and Their People BarkBox, 2016-10-18 New York Times bestseller From the humans that brought you BarkBox and BarkPost and BarkShop finally comes Dogs and Their People Finally Bark some will make your heart ache while others will make it soar and others simply look really dapper in color All bring to life and celebrate the crazy consuming insatiable love we feel for the World s Ultimate Best Friend in a book that is the perfect gift for Dog Lovers everywhere *Doodling : How To Master Doodling In 6 Easy Steps* Scott Green, 2015-06-10 Before someone tries to learn how to doodle he or she needs to understand what doodling actually is The word doodle comes from German and referred to a person who was a fool or who

was simple in some way The modern meaning of the word referring to small drawings done idly while one thinks came about in the 1930s and might be connected to the word dawdle for someone who s wasting time All of the history aside though a doodle is nothing more than an unfocused or unconscious drawing typically made while one s attention is supposed to be focused elsewhere This is why doodles often show up in the margins of notebooks or on sticky notes at work people who are tethered in place and stuck listening to a phone call lecture etc will pick up a pen and begin to make small unfocused drawings These are doodles How to Doodle There s no right or wrong way to doodle much as there s no right or wrong way to draw in the first place Doodlers can use the margins of a notebook or a pad of sticky note reminders just as easily as they can use a pristine white sketchbook A doodler can use a number 2 pencil a ballpoint pen or really any other drawing implement that he or she desires As long as you have a medium it s possible to doodle When it comes time to start doodling it s important to let your mind wander and to focus on any creative idea it comes across Perhaps you see a large letter A on your letterhead and decide to draw vines encircling it like something out of an old book of Grimm s Fairy Tales Maybe you decide to add roses to the vines turning the A into a fully fledged topiary Perhaps you decide to put a castle on top of the pinnacle of the A Maybe you draw the vines hanging down and swinging in an unseen breeze Grab the book now to know more
