Amphibian Carla Gunn,2005-04-14 Nine year old Phineas William Walsh has an encyclopedic knowledge of the natural world He knows that rockfish have swim bladders that can burst and push their intestines out their butts and he knows that barnacles have the longest penises in the animal kingdom He s obsessed with animals it s practically all he talks about and he spends all his spare time watching the Green Channel or researching obscure facts on the internet or in books And he s worried sick about what humans are doing to the planet and its other animals But although he seems to know absolutely everything about the animal world what he doesn t know is why his granddad had to die or why Lyle the bully always picks on him or why his

parents can't live together He misses his grandad terribly and he hates to see his grandmother the only person who understands his eco worrying so sad He misses his dad too and wishes he could see him more and that the separation didn't make his mom so lonely though he sure doesn't like her talking to creepy Brent And things only get worse when Phin's mom desperately worried about his animal obsession takes him to see a rather unsympathetic psychologist When his Grade 4 class gets a pet frog a White's Tree Frog from Australia it becomes the perfect focus for all Phin's worrying He can't bear to see Cuddles penned up in a cage so very far from his natural habitat just for the amusement of humans It's just another example of how cruel and self-centred humans are And so Phin and his best pal Bird are spurred to action
