road to Delano Sam Kushner, 1975 **The Ingenious Simpleton** Delia Méndez Montesinos, 2013-12-05 This book analyzes the role of the theatrical simpleton in the pasos of the sixteenth century playwright Lupe de Rueda in Mario Moreno's character Cantinflas and in the esquiroles of the 1960s Actos of the Teatro Campesino Spanning multiple regions and time periods this book fills an important void in Spanish and theatrical studies **César Chávez** Kathlyn Gay, 2017-07-15 César Ch vez is best known for uniting Mexican American farmworkers and for his efforts to obtain civil rights for his people He followed the nonviolent methods of Mahatma Gandhi and Martin Luther King Jr A dedicated stubborn religious leader Ch vez stuck to his cause in spite of tremendous obstacles With numerous documented quotes from Ch vez union members and even Pope Paul VI the Ch vez story recounts his difficult early life and how he inspired countless people to advocate for farmworker justice Students will be guided through their reading with a glossary of important words a timeline and references for further reading on the topic *Little Manila Is in the Heart* Dawn Bohulano Mabalon, 2013-06-17 A history tracing the growth of Stockton California's Filipina o American community the birth and eventual destruction of the neighborhood of Little Manila and recent efforts to remember and preserve it **Making Aztlán** Juan Gómez-Quiñones, Irene Vásquez, 2014-04-30 This book provides a long needed overview of the Chicana and Chicano movement's social history as it grew flourished and then slowly fragmented The authors examine the movement's origins in the 1960s and 1970s showing how it evolved from a variety of organizations and activities united in their quest for basic equities for Mexican Americans in U S society Within this matrix of agendas objectives strategies approaches ideologies and identities numerous electrifying moments stitched together the struggle for civil and human rights Gómez Quiñones and Vásquez show how these convergences underscored tensions among diverse individuals and organizations at every level Their narrative offers an assessment of U S society and the Mexican American community at a critical time offering a unique understanding of its civic progress toward a more equitable social order **The New Left and Labor in 1960s** Peter B. Levy, 2024-04-22 It is a powerful story the relationship between the 1960s New Left and organized labor was summed up by hardhats confronting students and others over US involvement in Vietnam But the real story goes beyond the Love It or Leave It signs and melees involving blue collar types attacking protesters Peter B Levy challenges these images by exploring the complex relationship between the two groups Early in the 1960s the New Left and labor had cooperated to fight for civil rights and anti poverty programs But diverging opinions on the Vietnam War created a schism that divided these one time allies Levy shows how the war combined with the emergence of the black power movement and the blossoming of the counterculture drove a permanent wedge between the two sides and produced the polarization that remains to this day **The Original Writings of Philip Vera Cruz** Sid Amores Valledor, 2006 Philip's works and thinking has a transnational character an important contribution to Filipino American history provides a window to the world of the manongs who were

exploited by the agribusiness industry and growers as well as to the roots of their militancy enjoyed reading it very much

The Rhetorical Career of Cesar Chavez John C. Hammerback, Richard J. Jensen, 2003-04 Although born into one of the least powerful segments of American society Cesar Chavez led the farm labor movement to unprecedented heights His powerful effect on audiences is well known but award winning scholars John C Hammerback and Richard J Jensen offer the first explanation of how Chavez achieved that effect Although other studies of Chavez exist none has examined so thoroughly his rhetoric nor analyzed in depth such a large number of Chavez's own texts scores of which have previously been unstudied Chavez was an indefatigable speaker writer and non discursive communicator who developed a well thought out approach to his rhetorical discourse and placed his speaking and writing at the very center of his career By merging thought and character in his themes arguments and explanations and in his first and second personae Chavez was able to identify with the character of his listeners That identification induced many audience members to support Chavez's agenda for union activism The authors have developed a model to help explain Chavez's startling transformation of some audiences and persuasion of others Hammerback and Jensen reveal that Chavez's world view motivated him to work tirelessly and directed him to the particular rhetorical qualities and techniques that characterized his discourse The authors also demonstrate Chavez's surprising effectiveness as a rhetor despite his soft spoken style uncharacteristic of most powerful orators

The Eagle Has Eyes José Angel Gutiérrez, 2019-03-01 This book is the first of its kind to bring transparency to the FBI's attempts to destroy the incipient Chicano Movement of the 1960s While the activities of the deep state are current research topics this has not always been the case The role of the U S government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers This book utilizes declassified files from the FBI to investigate the agency's role in thwarting Cesar E Chavez's efforts to build a labor union for farm workers and documents the roles of the FBI California state police and local police in assisting those who opposed Chavez Ultimately *The Eagle Has Eyes* is a must read for academics and activists alike
