exist and find meaning in lives defined by what we buy In this warped world saturated by advertising and materialism where everything can be bought from personality and physical traits to religion and self fulfillment Joanne and Farah two very different women form a friendship both bonded in and ultimately destroyed by the manipulations of consumer culture Joanne has everything the commercials say you should want confidence a carefree life happiness to excess Farah is a self loathing envious germophobic malcontent Through a shared metaphysical dream experience that spills over into their increasingly troubled day to day lives these best friends find themselves consumed by their equal and opposite obsessions Widely regarded as Polish literary sensation Mas owska s best novel yet Honey I Killed the Cats is a powerfully emotional hilariously grotesque satire of Western consumer culture and the trends that go along with it To Touch the Whale Lynne Mitchell,2008-12-30 Life along the bay is slow and hot and full of deep rooted memories For all those that live along this sandy shore they have to be weather tough and strong as the salt encrusted shells to survive the hard tide pull of their lives Katherine an unfulfilled artist goes to a cabin by the bay to rediscover her art and her life before it is too late For some the dark reflective waters can reveal too much but Katherine is determined to dive in and confront the faces of her past and cut loose the anchors that have left her feeling stranded in place Along the way she is helped by Annie and Amos two old survivors with stories of their own Together they will peer into the slow hot tides of this Southern coast and see things which for some can take nearly a lifetime to see at all Breakthroughs in College Reading Nelson Graff,Nika Hogan,Rebecca Kersnar,2024-09-05 How do we help college students become independent learners in their disciplines In this collection the editors and contributors argue that we do so by supporting students in learning from texts which entails recognizing reading as a problem solving process supporting students to take responsibility for the intellectual work in their classes and creating strong classroom communities that help students develop identities as scholars **I, A Dumb Boy** P.
