Out There Ben H. English, 2020-10-20 When one opens the pages to this book they step into another world and place and even on occasions another time No matter what you may know about the lower Big Bend or think you know about the lower Big Bend here are thoughts maps and photographs that bring together a heretofore unachieved mosaic of this rugged lonesome land In effect Out There is a work that others simply cannot compare to Whether you might be a first time visitor or have made many a journey into its more remote environs there is so much contained within to both see as well as savor It is a book meant not for sitting on a shelf and gathering dust but one to be read and re read time and again If home is where the

heart is even the first few paragraphs leave no doubt as to where the author's resides And that is only the beginning Excerpt The lower Big Bend area of Texas is rife with surprises both big and small That most are hidden in some way is the very nature of this land like any living creature she conceals her greatest treasures with the greatest zealotry One can take a certain creek or nearly vanished trail or wagon track numerous times but then wander a certain number of feet to either side and a different world opens to you Such was the case with this photo taken during the latter part of one of my prowls between Burro Mesa and Tule Mountain I had started near the pour off and worked my way through Burro Spring and across to Tule Spring both being well worth the effort in their own right The day was crisp and traces of green were sprouting along the lower elevations and the springs were flowing with more water than the uninitiated would think possible After circling through the ruins at Tule Spring and walking along the old earthen dam I pointed my nose along a nigh forgotten trail that once ran northwest to the high side of Tule Mountain where another such dam and sources of water are situated My plan was to move into the very head of Javelina Wash as part of some boots on the ground research concerning my third novel About a quarter mile up from Tule Spring I noticed an unusual splash of white along the northern side of a low dark volcanic hill that sits just northeast of Javelina Wash Sufficiently intrigued I glassed the area with my Leupolds and made a mental note to swing further west on the way back to investigate I could discern craggy chocolate colored boulders and what appeared to be low ground at the base of that hill and just the general feeling that I needed to go and see After nooning at a half way point in the pass between Tule Mountain and Burro Mesa I reversed direction and drifted down a northern branch for Javelina Wash The day had turned glorious with a crystal clear sky above a rainbow of colored rock and ground mixed among the earth shades splashed about for good measure Most folks don't know it but there are parts of the Big Bend that will give the so called Painted Desert a run for its money any day of the week This area is one of them Near where the low hill abruptly ended in white I crossed the dry creek bed and walked into an almost surreal atmosphere Large boulders of that dark volcanic tone were perched in every position imaginable many sitting upon unlikely foundations of small spires formed from the whitish soil It was almost like you had strolled into nature's own trophy room The area was only a couple of acres or so in size at best but oh what a sight to behold while being hidden in plain view And then I passed on through heading upon another course through that same zealous desert I would like to think that I will go there again someday but there is still so much that I know I'll never see in this country And I was burning daylight Adventures in the Big Bend James

Glendinning, Jim Glendinning, 2001-09-01

Big Bend; a Homesteader's Story J. Oscar Langford, Fred Gipson, 1973 To the wild and fabulous country where the Rio Grande makes its big bend J O Langford came in 1909 with his wife and daughter in search of health and a home High on a bluff overlooking the spot where Tornillo Creek pours its waters into the turbulent Rio Grande the Langfords built their home a rude structure of adobe blocks in a land reputed to be inhabited only by bandits and rattlesnakes Big Bend is the story of the Langfords life in the rugged and spectacularly beautiful country which they came to

call their own Langford's account is told with the help of Fred Gibson author of *Old Yeller* and *Hound Dog Man* **Big Bend**

Texas Big Bend area **Exploring the Big Bend Country** Peter Koch, June Cooper Price, 2009-02-17 This collection of
writings and images by the legendary Big Bend photographer offers adventure history personal musings and natural beauty
Photographer naturalist Peter Koch first visited Big Bend National Park in February 1945 on assignment to take promotional
pictures for the National Park Service He planned to spend a couple of weeks and ended up staying for the rest of his life
Koch's magnificent photographs and documentary films introduced the park to people across the United States and remain
an invaluable visual record of the first four decades of Big Bend National Park In this book Koch's daughter June Cooper
Price draws on her father's photographs newspaper columns and journal entries as well as short pieces by other family
members to present his vision and many experiences of the Big Bend The adventure begins with a six day photographic trip
through Santa Elena Canyon on a raft made from agave flower stalks Koch also describes hiking on mountain trails and
driving the scenic loop around Fort Davis wax smuggling and other ways of making a living on the Mexican border ranching
in the Big Bend collaborating with botanist Barton Warnock and the history and beauty of Presidio County the Rio Grande
and the Chihuahuan Desert **Yonderings** Ben H. English, 2017-11-30 It was a time before Terlingua Ranch and chili cook
offs and you could drive a hundred miles without seeing another vehicle or another person The year was 1961 and the tides
of humanity which ebbed and flowed into the lower reaches of the Big Bend were at their historical nadir It was a vast empty
land spotted by isolated ranch headquarters a national park with few visitors and the many ruins of a past shrouded in legend
lore and improbable truths There was no television no daytime radio few telephones and very few people Ben H English came
to the Big Bend at the age of two the fifth of six generations of his family to call this enigmatic region home With his family
headquartered at the old Lajitas Trading Post he worked and lived on ranches and places now little more than forgotten dots
on yellowing maps He attended the one room schoolhouse at Terlingua prowled the banks of the Rio Grande and crisscrossed

the surrounding areas time and again on horseback and by foot Some fifty years later he writes about those many decades ago as well as the history and legends of this singular land he knows so well Ben separates fact from fiction and brings the reader into a world that few these days can ever imagine much less experience He also writes about the lower Big Bend as it is found now and what one can still rediscover just over the next rise
