Lonrho Portrait Of A Multinational

Rémy Herrera

Lonrho Portrait Of A Multinational:

Lonrho - Portrait of a multinational S. Cronjé, G. Cronjé, 1973 **Lonrho** Suzanne Cronjé, Margaret Ling, Gillian Cronjé, 1976 Monograph on the activities and role of UK based multinational enterprise with foreign investments in Africa examines the pattern of industrial integration top management strategy international relations with the OAU and with Arab country activities in Southern Africa etc Map and references **Africa and the International System** Christopher S. Clapham, 1996-09-12 Paying for the state **Understanding World Order and Structural Change** H. Abrahamsson, 2015-12-22 Hans Abrahamsson assesses the current world order and structural change within an historical framework He analyzes the interaction of Pax American and the Bretton Woods system in the postwar period and its impact specifically on the development of Southern Africa The author also proposed an analytical model and a methodological framework for the study of the international political economy and its global and local implications Finally he addresses the circumstances behind the current opportunity for global change and the social forces and political action required in order to seize it *Conflicting Missions* Piero Gleijeses, 2011-03-01 This is a compelling and dramatic account of Cuban policy in Africa from 1959 to 1976 and of its escalating clash with U S policy toward the continent Piero Gleijeses s fast paced narrative takes the reader from Cuba s first steps to assist Algerian rebels fighting France in 1961 to the secret war between Havana and Washington in Zaire in 1964 65 where 100 Cubans led by Che Guevara clashed with 1 000 mercenaries controlled by the CIA and finally to the dramatic dispatch of 30 000 Cubans to Angola in 1975 76 which stopped the South African advance on Luanda and doomed Henry Kissinger s major covert operation there Based on unprecedented archival research and firsthand interviews in virtually all of the countries involved Gleijeses was even able to gain extensive access to closed Cuban archives this comprehensive and balanced work sheds new light on U S foreign policy and CIA covert operations It revolutionizes our view of Cuba s international role challenges conventional U S beliefs about the influence of the Soviet Union in directing Cuba s actions in Africa and provides for the first time ever a look from the inside at Cuba s foreign policy during the Cold War Washington Post Book World Gleijeses s research bluntly contradicts the Congressional testimony of the era and the memoirs of Henry A Kissinger After reviewing Dr Gleijeses s work several former senior United States diplomats who were involved in making policy toward Angola broadly endorsed its conclusions New York Times With the publication of *Conflicting Missions* Piero Gleijeses establishes his reputation as the most impressive historian of the Cold War in the Third World Drawing on previously unavailable Cuban and African as well as American sources he tells a story that s full of fresh and surprising information And best of all he does this with a remarkable sensitivity to the perspectives of the protagonists This book will become an instant classic John Lewis Gaddis author of *We Now Know Rethinking Cold War History* Based on unprecedented research in Cuban American and European archives this is the compelling story of Cuban policy in Africa from 1959 to 1976 and of its escalating clash with U S policy toward the continent Piero Gleijeses sheds new

light on U S foreign policy and CIA covert operations revolutionizes our view of Cuba s international role and provides the first look from the inside at Cuba s foreign policy during the Cold War **The Third Portuguese Empire, 1825-1975** W. G. Clarence-Smith,1985 The Rise and Decline of the Zairian State Crawford Young,Thomas Edwin Turner,1985 Zaire apparently strong and stable under Presdident Mobutu in the early 1970s was bankrupt and discredited by the end of that decade beset by hyperinflation and mass corruption the populace forced into abject poverty Why and how in a new african state strategically located in Central Africa and rich in mineral resources did this happen How did the Zairian state become a parasitic predator upon its own people **The Labour Monthly** Rajani Palme Dutt,1977 Includes section Book reviews

Imperialism and Transitions to Socialism Rémy Herrera,2021-09-30 This collection of essays is designed to shed light on the issues of imperialism and the transitions to socialism Delving into the theoretical aspects whose analysis is key for understanding the subject under consideration and practical experiences of socialist transition in China Vietnam North Korea Cuba Venezuela Ecuador and Brazil *Merchants to Multinationals* Geoffrey Jones,2002-03-07 Merchants to Multinationals examines the evolution of multinational trading companies from the eighteenth century to the present day During the Industrial Revolution British merchants established overseas branches which became major trade intermediaries and subsequently engaged in foreign direct investment Complex multinational business groups emerged controlling large investments in natural resources processing and services in Asia Latin America and Africa While theories of the firm predict the demise over time of merchant firms this book identifies the continued resilience of British trading companies despite the changing political and business environments of the twentieth century Like Japanese trading companies they re invented themselves in successive generations The competences of the trading companies resided in their information gathering relationship building human resource and corporate governance systems This book provides a new dimension to the literature on international business through the focus on multinational service firms and its evolutionary approach based on confidential business records **Kenyan Foreign and Security Policies** Kipyego Cheluget,Stephen Wright,2025-10-16

Kipyego Cheluget and Stephen Wright evaluate the legacy of Kenya s first president Jomo Kenyatta Following a nationalist uprising and brutal colonial repression Kenya became independent in December 1963 With much of the agricultural land still under European settler control Jomo Kenyatta promoted foreign and security policies to balance Kenyan African and settler interests attracting foreign investment into the new country Kenyatta s programs however favored the West and established a growing need for British and American security guarantees to sustain Kenya in an increasingly unstable Eastern African region In this book Cheluget and Wright show that despite the growing pressures within Kenyan civil society for diversification of policies and redistribution of economic wealth Kenyatta consistently maintained pro western policies until his death in 1978 This book is split into 3 parts Part I discusses the growth of Kenyan nationalism the end of the colonial era and the birth of the Kenyan State Part II considers the political economy and development strategies of the Kenyan State Part

III assesses the degree of continuity of the succeeding leadership portrayed from the Jomo Kenyatta presidency Through this detailed analysis the authors examine Kenyatta s policies and examine how successive Kenyan presidents have largely maintained his policies and venerated his legacy *Colonialism* Melvin E. Page,2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism s bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered **LM, Labour Monthly** ,1977 *Making Of A Sugar Giant* Philippe Chalmin, Erica E. Long-Michalke,2022-02-22 First Published in 1990 This is a revised and updated second version for English translation from French by Erica E Long Michalke Sugar provides a fascinating example of an international commodity and this book deals with the history both of a multinational company and of the world sugar economy It describes the emergence in the nineteenth century of the two family companies of Henry Tate and Abram Lyle By 1914 they were the largest and most prosperous sugar refining businesses in the British Empire In 1921 they amalgamated and became after the Second World War pre eminent in the world sugar economy The book s final chapter covers the company s most recent acquisitions and demonstrates the management strategy of Tate Lyle in its relations with the developed and developing worlds [A History of Malawi, 1859-1966](#) John McCracken,2012 This title features a general history of Malawi focusing mainly on the colonial period when it was know as Nyassaland but placing that period in the context of the pre colonial past **ZANU (PF) and Economic Independence** Cain Mathema,1994 *The Making of a Sugar Giant* Philippe Chalmin,1990 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company **Executive** ,1999 *Postcolonial Transition and Global Business History* Stephanie Decker,2022-11-30 British multinationals faced unprecedented challenges to their organizational legitimacy in the middle of the twentieth century as the European colonial empires were dismantled and institutional transformations changed colonial relationships in Africa and other parts of the world This book investigates the political networking and internal organizational changes in five British multinationals United Africa Company John Holt Co Ashanti Goldfields Corporation Bank of West Africa and Barclays Bank DCO These firms were forced to adapt their strategies and operations to changing institutional environments in two English speaking West African countries Ghana formerly the

Gold Coast and Nigeria from the late 1940s to the late 1970s Decolonization meant that formerly imperial businesses needed to develop new political networks and change their internal organization and staffing to promote more Africans to managerial roles This postcolonial transition culminated in indigenization programmes and targeted nationalizations which forced foreign companies to sell equity and assets to domestic investors in the 1970s Postcolonial Transition and Global Business History is the first in depth historical study on how British firms sought to adapt over several decades to rapid political and economic transformation in West Africa Exploring both postcolonial transitions and development discourse this book addresses the topics with regard to business and economic history and will be of interest to researchers academics and students in the fields of organizational change political economy African studies and globalization **Piero Gleijeses'**

International History of the Cold War in Southern Africa, Omnibus E-Book Piero Gleijeses, 2013-12-01 This Omnibus E Book brings together Piero Gleijeses's two landmark books for the first time Visions of Freedom Havana Washington Pretoria and the Struggle for Southern Africa 1976 1991 During the final fifteen years of the Cold War southern Africa underwent a period of upheaval with dramatic twists and turns in relations between the superpowers Americans Cubans Soviets and Africans fought over the future of Angola where tens of thousands of Cuban soldiers were stationed and over the decolonization of Namibia Africa's last colony Beyond lay the great prize South Africa Piero Gleijeses uses archival sources particularly from the United States South Africa and the closed Cuban archives to provide an unprecedented international history of this important theater of the late Cold War Conflicting Missions Havana Washington and Africa 1959 1976 This sweeping history of Cuban policy in Africa from 1959 to 1976 is based on unprecedented research in African Cuban and American archives Among Gleijeses's many sources are Cuban archival materials to which he is the only non Cuban to ever have access Setting his story within the context of U S policy toward both Africa and Cuba during the Cold War Gleijeses challenges the notion that Cuban policy in Africa was directed by the Soviet Union
