ordinary Quebecers experienced the Quiet Revolution primarily through a series of transformations in the expression of their Catholic identity. Providing a new understanding of Catholicism's place in twentieth century Quebec, Gauvreau reveals that Catholicism was not only increasingly dominated by the priorities of laypeople but was also the central force in Quebec's cultural transformation. He makes it clear that from the 1930s to the 1960s the Church espoused a particularly radical understanding of modernity especially in the areas of youth, gender, identities, marriage and family. The Spirituality of Black Hebrew Pentecostals Fred G. Sherron, 2010-01-01 The spirituality of Black Hebrew Pentecostalism is a rich tradition that has been hidden from the view of scholars. Including case studies and exercises for self-exploration, this book covers specific groups such as the elderly, the homeless, as well as multicultural populations. Human development concerns are integrated into the book and address the changing role that spirituality plays throughout the lifespan.
