as you cross the threshold you step straight into the sunshine and storm of the French Renaissance Dense with literary associations and historical echoes James s prose brings castles and cathedrals and old walled towns to life In his glancingly precise visual evocations of terrain and cityscape he realizes his ambition to sketch without a palette or brushes Henry James loved Italy a beautiful disheveled nymph to England s good married matron The incisive and witty essays in Italian Hours 1909 describe memorably happy sojourns in Venice Rome and Florence and excursions to Siena Assisi Perugia Capri Ravenna and other Italian cities Nowhere do art and life seem so interfused as in Venice wrote James in celebration of the splendor of Venetian light and color air and history He records his radiant impressions of Roman churches and aqueducts museums and fountains and rambles through the gardens of the Villa Borghese in spring when Rome seems lighted with an irresistible smile All these essays are filled with James s intense pleasure in Italian places and people This volume concludes with sixteen essays on such varied places as Switzerland Holland Rheims and the Pyr n es including a memorable account of the American volunteer ambulance corps in Europe during World War One LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries The Complete Plotto: A Tested and Proven Method of Plot Suggestion and Content Structure for Writers of Creative Fiction William Wallace Cook,2017-10-08 How to Write A Novel Every Week The trick is in coming up with enough plots A wildly prolific early 20th century pulp writer William Wallace Cook was a writing machine At times he did indeed regularly turn out a full novel every week for weeks at a time While he set the bar for pulp fiction he was also passionate about the process of writing itself Keeping notes on index cards he was able to distill the process of plotting down to a simple but thorough manual Plotto Why should you have a copy around your writing office As Cook tells it Plotto is the greatest single aid in plotting ever offered writers Make up your mind now to give Plotto and this manual the time it deserves The best known writers in the world own and use Plotto Alfred Hitchcock was an early student so was Earl Stanley Gardner Robert Silverberg also gave a great review of the book This edition includes the seven lessons in Plotto Instruction Manual Also available in Trade paperback *Take Charge!* Edie Milligan,2001-10 Take Charge A Woman s Guide to a Secure Retirement puts retirement planning in the context of essential life decisions every woman must make Topics include viewpoints philosophies and myths about retirement from a woman s point of view how women are living out and in some cases out living their retirement and learning from their successes and failures the what ifs of retirement common situations and questions identifying how much will be needed and compensating for taxes and inflation investing for retirement pensions social security and tax traps and plotting and updating your strategy *How to Be Happy at Work* Annie McKee,2018-08-21 Life s too short to be unhappy at work I m working harder than I

ever have and I don't know if it's worth it anymore. If you're a manager or leader, these words have probably run through your mind. So many of us are feeling fed up, burned out, and unhappy at work. The constant pressure and stress, the unending changes, the politics, people feel as though they can't give much more, and performance is suffering. But it's work after all, right? Should we even expect to be fulfilled and happy at work? Yes, we should, says Annie McKee, coauthor of the bestselling *Primal Leadership*. In her new transformative book, she makes the most compelling case yet that happiness and the full engagement that comes with it is more important than ever in today's workplace, and she sheds new light on the powerful relationship of happiness to individual, team, and organizational success. Based on extensive research and decades of experience with leaders, this book reveals that people must have three essential elements in order to be happy at work: A sense of purpose and the chance to contribute to something bigger than themselves; A vision that is powerful and personal, creating a real sense of hope; Resonant, friendly relationships. With vivid and moving real-life stories, the book shows how leaders can use these powerful pillars to create and sustain happiness, even when they're under pressure. By emphasizing purpose, hope, and friendships, they can also ensure a healthy, positive climate for their teams and throughout the organization. *How to Be Happy at Work* deepens our understanding of what it means to be truly fulfilled and effective at work and provides clear, practical advice and instruction for how to get there, no matter what job you have.

Stories Behind the Best-loved Songs of Christmas Ace Collins, 2001. Describes the origins of thirty-one famous Christmas songs, including "Jingle Bells," "O Holy Night," and "Rudolph the Red-Nosed Reindeer," and provides the lyrics to each.

Cicero's Skepticism and His Recovery of Political Philosophy Walter Nicgorski, 2016-08-11. This book explores Cicero's moral and political philosophy with great attention to his life and thought as a whole. The author thinks through Cicero with a close reading of his most important philosophical writings. Nicgorski often resolves apparent tensions in Cicero's thought that have posed obstacles to the appreciation of his practical philosophy. Some of the major tensions confronted are those between his Academic skepticism and apparent Stoicism; between his commitment to philosophy and to politics, rhetoric, and oratory; and between his attachment to Greek philosophy and his profound engagement in Roman culture. Moreover, the key theme within Cicero's writings is his intended recovery within his Roman context of both the Socratic focus on great questions of practical philosophy and Socratic skepticism. Cicero's recovery of Socratic political philosophy in Roman garb is then the basis for recovery of Cicero as a notable political thinker relevant to our time and its problems.
