Keep Looking Up! Leland Maples, 2015-11-10 When I walked into the Big Spring Federal Prison Camp over thirty years ago I had no idea that God was going to change everything about my life I had no burden for inmates I was only going to teach a Bible class in prison because I could not get out of it For six years I drove 120 miles round trip every Friday night for

that class The last two years of the six we drove back over on Saturday afternoon after visitation to work with the families It was during this time that the prison system began to expand at a rapid pace When we started into the prison in Big Spring it was the only prison west of Fort Worth in the entire state now we have about forty Men with vision like Don Gibson and Emmett Solomon were busy putting people and programs in place to meet the spiritual need of the largest prison system in the free world Linda and I were the greenest of all the volunteers Thank God the good ones took us under their wings and taught us

When I Look Up Ron Gallo,2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with Gods standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom *Looking Up Study Guide* Troy Brewer,2023-01-17 SIGNS IN THE HEAVENS Until the mid 20th century the heavens were the greatest show on Earth Ancient people recognized the same constellations we do today though they understood the signs behind those pictures in the sky in a way that s been lost to us until now Troy Brewer reveals the connection between the story in the stars and the
