Social Services of General Interest in the EU Ulla Neergaard, Erika Szyszczak, Johan Willem van de Gronden, Markus Krajewski, 2012-10-30 The EU has limited legislative competence in the field of social law. However, the Member States are increasingly modernizing social services and social welfare protection, attempting to make social services more efficient by increasingly looking to the market for the provision of such services. This policy move brings social services into the radar of EU law. The EU response to this sensitive issue has resulted in a piecemeal and fragmented approach towards the treatment of a new policy area of Social Services of General Interest (SSGI) in EU law and policy. This book is a first contribution towards charting how SSGI have emerged as a special category of SGI in the EU, the reaction of the Member States and stakeholders and how policy is being made through new governance processes, carve-outs and safe havens in legislation and soft law, especially in the light of the new values of the EU introduced by the Treaty of Lisbon 2009. It takes an interdisciplinary approach and will be of interest to lawyers, economists and political scientists who are interested in EU policy making as well as practitioners, EU and national policy makers. Ulla Neergaard is Professor of EU law at the Faculty of Law, University of Copenhagen, Denmark. Erika Szyszczak is a Jean Monnet Professor of European Law and personae Professor of European Competition and Labour Law at the University of Leicester, Barrister, Littleton Chambers, UK. Johan W. van de Gronden is Professor of European Law at the Radboud University of Nijmegen, The Netherlands. Markus Krajewski is Professor of Public and International Law at the University of Erlangen-Nuremberg.
