Long Red Scarf:

The Long Red Scarf Nette Hilton, 1987 After all his female relatives refuse to knit him a scarf as they go on about their business driving the cows building a crib Grandfather learns to knit himself *Tintin in the New World* Frederic Tuten, 2005 Acclaimed author Frederic Tuten boldly revives the well loved character Tintin the eternally youthful protagonist from Belgian artist Herge's popular comic book series *The Adventures of Tintin* and leads him into an adventure like none he has experienced before Once again joined by Captain Haddock and his little dog Snowy the intrepid world traveler Tintin embarks on a mysterious journey to Machu Picchu in Peru But where danger and intrigue have met him before this voyage brings new perils and enchantments **Goody Hall** Natalie Babbitt, 2010-10-12 An out of work actor Hercules Feltwright stumbles into a job tutoring Willet Goody the only child of a widow living in a large lonely house Willet quickly involves his tutor in the search to discover the truth about his father The mystery unfolds with the discovery of hidden treasure a gypsy's dance and the frightening exploration of the tomb of Midas Goody *This is Not Just a Painting* Bernard Lahire, 2019-04-15 In 2008 the Musée des Beaux Arts de Lyon acquired a painting called *The Flight into Egypt* which was attributed to the French artist Nicolas Poussin Thought to have been painted in 1657 the painting had gone missing for more than three centuries Several versions were rediscovered in the 1980s and one was passed from hand to hand from a family who had no idea of its value to gallery owners and eventually to the museum A painting that had been sold as a decorative object in 1986 for around 12 000 euros was acquired two decades later by the Musée des Beaux Arts de Lyon for 17 million euros What does this remarkable story tell us about the nature of art and the way that it is valued How is it that what seemed to be just an ordinary canvas could be transformed into a masterpiece that a decorative object could become a national treasure This is a story permeated by social magic the social alchemy that transforms lead into gold the ordinary into the extraordinary the profane into the sacred Focusing on this extraordinary case Bernard Lahire lays bare the beliefs and social processes that underpin the creation of a masterpiece Like a detective piecing together the clues in an unsolved mystery he carefully reconstructs the steps that led from the same material object being treated as a copy of insignificant value to being endowed with the status of a highly prized painting commanding a record breaking price He thereby shows that a painting is never just a painting and is always more than a piece of stretched canvas to which brush strokes of paint have been applied this object and the value we attach to it is also the product of a complex array of social processes with its distinctive institutions and experts that lies behind it And through the history of this painting Lahire uncovers some of the fundamental structures of our social world For the social magic that can transform a painting from a simple copy into a masterpiece is similar to the social magic that is present throughout our societies in economics and politics as much as art and religion a magic that results from the spell cast by power on those who tacitly recognize its authority By following the trail of a single work of art Lahire interrogates the foundations on which our perceptions of value and our belief in institutions rest and exposes the

forms of domination which lie hidden behind our admiration of works of art Roux the Day Linda Wiken,2017-03-07 In the latest mystery from the author of *Toasting Up Trouble* the Culinary Capers dinner club is back in business when a charity casino event makes a real killing Event planner Jennifer J J Tanner is planning a cruise ship casino night and she's really going overboard She even arranged for radio DJ Connor Mac and TV personality Miranda Myers to help the good times roll But the party comes to a screeching halt when Miranda is found dead on the main deck With a boatload of suspects the police focus in on J J who though recently linked with Connor never knew he was once engaged to Miranda With Half Moon Bay's gossip mill running full tilt J J turns to her fellow dinner club members to help fish for clues and keep herself out of hot water INCLUDES DELICIOUS RECIPES *Marinating in Murder* Linda Wiken,2018-03-06 The third in a delicious series featuring a dinner club that tries out new recipes while trying to catch a killer The Culinary Capers Dinner Club is planning a fall picnic for their next meeting What could be better than sharing delicious food with friends under a beautiful autumn sky But when club member Alison Malkovich opens the back of her SUV to load in the picnic supplies she finds a dead body To make things worse it's the body of her ex husband and now she's the prime suspect Because Alison is a police officer she is suspended and warned not to do any investigating of her own That's not about to stop J J and the Culinary Capers gang though They know that Alison is innocent and after all they do have some experience solving crimes INCLUDES DELICIOUS RECIPES **Heartsound** Clare Stevens,2024-04-08 Sixteen year old Chrissie's first love is a girl But it's the eighties and she fears rejection from her rural community so her relationship remains secret When her friend vanishes Chrissie bears her heartache alone Decades later her long lost love resurfaces but all is not as it seems It takes a global pandemic and a brush with death to spark the resolution Chrissie craves Heartsound is a tale of unspoken truths broken promises almost forgotten dreams and hope *The Big One* David Littlejohn,2011 The Big One follows the lives of nine very different but interrelated characters through the day before the day of and the day after the greatest earthquake ever to hit San Francisco an event expected in the very near future It concludes with a huge internationally televised memorial service for the dead a month later when some of the mysteries that tie together these tormented people are resolved This appears to be a novel about The Big One the great earthquake that we've been told will inevitably strike San Francisco But it is really a story about human catastrophe dissolution and the heartbreaking struggle for redemption Littlejohn deftly weaves interconnected and unraveling lives on the brink of cataclysm A bold and mesmerizing novel Paul Zalis author *Who is the River* This is a terrific novel a vivid utterly convincing utterly compelling depiction of the event we've all spent our lives dreading David Littlejohn brings to his tale breathtaking erudition a born storyteller's gift for page turning narration and a native San Franciscan's love for and intimate knowledge of his home town Erik Tarloff author *Face Time* and *The Man Who Wrote the Book* David Littlejohn's *The Big One* dares to imagine a natural catastrophe of unheard of proportions and then pulls the reader irresistibly through it with luminous details and genuinely complex characters In its epic sweep it gives us people from the
