The Onam Rhyme and Other Passages from Time Biju Vasudevan,2017-02-23 THE ONAM RHYME AND OTHER PASSAGES FROM TIME is a compendium of Traditional English Poetic Works As opposed to Modern Poetry This book is a meandering journey through a multitude of emotions and insights ranging from the sublime and exhilarating to the dark and

depressing This book like life is painted in shades of grey where the light blends in with the shadows and black merges into white forming shades of grey at the borders where they meet There is nothing called absolute joy and neither absolute sorrow no absolute victory and neither absolute defeat in life Everything is relative and are governed by the laws of relativity as expounded by science too Nobody is perfect and nobody is completely flawed too Everything is ephemeral and temporary including our emotions too The only thing that is permanent in this world is His Eternal Grace which is boundless and unending The central message of this collection of poetry is the divesting of the self from the ephemeral and attaching the self firmly with the eternal which is His Mysterious Grace I sincerely hope that the readers shall find this collection to be worth their while *Remember Me* Davide Sisto,2021-04-13 As the end of December draws near Facebook routinely sends users a short video entitled Your Year on Facebook It lasts about a minute and brings together the images and posts that received the highest number of comments and likes over the last year The video is rounded off with a message from Facebook that reads Sometimes looking back helps us remember what matters most Thanks for being here It is this looking back increasingly the focus of social networks that is the inspiration behind Davide Sisto's brilliant reflection on how our relationship with remembering and forgetting is changing in the digital era The past does not really exist it is only a story we tell ourselves But what happens when we tell this story not only to ourselves but also to our followers when it is recorded not only on our social media pages but also on the pages of hundreds or thousands of others making it something that can be viewed and referenced forever Social media networks are becoming vast digital archives in which the past merges seamlessly with the present slowly erasing our capacity to forget And yet at the same time our memory is being outsourced to systems that we don't control and that could become obsolete at any time cutting us off from our memories and risking total oblivion This timely and thoughtful reflection on memory and forgetting in the digital age will be of interest to students and scholars in media studies and to anyone concerned with the ways our social and personal lives are changing in a world increasingly shaped by social media and the internet My Refuge, My Strength Michael Youssef,2024-10-08 God is our refuge and strength an ever present help in trouble Psalm 46:1 In the midst of our troubled times and seasons of spiritual restlessness God extends to us His offer of provision and care No matter what He will meet you in your need This rich collection of 60 devotions invites you to experience the peace contentment and rest your soul craves Infused with Scripture each day's reading will revitalize your walk with God by bringing you nearer to His strength and promises In these inspiring readings and prayers from author and pastor Michael Youssef you will find reflections of longing to give you language for the aches and sorrows of your heart promises of healing to invite the power of the Spirit to transform your hurts and fears expressions of praise to thank the Lord for His power and presence in your life You can have the restoration and hope you long for that only God can provide With fresh perspectives each day these personal devotions will deepen your faith in God's goodness and grace helping you experience His peace in lavish abundance Everything I Thought I Was & What I Came to Be Paul
