Longford Its People:

The Outlook ,1912 **Winning and Losing** Doris Schmied,2022-05-05 Instigated by technological and political change Europe s rural areas have undergone profound and all pervasive restructuring processes Although the impact of these processes has often been depicted negatively this is not always the case Bringing together a range of comparative case studies from France Finland Germany Greece Ireland Spain Sweden Portugal the UK and other countries this book provides a comprehensive and balanced picture of rural change over the past five decades It explores which aspects of the European countryside have benefited and which have suffered as a consequence of the often contradictory forces of restructuring The book looks into economic aspects as well as into the social impact of rural change The final part examines regional issues and illustrates how different rural areas have responded to the transformative pressures **The Institute of Pacific Relations** John Merle Davis,1926 Reports from Committees Great Britain.
