Longest Battle The War At Sea 1939 45:

The Longest Battle Richard Hough, Richard Alexander Hough, 1986 The Longest Battle Richard Hough, 2021-10-21
This is the story of the greatest naval conflict in history The Second World War demanded more of its sailors than any other war in history in endurance and unrelenting need to face danger danger from increasingly lethal weapons and an ever increasing need for vigilance by day and night The war at sea the longest battle of the Second World War never ceased From the Arctic Circle to the Pacific the enemy threat was ever present on the surface in the skies and lurking beneath the waves In this comprehensive and compelling history Richard Hough brings the titanic struggle to life Using personal accounts from veterans of all sides his book tells the story of the Second World War at sea including the Battle of the Atlantic and the U boat menace the infamy of Pearl Harbor the American triumph at Midway naval operations in support of D Day and the greatest naval battle of all time Leyte Gulf The definitive book about naval power in the Second World War Richard Hough s masterpiece is essential reading for followers of Max Hastings and James Holland We are in Richard Hough s debt New York Times Utterly absorbing Financial Times The Longest Battle Richard Hough, 1987 **Naval Warfare 1919-45** Malcolm H. Murfett, 2008-11-04 Naval Warfare 1919 45 is a comprehensive history of the war at sea from the end of the Great War to the end of World War Two Showing the bewildering nature and complexity of the war facing those charged with fighting it around the world this book ranges far and wide sweeping across all naval theatres and those powers performing major as well as minor roles within them Armed with the latest material from an extensive set of sources Malcolm H Murfett has written an absorbing as well as a comprehensive reference work He demonstrates that superior equipment and the best intelligence ominous power and systematic planning vast finance and suitable training are often simply not enough in themselves to guarantee the successful outcome of a particular encounter at sea Sometimes the narrow difference between victory and defeat hinges on those infinite variables the individual s performance under acute pressure and sheer luck Naval Warfare 1919 45 is an analytical and interpretive study which is an accessible and fascinating read both for students and for interested members of the general public Burma 1942 Alan Warren, 2011-12-01 In December 1941 Japan set out to seize South East Asia and the western Pacific to complete the building of a self sufficient empire The rapid loss of all of Britain s possessions in the Far East was the culmination of a failed attempt to deal with the rise of Japanese imperialism Britain s bluff was called and millions of Britain s protected subjects in Asia fell into the hands of a brutal occupying power The British fought the Second World War in Burma and India against the backdrop of nationalist unrest and revolt The appalling Bengal famine of 1943 brought about by the loss of Burma s rice crop and the dislocation of government would cause the deaths of many Alan Warren provides a new study of the series of battles that made up the Burma campaign including first hand accounts of the conflict and a fresh examination of the armies and commanders of the major combatants Burma 1942 powerfully demonstrates how victory or defeat in particular battles altered the trajectory of the conflict affecting the lives of

millions **The Ship That Never Was** B.J. BRYAN,2011-03-19 The United States Merchant Marine provided the greatest sealift in history between the production army at home and the fighting forces scattered around the globe in World War II The prewar total of 55 000 experienced mariners was increased to over 215 000 through U S Maritime Service training programs Merchant ships faced danger from submarines mines armed raiders and destroyers aircraft kamikaze and the element About 8 300 mariners were killed at sea 12 00 wounded of whom at least 1 100 died from their wounds and 663 men and women were taken prisoner Some were blown to death some incinerated some drowned some froze and some starved Many died in prison camps or aboard Japanese ships while being transported to other camps 31 ships vanished without a trace to a watery grave Total killed estimated 9 300 **The War at Sea, 1939-1945: The period of balance** Stephen Wentworth Roskill,1957 **Events That Formed the Modern World** Frank W. Thackeray,John E. Findling,2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials What were the effects of the Age of Exploration on today s ethnic groups and social structure How did the development of moveable type pave the way for Facebook and Twitter Why is the Reformation so critical for understanding today s religious controversies This set will help readers answer these questions by exploring the most significant historical events of the modern world This five volume set covers times from the Renaissance to the present Each volume focuses on a specific historic period and examines 12 events within those time frames that changed the world Each entry provides an introduction that lays out factual material in a chronological manner an in depth essay interpreting the event s significance and an annotated bibliography of the most important current works on the topic Select entries are followed by primary sources pertaining to the event under consideration such as diary entries Targeted to both general readers as well as entry level university students this book also directly supports high school and undergraduate curricula allowing students to identify and contextualize events in order to think critically about their causes aftermath and legacy **Fortune's Turn** David Pollard,2024-07-04 The year 1942 began with disaster for the Allies but paved the way to victory World War II was a conflict over land and resources but also democracy and freedom The 1920s and 30s had seen liberal democracy losing the fight against challengers from the Left and Right By the end of the 1930s Hitler had destroyed the few functioning democracies in Europe and at the end of 1941 the future looked bleak even as the US entered the war after the attack on Pearl Harbour But the year that began in such fear ended with the Allies winning victories everywhere on land on the sea and in the air Discover what caused this drastic change of fortunes in the war and its long term consequences **Best Little Stories from World War II** C. Brian Kelly,2010-11 The untold stories of bravery triumph and redemption in the depths of the darkest world war Behind the great powers global military conflict and infamous battles are more than 100 incredible stories that bring to life the Second World War During the six years of war were countless little known moments of profound triumph and tragedy

bravery and cowardice and good and evil These amazing and unbelievable stories of brotherhood redemption escape and civilian courage shed new light on the war that gripped the entire world Experience the action through the eyes of people like Lieutenant Jacob Beser who was aboard both the Enola Gay and Bock's Car and felt the force of the shockwave that nearly destroyed the planes after dropping the H bombs that obliterated Hiroshima and Nagasaki Professor William Miller who collapsed during a death march of POWs in Germany and was saved by the same man who had rescued him from what would have been a fatal car wreck in Pennsylvania five years earlier The brave civilians who answered the British Admiralty's call to help rescue an army from Dunkirk during the height of a dangerous battle and sailed small fishing boats into relentless German fire ultimately saving 335 000 men from This is the perfect book for any history buff looking for the untold stories of military and civilian daring during World War 2

The Forgotten Heroes Brian Herbert, 2005-05 The United States Merchant Marine has a tradition of being in the forefront of every American military action and has served with distinction in every conflict New York Times bestselling author Brian Herbert chronicles the amazing exploits of these gallant seamen assembling a fascinating array of data from historical documents government records diaries and interviews with surviving veterans This brilliant history details the heroism self sacrifice and grim determination that have always been the hallmark of the United States Merchant Marine Herbert also reveals one of the great injustices of American history The civilian fighters of the Merchant Marine performed feats of extraordinary bravery during World War II they were the lifeline of the entire Allied war effort delivering troops materiel food fuel and every essential needed for victory over the Axis In doing so the Merchant Marine suffered losses so high that the casualty rates were kept secret At war's end the men and women of every other service branch were honored by parades and given medical and educational benefits but the members of the Merchant Marine who were so vital to our victory have received neither the benefits nor the recognition they deserved Herbert is part of a growing movement across the United States to right the wrong The Forgotten Heroes is a history of these unsung heroes and a plea for justice

Scapegoat Martin Stephen, 2014-08-30 Scapegoat The Death of Prince of Wales and Repulse is a radical new account of one of Britain's greatest naval disasters Making full use of modern research and unrivalled access to private family papers it suggests that Admiral Sir Tom Phillips the commander of the so called Force Z was made the scapegoat for a battle in which he was blameless and that Winston Churchill the Admiralty and chronic failures in ship design and Intelligence were what sank the ships The book also shows what a very close run thing the sinkings were and how Japanese success depended on them having luck on their side Scapegoat is a convincing attempt to right a wrong that has been allowed to stand for over 70 years as well as a prime illustration of the way in which the Establishment always protects itself first

British Strategy and Politics during the Phony War Nick Smart, 2003-02-28 The so called Phony War from September 1939 to May 1940 occupies a peculiar yet distinct place in popular memory All the sensations of war except the fighting were present yet instead of massed air attacks and great land battles very little

happened The British government was said to be complacent and the people downright bored Then France fell to German attack and the small British army was evacuated minus its equipment from Dunkirk Reaction to this major strategic catastrophe was naturally to blame the men deemed guilty for bringing the nation to the verge of humiliating defeat In sharp contrast to previous studies Smart argues that there was more to the phony war than governmental complacency that the period was more than a foolish or frivolous ante chamber to a later more heroic phase The extent to which the guilty men verdict on the first nine months of Britain s Second World War has stuck remains surprising The notion that the phony war was a necessary indeed over determined prelude to catastrophe has become cemented over time Examining the workings of the Anglo French leadership during this period Smart picks this thesis apart and argues that disaster was not necessarily still less inevitably just around the corner He concludes that Anglo French decision making during this time was basically sound that the soldiers were well equipped and in good heart and that there was no malaise eating away at the entente This study offers a challenging reappraisal of the phony war from a British perspective *The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual* Ron Martini,2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can t understand terms like head deck and overhead and who think SOS is a distress signal *Historical Dictionary of the United States Navy* James M. Morris,Patricia M. Kearns,2011-04-01 The United States Navy has evolved in the last century and a half from humble and often frustrating beginnings during and after the Revolutionary War to become the strongest navy in the world with responsibilities that span the globe The story of the Navy from its birth through the Civil War and other 19th century conflicts through its victories of World War I and World War II and down to the current efforts in the Middle East to maintain the peace not only for the United States but also for other nations as the world s primary peace keeper has been one of responding to the call of duty as captured by its unofficial motto Non sibi sed patriae Not self but country No other nation s navy past or present can match its successes and history The second edition of *Historical Dictionary of the United States Navy* covers U S Naval developments personnel and engagements from the colonial times to the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on people places events and other terminology of the Navy This book is an excellent access point for students researchers and anyone wanting to know more about the United States Navy *The Marine Corps Gazette* ,1988 *Air Power Versus U-Boats - Confronting Hitler's Submarine Menace In The European Theater [Illustrated*

Edition] A. Timothy Warnock, 2014-08-15 Includes over 14 photos and maps More than fifty years after World War II America's major air power contribution to the war in Europe in efforts such as Big Week Regensburg and Patton's dash across Europe live on in the memories of airmen and students of air power Never before had air forces performed so many roles in so many different types of operations Air power proved to be extremely flexible wartime missions included maintaining air superiority controlling the air space over the battlefield strategic bombardment destroying the enemy's industrial and logistical network air ground support attacking targets on the battlefield and military airlift delivering war materiel to distant bases Perhaps one of the least known but significant roles of the Army Air Forces AAF was in antisubmarine warfare particularly in the European African Middle Eastern theater From the coasts of Greenland Europe and Africa to the mid Atlantic AAF aircraft hunted German U boats that sank thousands of British and American transport ships early in the war These missions supplemented the efforts of the Royal Navy the Royal Air Force Coastal Command and the U S Navy and helped those sea forces to wrest control of the sea lanes from German submarines

World War II in Europe David T. Zabecki, 2015-05-01 World War II defined the 20th century and shaped many events from the decolonization of Africa to the rise and fall of the Berlin Wall This encyclopedia offers a focused overview of this complex and volatile era the circumstances that led up to war the underlying causes its unfolding and consequences Organized for quick and precise access More than 1300 entries by 150 experts are arranged in six sections for easy reference and consultation All the key ideas events actions weapons individuals and organizations that played vital roles in the war are covered from the Axis Pact to the Arab League from the OSS to the Africa Korps from the Chetniks to the Jedburghs from the battle of Kursk to Operation Mincemeat from Bill Donovan to Otto Skorzeny from Gestapo to SMERSH from Georgi Zhukov to Jean Leclerc from the 88 gun to the Norden Bombsight Covers important neglected subjects The Encyclopedia puts special emphasis on the often neglected operations in Eastern Europe and Russia A key section inspects and rates all the major weapons with handy tables for easy comparison And in recognition of the first large scale participation of women in the war the volume thoroughly documents their individual and unit contributions to the Allied effort Finally the encyclopedia discusses battlefield realities that explain for example why the airborne drops at Normandy succeeded and the ones at Arnheim failed A bibliography glossary maps photographs and weapons and data tables enhance the coverage Also includes 16 maps

The War Against Japan, 1941-1945 John J. Sbrega, 2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with

the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru

A History of the Laws of War: Volume 2 Alexander Gillespie, 2011-10-07 This unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day Relying on written records from as far back as 2400 BCE and using sources ranging from the Bible to Security Council Resolutions the author pieces together the history of a subject which is almost as old as civilisation itself The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and ascribing rules to them protecting civilians who are either inadvertently or intentionally caught up between them and controlling the use of particular classes of weapons that may be used in times of conflict Thus it is that this work is divided into three substantial parts Volume 1 on the laws affecting combatants and captives Volume 2 on civilians and Volume 3 on the law of arms control This second book on civilians examines four different topics The first topic deals with the targetting of civilians in times of war This discussion is one which has been largely governed by the developments of technologies which have allowed projectiles to be discharged over ever greater areas and attempts to prevent their indiscriminate utilisation have struggled to keep pace The second topic concerns the destruction of the natural environment with particular regard to the utilisation of starvation as a method of warfare and unlike the first topic this one has rarely changed over thousands of years although contemporary practices are beginning to represent a clear break from tradition The third topic is concerned with the long standing problems of civilians under the occupation of opposing military forces where the practices of genocide collective punishments and or reprisals and rape have occurred The final topic in this volume is about the theft or destruction of the property of the enemy in terms of either pillage or the intentional devastation of the cultural property of the opposition As a work of reference this set of three books is unrivalled and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself

Longest Battle The War At Sea 1939 45 Introduction

In today's digital age, the availability of Longest Battle The War At Sea 1939 45 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Longest Battle The War At Sea 1939 45 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Longest Battle The War At Sea 1939 45 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Longest Battle The War At Sea 1939 45 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Longest Battle The War At Sea 1939 45 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Longest Battle The War At Sea 1939 45 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Longest Battle The War At Sea 1939 45 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Longest Battle The War

At Sea 1939 45 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Longest Battle The War At Sea 1939 45 books and manuals for download and embark on your journey of knowledge?

FAQs About Longest Battle The War At Sea 1939 45 Books

1. Where can I buy Longest Battle The War At Sea 1939 45 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
