Looking For Trouble The Life And Times Of A Foreign Correspondent:

Looking for Trouble Richard Beeston, 2006 **Killing the Messenger** Herbert N. Foerstel, 2006-03-30

Killing the Messenger reveals the dangerous new face of war and journalism Covering armed conflicts has always been dangerous business but in the past press heroes like Ernie Pyle and Edward R Murrow faced only the danger of random bullets or bombs Today s war correspondent is actually in the cross hairs a target of combatants on all sides of conflicts In their own words correspondents describe the new dangers they face and attempt to explain why they are targeted Killing the Messenger reveals the dangerous new face of war and journalism Covering armed conflicts has always been dangerous business but in the past press heroes like Ernie Pyle and Edward R Murrow faced only the danger of random bullets or bombs Today s war correspondent is actually in the cross hairs a target of combatants on all sides of conflicts In this book correspondents describe the new dangers they face and attempt to explain why they are targeted Is it simply that modern combatants are more brutal than in the past or has journalism changed making correspondents players rather than observers in modern warfare Extended interviews with correspondents who have been abducted and tortured during Middle East conflicts shed chilling light on this new face of war These journalists who have paid dearly to bring first hand images of war to the public offer some surprising insights into the nature and motivation of their kidnappers and the reasons why reporters are targeted They display no self pity and little inclination to blame anyone other than themselves At the same time they are candid in describing the violence within Iraq and without Ways to reduce the risks for reporters are discussed but these editors and correspondents suggest that short of withdrawing into isolated and protected enclaves they may be facing an indefinite escalation of violence against journalists

We Are Your Soldiers Alex Rowell, 2023-11-14

The Best of The Economist s Middle East coverage in 2024 A searing exploration of authoritarianism in the Middle East through the legacy of Gamal Abdel Nasser s years in power in Cold War era Egypt Gamal Abdel Nasser the larger than life Egyptian president who ruled for eighteen years between the coup d tat he led in 1952 and his death in 1970 is best known for wresting the Suez Canal from the British and French empires and befriending such iconic revolutionaries as Fidel Castro and Che Guevara Yet there is a darker side to Nasser s regime He was a brutal authoritarian whose legacy Alex Rowell argues lies at the heart of the violent and repressive order that still prevails throughout the Arab world today We Are Your Soldiers examines seven countries Egypt Iraq Syria Lebanon Jordan Yemen and Libya weaving the epic tale of Nasser s dramatic encounters with each to reassess his impact in the Arab sphere These engagements were often drenched in blood and destruction leaving deep scars that endure to the present Rowell shows how the Nasser years were crucial to the formation of regimes as varied as Bashar al Assad s Syria Muammar al Gaddafi s Libya Saddam Hussein s Iraq and Abd al Fattah al Sisi s Egypt Crushing democracy at home while launching wars and slaying opponents abroad Nasser ushered in the long political winter from which the region is still yet to emerge Drawing on a deep reading of Arabic sources extensive interviews and material never

before published in English Rowell offers a necessary reexamination of Nasser's rule and a new understanding of the politics of the Middle East
