seeing conspiracies in his sleep But before he can give this well connected fat cat the brush off U S Marshal Custis Long has to do his job and check it out What Longarm finds is a town divided between two factions with him in the middle It s a hard investigation so he saddles up with pretty little fillies who know how to treat a weary marshal right But when Longarm realizes that the commissioner may not be telling tales he s in so much trouble that he s going to have to live up to his reputation in spades **The British National Bibliography** Arthur James Wells,2002 *Longarm* 377 Evans
