Longman Anthology Of Short Fiction Masterpieces Of Short Fiction:

Thematic Guide to Popular Short Stories Patrick A. Smith, 2002-10-30 Providing easy access to information on nearly 450 short stories this unique guide surveys a wide spectrum of world literature canonical works and contemporary fiction Librarians and teachers will find multiple purposes for this expertly compiled resource which can be employed in much the same way as a standard bibliography Educators will appreciate the concise annotations arranged alphabetically by author that form the core of this work Insightful critical statements synthesize plot summaries and identify the thematic content of each short story A theme guide utilizes the nearly 100 theme headings matching those at the start of each entry allowing the user to quickly locate story titles on related themes and construct reading lists based on individual interests and needs Another component designed to aid librarians offers one bibliography that lists the anthologies from which the stories are drawn Works Cited and one comprised of a number of recent anthologies that can be adapted for the classroom Further Reading In addition to the theme index the general subject and author indexes make this a user friendly and invaluable resource *Longman Anthology of Short Fiction* Gioia, 1999-08-01 **Telling Stories**, 2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer's Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research The Longman Masters of Short Fiction, 2002 An anthology meant to emphasize the individual human origins of great fiction built around the lives works and ideas of a diverse group of significant major authors containing 63 stories by 52 authors from approximately 20 countries *Subject Guide to Books in Print*, 2001 *Books in Print Supplement*, 2002 **Department of the Interior and Related Agencies Appropriations for 2005** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 2004 **Department of the Interior and Related Agencies Appropriations for 2005: National Endowment for the Arts, National Endowment for the Humanities** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 2004 **Narratives of Community in the Black British Short Story** Bettina Jansen, 2018-08-16 Narratives of Community in the Black British Short Story offers

the first systematic study of black British short story writing tracing its development from the 1950s to the present with a particular focus on contemporary short stories by Hanif Kureishi Jackie Kay Suhayl Saadi Zadie Smith and Hari Kunzru By combining a postcolonial framework of analysis with Jean Luc Nancy's deconstructive philosophy of community the book charts key tendencies in black British short fiction and explores how black British writers use the short story form to combat deeply entrenched notions of community and experiment with non essentialist alternatives across differences of ethnicity culture religion and nationality *Educational Publication* North Carolina. Department of Public Instruction,1922

The Routledge Concise History of Nineteenth-Century Literature Josephine Guy,Ian Small,2010-11-15 Nineteenth century Britain saw the rise of secularism the development of a modern capitalist economy multi party democracy and an explosive growth in technological scientific and medical knowledge It also witnessed the emergence of a mass literary culture which changed permanently the relationships between writers readers and publishers Focusing on the work of British and Irish authors The Routledge Concise History of Nineteenth Century Literature considers changes in literary forms styles and genres as well as in critical discourses examines literary movements such as Romanticism Pre Raphaelitism Aestheticism and Decadence considers the work of a wide range of canonical and non canonical writers discusses the impact of gender studies queer theory postcolonialism and book history contains useful student friendly features such as explanatory text boxes chapter summaries a detailed glossary and suggestions for further reading In their lucid and accessible manner Josephine M Guy and Ian Small provide readers with an understanding of the complexity and variety of nineteenth century literary culture as well as the historical conditions which produced it The Cambridge Companion to World Literature Ben

Etherington, Jarad Zimble, 2018-11-22 The Cambridge Companion to World Literature introduces the significant ideas and practices of world literary studies. It provides a lucid and accessible account of the fundamental issues and concepts in world literature including the problems of imagining the totality of literature, comparing literary works across histories, cultures, and languages, and understanding how literary production is affected by forces such as imperialism and globalization. The essays demonstrate how detailed critical engagements with particular literary texts call forth differing conceptions of world literature and conversely how theories of world literature shape our practices of readings. Subjects covered include cosmopolitanism, transnationalism, internationalism, scale, and systems, sociological criticism, translation, scripts, and orality. This book also includes original analyses of genres and forms ranging from tragedy to the novel and graphic fiction, lyric poetry to the short story, and world cinema.

The History of British Women's Writing, 1880-1920 Holly A.

Laird, 2016-10-06 The ranks of English women writers rose steeply in the late 19th and early 20th centuries, contributing to the era's revolutionary social movements as well as to transforming literary genres in prose and poetry. The phenomena of the new Woman, New Unionism, New Imperialism, New Ethics, New Critics, New Journalism, New Man, and this moment's touchstones. This book tracks the period's new social phenomena and unfolds its distinctively modern modes of writing. It provides expert introductions amid new insights into women's writing throughout the United Kingdom and around the globe.

Bibliographical Guide to the Study of the Literature of the U.S.A. Clarence Gohdes, Sanford E. Marovitz, 1984 This fifth revised edition features approximately 1,900 items, most of which are annotated. It addresses several interdisciplinary studies that have become prominent in the last decade, especially on popular culture, racial and other minorities, Native Americans, and Chicanos, and literary regionalism. It allots more space to computer-aided science fiction, children's literature, literature of the sea, film, and literature and linguistic studies of American English, and includes a new section on psychology. The appendix lists the biography of each of 135 deceased American authors. ISBN 0 8223 0592 5 22 50. For use only in the library.

The Oxford Handbook of British Romanticism David Duff, 2018 This Handbook provides a comprehensive overview of British Romantic literature and an authoritative guide to all aspects of the movement, including its historical, cultural, and intellectual contexts, and its connections with the literature and thought of other countries. All the major Romantic writers are covered alongside lesser-known writers.

An Introduction to Literature, Criticism and Theory Andrew Bennett, Nicholas Royle, 2014-07-10 Fresh, original, and compelling, *An Introduction to Literature, Criticism and Theory* is the essential guide to literary studies. Starting at the beginning and concluding with the end, the book covers topics that range from the familiar (character, narrative, the author) to the more unusual (secrets, pleasure, ghosts). Eschewing abstractisms, Bennett and Royle successfully illuminate complex ideas by engaging directly with literary works, so that a reading of Jane Eyre opens up ways of thinking about racial difference, whilst Chaucer, Raymond Chandler, and Monty Python are all invoked in a discussion of literary laughter. Each chapter ends with a narrative guide to further reading, and the book also includes a

glossary and bibliography The fourth edition has been revised to incorporate two timely new chapters on animals and the environment A breath of fresh air in a field that can often seem dry and dauntingly theoretical this book will open the reader's eyes to the exhilarating possibilities of both reading and studying literature
