Copyright Office,1978 A Look Through My Eyes Tyina Sharp Hopkins,2020-12-18 UNEXPLAINABLE GHOST EXPERIENCES When we reflect over our lives there are pivotal experiences that we keep in our memory Some are good some are bad but there is something about the experience that sticks to our memory banks as if the memory happened yesterday We all have these memories and in some strange way we store these images in our minds and catalog the emotion This journey starts when I was about five years old That s when I started experiencing ghosts paranormal supernatural and continues into the present day Most of my experiences were shared with other people in my family I realize now the importance of sharing these experiences so that other people can relate learn and grow from mutual experiences As I began to write this work I would share the many episodes with my family Some we laughed about others we hope we never go through again but the unanimous consent was that everyone still to this day could remember each event We all had have a different perspective but despite our many views many questions remain the same Some like where these spirits good or did they intend to do harm These questions will be left up to you My goal is to share what I have lived with my entire life My hope is that as I present the chapters of these experiences so that we might learn Lost and Found Srishti Bagh,2021-02-26 Lost and Found is a collection of poems short stories and open letters written by emerging authors from all over India Every writer has inked their own views in a way that you ll feel inspired happy and also experience the impact of words on human emotions A pen is mightier than the sword This anthology best describes this phrase as our co authors have used their power of communicating with words to express their fantasies and imaginations The main reason behind the publication of this book is to create love and awareness towards English Literature in our new generation and to provide a platform for all budding writers to showcase their talent
